WESTERN MICHIGAN UNIVERSITY

Office of Planning and Institutional Research

April 1996

Dear Western Michigan University Colleagues:

We are pleased to provide you with the 1995-96 FACT BOOK which represents our continuing efforts to provide you with accurate, detailed information about Western Michigan University. This is the second year we have expanded the book from previous versions and we are hopeful this will assist you in developing proposals for research, preparing for accreditation and departmental planning, as well as answering surveys and other questions about the University.

The Fact Book reflects the efforts of many offices and individuals across the campus who contribute to its production and we are appreciative of all of their efforts. In addition, we would like to thank Lunny Green from the Registrar's Office and Christopher Huang, our graduate assistant, for their extraordinary patience and help this year. We would also like to express our appreciation to Cheryl Lay for the hours she spent creating, coordinating and editing this document.

Your comments and suggestions are as welcome as they are necessary. Please call us at 616-387-4422.

Sincerely,

Jan W. Lyddon, Ph.D., Director

Peninnah S. Miller, Director, Institutional Research

Andrew C. Huang, Ph.D., Associate Director, Institutional Research

Kristil D. Semrau, Research Analyst

Cheryl J. Lay, Administrative Assistant

[THIS PAGE IS LEFT BLANK INTENTIONALLY]

**WESTERN MICHIGAN UNIVERSITY
1995-96 FACTS & FIGURES SUMMARY**

History: Established by legislative act in 1903 as Western State Normal School, the first classes were held in 1904. The first permanent building, completed in 1905, overlooked the city from Prospect Hill. By the 1920's Western had become one of America's leading teachers' colleges. Starting in 1934, general degree work independent of teacher certification was offered. An expansion program on the west campus began in 1944. Increasing enrollment and the addition of new departments and courses during the 1940's and 1950's made Western a multi-purpose institution and led to its designation as a university in 1957 by an act of the legislature.

Campus Facts: 451 acres on Main campus. 123 Buildings
 120 acres/75,000 sq. ft. of parking lots
 16 miles of roads; 39 miles of sidewalks
 125 mowable acres of grass
 20,000 sq. ft. of annual and 40,000 sq. ft. of perennial flower beds.

WESTERN MICHIGAN UNIVERSITY'S MISSION STATEMENT

Western Michigan University has identified five major goals to guide its development during the decade of the 1990s:

1. Offer instructional programs of academic excellence reflecting the high quality of the faculty and students, the depth and breadth of the curriculum and co-curriculum emphasizing personal growth and development, the enhanced facilities and learning resources, and the continuing assessment of learning and the learning process.

2. Increase the graduate enrollment, expand external support for research, facilitate scholarship and creative activity, and reward professional accomplishments of faculty, staff, and students.

3. Assist regional and State economic development through on- and off-campus instruction, applied research centers, and technical assistance to business, industry, government, and the schools.

4. Meet the needs of the citizenry by providing leadership and sponsorship of and participation in cultural events and civic activities.

5. Increase the diversity of the student body, faculty, and staff and enhance the multi-cultural nature of the University community.

Founded in 1903 as a normal school for preparing elementary and secondary school teachers and designated in 1957 as the State's fourth public university, Western Michigan University has earned recognition by the Michigan Legislature as a graduate-intensive university and by the Carnegie Foundation for the Advancement of Teaching as a Doctoral I University. The University shares with other higher education institutions the mission to discover, disseminate, extend, and preserve knowledge and culture. In fulfilling this responsibility, University instructional programs strive to increase students' capacity for intellectual growth and achievement, instill a commit-

ment to learning and service to society, and meet the needs of an increasingly diverse student population. The University's research mission requires the faculty and students to create new knowledge and to address social needs and concerns. The University serves the region as a major information and technology resource and plays a critical role in cultural, social, and economic development and enrichment. The University strives for excellence in its endeavors and continually evaluates its efforts to assure that objective.

