WESTERN MICHIGAN UNIVERSITY, KALAMAZOO

Series VIII, No. 3    February, 1965
Foreword

Faculty Publications 1961-63 is the second major compilation of the publications of the Faculty of Western Michigan University. The first dealt with materials that appeared in print from July 1, 1957 - June 30, 1961. This bibliography covers the period July 1, 1961 - June 30, 1963. As with the previous compilation, the aim is to apprise the Faculty of the University of the breadth of writing of their colleagues.

It is, of course, impossible to evaluate the publications of any Faculty member either on the basis of numbers or merit from this compilation. This point needs emphasis since eminently scholarly articles which were published in the Western Michigan University Magazine and in other house organs generally have not been included. The exceptions are those in which the author has prepared a complete publication which was then disseminated on a national basis.

The Graduate Office sought to poll every faculty member to obtain complete and accurate citations. However, omissions and errors are inevitable. The writer takes full responsibility for these and expresses his apologies.

It is hoped that Faculty Contributions 1961-63 will prove to be useful.
