This Flyer is brought to you for free and open access by the Assessment at ScholarWorks at WMU. It has been accepted for inclusion in Assessment Publications & Presentations by an authorized administrator of ScholarWorks at WMU. For more information, please contact maira.bundza@wmich.edu.
The following presentation will feature a discussion about expertise in using assessment to promote student learning. The format for the session will include a presentation followed by questions from the audience.

Wednesday, January 30, 2008 (9-11 a.m.)

Beyond Accountability: Using Assessment to Promote Student Learning

This session will focus on the integration of assessment activities in the classroom. Formative assessments, student self-assessment, and substantive feedback are features of “Assessment for Learning,” and have been shown to improve student learning and increase the level of student engagement in the learning process.