Western Michigan University offers a full array of undergraduate programs in the fine arts, humanities, social and natural sciences, and the professions; master's programs through its Departments and Schools; and doctoral programs in selected fields. The Colleges share the University's traditional commitment to the preparation of teachers. Educational programs provide students the opportunity to gain academic knowledge and develop the ability to apply that knowledge based on considered ethical choices, and seek to produce graduates who will think critically, communicate effectively, and participate meaningfully in a rapidly changing world. The general education program emphasizes a diverse cultural and ethnic heritage and the importance of a global perspective. Academic major programs require students to master a field of inquiry, discipline, or profession sufficient to an understanding of its methods, subject matter, and future in service to society.

Western Michigan University has distinctive strengths in its graduate and professional programs based on strong foundations in liberal and general education. The University has attracted and retains an outstanding faculty, and several of its Departments have achieved national and international recognition. Faculty and program quality together provide a basis for responding positively to the challenges and opportunities of the future.

The University's commitment to the discovery and dissemination of new knowledge and insight facilitates and rewards faculty and student research, scholarship, and creative activity. The University extends its resources to the community through fine arts programming, on-site delivery of educational programs, student service and internship assistance, health-related clinical services, technology transfer, technical support, and applied research programs. The University deliberately seeks student, staff, and faculty populations characterized by a diversity that reflects society at large and meets student needs through cultural, academic, and financial support and enrichment programs designed to promote student persistence, independence, and success.

The University provides to students a balanced educational experience, including co-curricular activities that contribute to personal growth and help to develop leadership skills. Student organizations, campus residence hall life, artistic events, multi-cultural programs, intercollegiate athletics, and intramural activities together with formal academic endeavor constitute the University environment. Western Michigan University fosters and develops ethical behavior among administrators, faculty, staff, and students. Faculty and student governance structures rest upon the principles of academic freedom and professional ethics consistent with the responsibilities of an academic community.

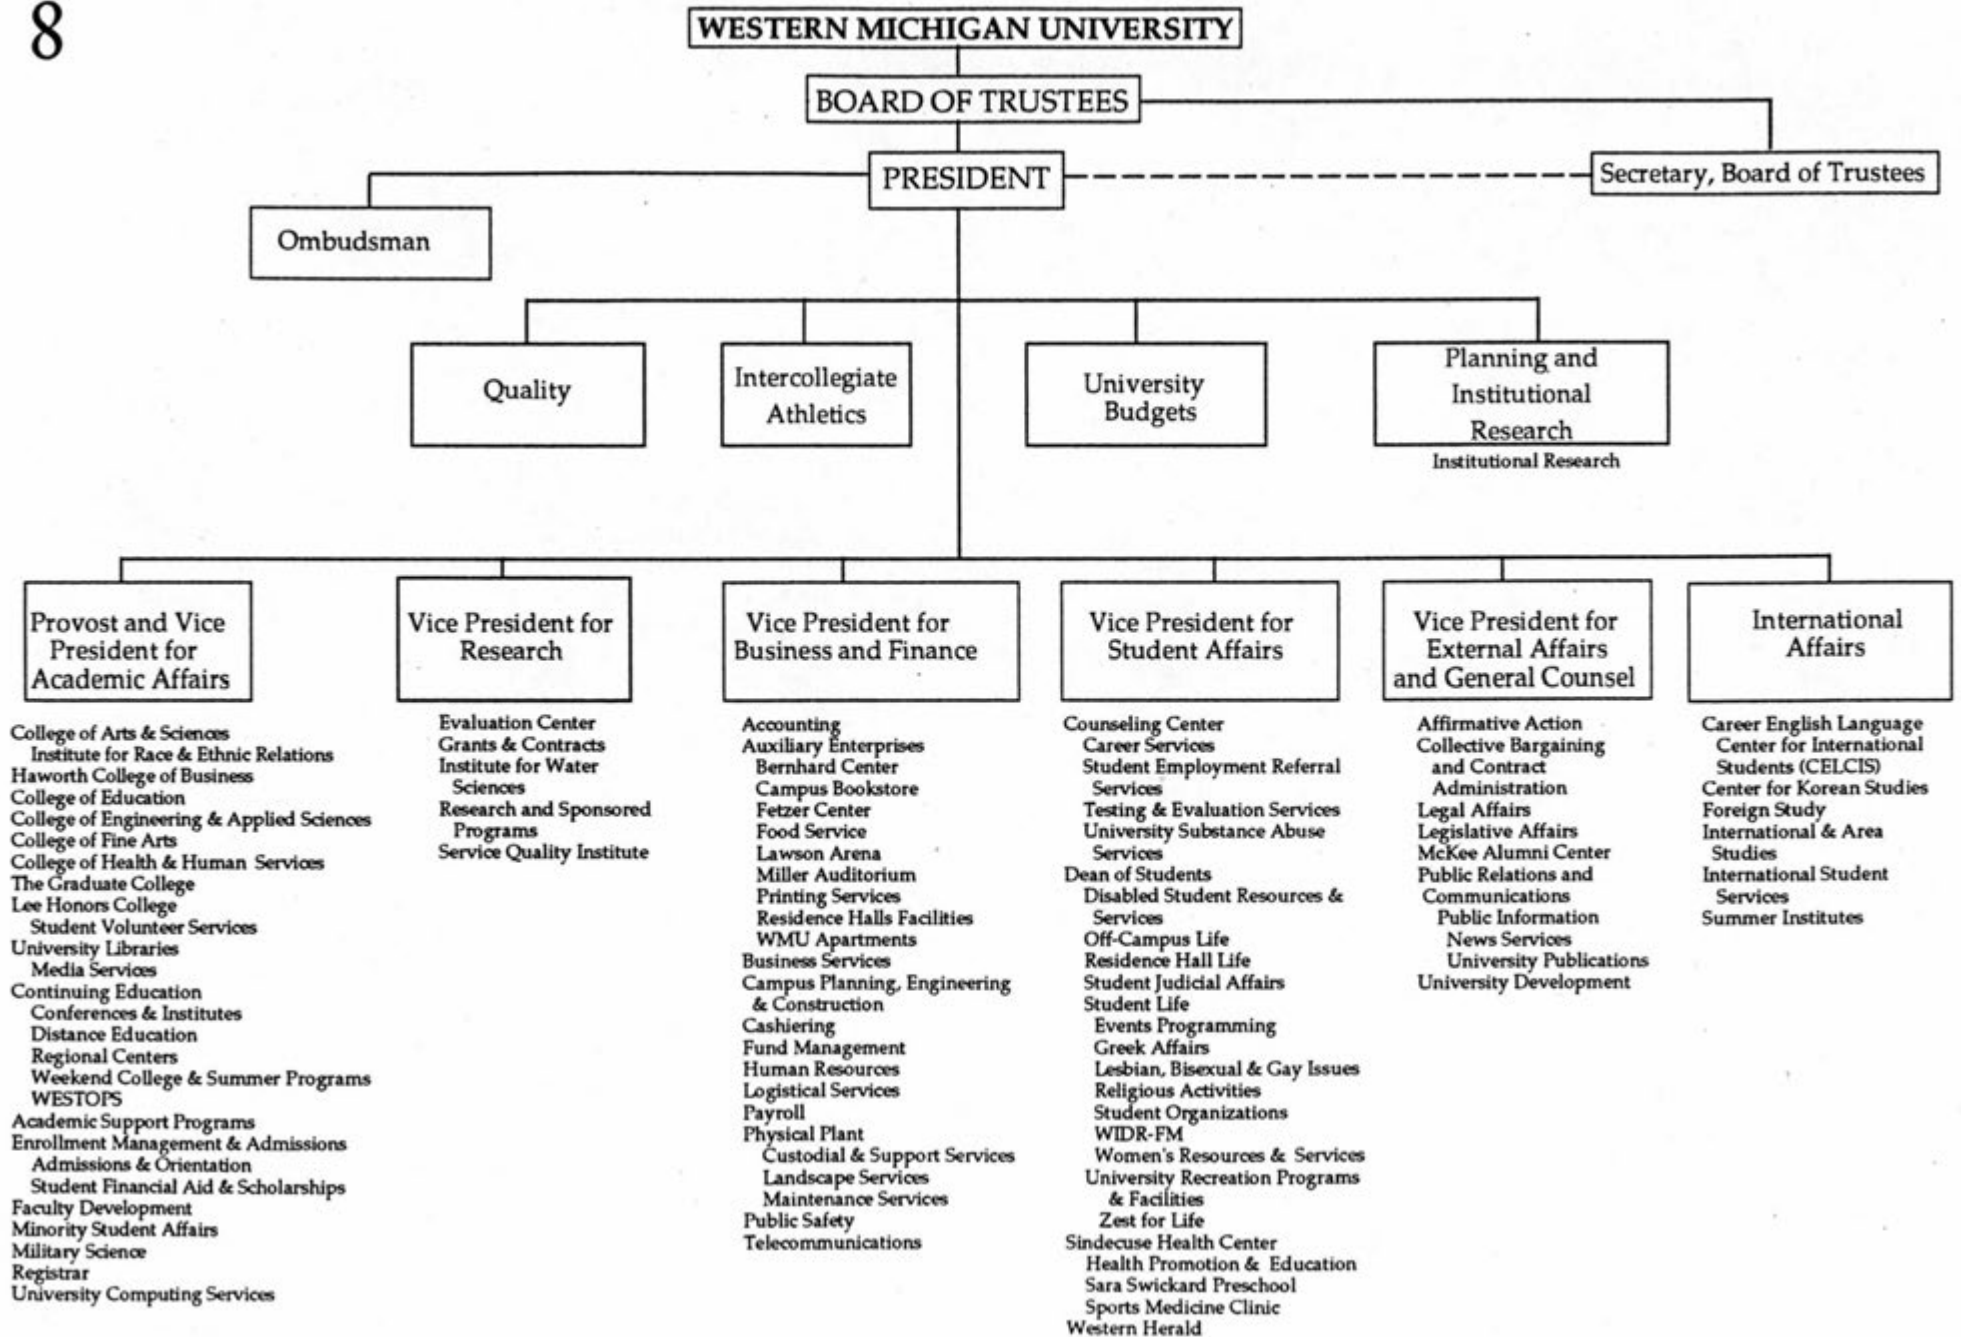

Approved by Board of Trustees April 27, 1990

WESTERN MICHIGAN UNIVERSITY HISTORY

Western State Normal School was established by the Michigan Legislature in 1903 as a two year normal school responsible for preparing elementary school teachers. The school began offering Bachelor of Art Degrees through the University of Michigan in 1913, and then independently in 1918. The Normal School was first accredited by the North Central Association of Colleges and Secondary Schools (NCA) in 1915, and in 1916 by what became the National Council for Accreditation of Teacher Education. Classes were first offered at off-campus sites in 1917. The Bachelor of Science degree was first awarded in 1924, and in 1927, the institution was renamed Western State Teachers College.

In 1934 the College awarded bachelor's degrees independent of teacher certification, and in 1938 it began offering master's degree work in cooperation with the University of Michigan. In 1941 the institution was renamed Western Michigan College of Education, and in 1952 it was authorized by the State Board of Education to award master's degrees independently, a role for which it received North Central Association graduate accreditation in 1955. The institution became Western Michigan College in 1955, and, finally, in 1957 it was redefined in name and function as Western Michigan University. The University first offered the B.B.A. degree in 1952, the B.S.E. degree in 1965, the B.F.A. in 1973, the B.S.M. in 1974, and the B.S.W. in 1980. NCA approved the offering of the specialist degree in 1961; doctoral degrees were initiated in 1966 and fully accredited in 1971. Of major significance in this chronology is the recognition of Western Michigan University in the 1963 revision of the Michigan Constitution. This act conferred a new, special status on Western and authorized appointment by the governor of its own Board of Trustees.

The University currently enrolls 26,537 students in 156 undergraduate, 62 master's, 2 specialist, and 22 doctoral programs on the Kalamazoo campus and at five regional education centers. Now the fourth largest university in the state, the University was recognized as a Doctoral I university by the Carnegie Foundation for the Advancement of Teaching in 1987, and as a graduate intensive university by the Michigan Legislature in 1988. The 1990 revision of the University's mission statement makes clear the University's direction for the next decade: research, graduate education, and economic development, in addition to a continued commitment to undergraduate education, diversity, and community service.

WMU LIBRARIES

Western Michigan University has 4 libraries on campus:

The Dwight B. **Waldo Library** (Main) was the first to be built in 1958, expanded in 1967, and renovated in 1991 and is named after the University's first president.

The **Harper Maybee Library** (Music and Dance) is located in the Dalton Center.

The **Education Library** is located in Sangren Hall.

Archives and Regional History Collections Library is located in East Hall on East Campus.

DEFINITIONS OF TERMS USED IN THE 1995-96 FACT BOOK

All Students includes students from all campuses.

Bargaining unit faculty are those faculty appointed by the Board of Trustees who are represented by the WMU chapter of the American Association of University Professors (AAUP). As such, they all have academic rank. Most of the positions have an instructional function. However, some, notably those in the library and counseling center, are not instructional and are omitted from counts that specify instructional faculty. See page 83 for more detail about definitions of items related to faculty.

Curriculum is a complete program of study, as defined by a college, leading to a degree.

Data on Students Enrolled or Census Day reports come from the Registrar's office on data collected from the census day which occurs at the beginning of each semester.

Degree seeking students are those students who are officially admitted to the University in a degree program as either full or part time students.

FYES is an abbreviation for Fiscal Year Equated Students. To calculate FYES, the total student credit hours (SCH) for the fiscal year are grouped by student level. The SCH at the undergraduate level are divided by 31, SCH at the

master's are divided by 24, and doctoral and specialist's credits are divided by 16. FYES is commonly used among Michigan colleges and universities to provide comparative enrollment data. FYES should be distinguished from the definition of individual students who attend full time or part time. (See **full time student**).

FTIAC refers to degree seeking students, enrolled for the *first time in any college*.

Full-time instructional faculty are instructional bargaining unit faculty (described above) and academic department chairs who are full time. Inclusion and exclusion of individuals is based on the instructions for reporting to government agencies (IPEDS). See page 83 for more detail about definitions of items related to faculty.

Full time student/part time student refers to the classification of individual students based on the number of credits each is carrying in a semester. Undergraduates are considered full time when they take 12 or more credits during the Fall or Winter and 6 credit hours during the Spring or Summer; graduate (Master's, Specialist's and Doctoral) students are considered full time when they take 9 or more credits during the Fall or Winter and at least 5 credits during Spring or Summer.

IPEDS stands for Integrated Postsecondary Education Data System, a system for annual reporting of institutional data to the federal government.

Major is a concentration of related courses generally consisting of 30 to 50 semester hours of credit. A student may have more than one major.

Student Credit Hours (SCH) is the enrollment in a course multiplied by the credit hour value of the course. For example, if a three credit hour class includes 30 students, the SCH is 90. Total SCH for the University is the sum for all course sections.

Student/faculty ratios are calculated by dividing the total FYES by the total FTE faculty. See page 83 for more detail about definitions of items related to faculty.

Student headcount is the count of individual students enrolled for one or more credit courses during the time period illustrated. This count is taken at the same time each semester (Census Day) as set by the Board of Trustees and reported by the Registrar.

College of Arts & Sciences

- Computer Science Theory & Analysis
- Undergraduate Program in Chemistry
- Specialist Program in School Psychology
- Specialist & Doctoral Programs in School Psychology
- Doctoral Program in Clinical Psychology

Haworth College of Business

- Bachelor's & Master's of Business Administration

College of Education

- Dietetics Program
- Counseling Psychology Doctoral Program
- Master's programs in community/agency, school counseling and postsecondary education; Doctoral program in counselor education and supervision
- Graduate Athletic Training Program
- Bachelor's programs for preparation in early childhood elementary, middle and junior high school; secondary education; health, physical education and recreation; and special education

North Central Association of Colleges & Schools

Accrediting/Licensing Agency

- Computing Sciences Accreditation Board (CSAB)
- American Chemical Society (ACS)
- State of Michigan
- National Association of School Psychology (NASP)
- American Psychological Association (APA)
- American Assembly of Collegiate Schools of Business (AACSB)
- The American Dietetic Association
- American Psychological Association (APA)
- Council for Accreditation of Counseling and Related Educational Programs (CACREP)
- National Athletic Trainers Association-Professional Education Committee (NATA)
- National Council for Accreditation of Teacher Education (NCATE)

ACCREDITED PROGRAMS AT WESTERN MICHIGAN UNIVERSITY

College and Program**Accrediting/Licensing Agency****College of Education (Continued)**

Master's programs in early childhood; reading; and teaching in elementary school; and health, physical education and recreation

NCATE

Master's and Doctoral programs in counselor education; science education; and special education

NCATE

Master's, educational specialist, and doctoral programs in educational leadership

NCATE

College of Engineering & Applied Sciences

Computer Systems Engineering
Electrical Engineering
Industrial Engineering
Mechanical Engineering

Engineering Accreditation Commission/Accreditation Board for Engineering and Technology (EAC/ABET)

Manufacturing Engineering Technology

Technology Accreditation Commission/Accreditation Board for Engineering and Technology (TAC/ABET)

INSTITUTES AND CENTERS

Business Research and Service Institute
 Provides research for business, industry, governmental, charitable, and educational organizations.

Service Quality Institute
 An interdisciplinary center that focuses on service quality issues in the service sector of the economy. It provides for an exchange of service quality ideas and information between faculty and service industries, as well as providing research opportunities. The institute also assists with solving service quality problems.

John E. Fetzer Business Development Center
 Provides a wide variety of services for business, industry, governmental, charitable, and educational organizations. Programs are offered throughout the region. The Center also provides an array of meeting, conference, training, and special event facilities for local, regional, and state organizations.

STUDENT LIFE
1994-95

Student Employment Referral Services

- * 15,187 students visited the student employment office
- * 7,000 payroll cards were processed for students employed by WMU
- * 4,541 part time, off-campus jobs listed; 3,736 filled by WMU students
- * \$6.2 million earned by students working part time, off-campus, and in internships
- * \$2,042 is the average dollar value of a part time internship; \$6.38 average per hour wage
- * \$1,506 is the average dollar value of an off-campus, part-time job; \$5.23 average per hour wage
- * \$2,300 is the average work-study award
- * Highlights of Campus Recruiting
 - Walt Disney World
 - Pharmacia & Upjohn AB
 - The Kellogg Company
 - Texas Instruments
 - Sun Chemical
 - First of America
 - Neiman Marcus

Sindicuse Health Center

- * 30,280 Health Center visits fall 1995 and 60,815 Health Center visits during fiscal year 1994-95
- * 13,194 total clinician visits during fall 1995 and 27,633 for fiscal year 1994-95
- * Sexual Health Peer Educators had 1,537 contacts for fall 1995 and 4,230 for fiscal year 1994-95
- * Great Sexpectations Theatre Troupe performed for 2,727 students in the fall of 1995
- * Health Education and Promotion Programs had 26,693 contacts during fiscal year 1994-95

Residence Hall Life

- * During the 1994-95 academic year 3,086 academic, multi-cultural, community service, alcohol education, social and recreational programs and activities were coordinated by residence hall staff
- * 851 pints of blood were donated by residence hall students to the Kalamazoo Red Cross during the 1994-95 academic year

Student Life

- * 300 registered student organizations/agencies representing 12,300 members
- * 13.5% of the undergraduate student population belong to Greek organizations
- * 23 Fraternities comprise 14% of the male population
- * 16 Sororities comprise 12% of the female population

STUDENT LIFE

Page 2 of 3

Off Campus Life

- * Provides housing programs and services for the enrolled students who live off campus
- * Registers over 200 landlords who provide 2,500 rental units that house approximately 7,000 students
- * Maintains a database system on the VAX to help students find housing, roommates, car pools and ride share opportunities
- * Is developing a database to help students buy and sell items such as home furnishings and other items of interest to them
- * Has published 48 educational publications (5 in Spanish) to assist students in understanding their rights as tenants, their responsibilities as citizens in the community as well as other helpful information
- * Produced a 28 minute video entitled Zero Tolerance as an Educational Assault on Negative Off-Campus Party Behavior

Testing and Evaluation Services

- * Career tested and counseled 1,000 students
- * Administered national certification and undergraduate and graduate school tests to 3,000 students
- * Maintained a testing/career library used by 600 students
- * Scored and provided data analysis to faculty on 653,497 student tests
- * Scanned surveys, evaluation and registration/grade reports and provided analysis on 265,924 sheets

University Recreation Programs and Services

- * The Student Recreation Center had 48,685 participations for drop-in recreation during fall 1995
- * Over 3,100 tours occurred at the Student Recreation Center (SRC) during fall 1995
- * 100 different organizations held activities in recreational facilities during fall 1994 and winter 1995
- * During fall 1995, 198 students were employed by URPS to help operate the SRC, provide services and run programs
- * Aerobic exercise classes at the SRC had 6,400 participants in fall 1994
- * Over 57,000 workouts occurred in the SRC fitness/weight room in fall 1994
- * There are 24 different Intramural Sports offered each year (11 fall, 10 winter and 3 spring)
- * 2,904 individuals participated in IM Sports in fall 1995
- * 487 Intramural games were played during fall 1995
- * 1,459 intramural games were played during 1994-95
- * 1,372 individuals attended special events during fall 1994 and winter 1995
- * 207 individuals participated in the 1995 Turkey Trot race by running or walking

STUDENT LIFE

Career Services

- * Maintains 25,000 placement credential files
- * During fall 1995 Career Services brought 116 employers to campus who conducted 1,285 interviews for full time positions
- * The 1996 Career Fair attracted 134 employers and approximately 1,600 students
- * A weekly JOBS Bulletin has a subscription list of 1,000
- * Career Services presents Teacher Placement Day in April when approximately 70 school districts come to recruit the 1,500 students who attend

Major Campus Events

- For Freshmen Only
- Bronco Bash
- Fraternity and Sorority Recruitment
- National Panhellenic Council
- NPHC Icebreaker Dance
- Homecoming
- MarchDown (Step Show)
- Family Festival
- College Bowl
- Into The Streets (Community Service Event)
- Who's Who in American Universities & Colleges
- International Festival
- GOLD Day (Community Service Event)

Organizations

TOTALS	5,125	5,291		665	681		16,925	16,756	

74% of freshmen live in the residence halls and 1% live in WMU Apartments. 28% of undergraduates live in residence halls and 2% of the undergraduates live in WMU owned apartments.

Annual Room and Board Rates, 1995-96

Based on Double Room Occupancy

20 Meals	15 Meals	10 Meals	Room Only
\$4,097	\$3,999	\$3,472	\$1,672

Accommodations

1. Men-only/ Women-only halls
2. Co-Ed by floor or suite
3. Single or Double rooms
4. Two halls for sophomores or persons 21 & older
5. Two halls for juniors or persons 21 & older
6. Two halls open year-round
7. Theme halls (Health and Wellness; International; Beginning Students)

Services

1. Convenience items for sale, mail, change, stamps, messages, information at Reception Desk
2. Formal lounges and All-Purpose rooms for aerobics, movies, etc.
3. TV viewing rooms, refrigerator/ microwave rental
4. Fitness areas/ Free and Machine Weights/ Saunas
5. Study rooms; Computers for most academic work
6. Paint your own room program

ATHLETIC PROGRAMS AND FACILITIES

COLORS: BROWN & GOLD

NICKNAME: BRNCOS

WMU belongs to the National Collegiate Athletic Association (NCAA), Division IA, in the Mid-American Conference (MAC). Other current members of the MAC include Akron, Ball State, Bowling Green, Central Michigan, Eastern Michigan, Kent, Miami of Ohio, Ohio Univ. and Toledo.

Intercollegiate athletic programs include baseball, basketball, cross country, gymnastics, football, tennis, track, hockey, and soccer for men and basketball, cross country, gymnastics, softball, tennis, track, and volleyball for women.

Intramural athletic activities this past year offered 23 programs for men and women as well as a Co-Rec division. Sports activities included basketball, wallyball, volleyball, goalball, tennis, touch football, badminton, ice-hockey, field hockey, softball, swimming, floor hockey, indoor and outdoor soccer.

The Student Recreation Center was designed as a sports village and is part of a \$50 million expansion and renovation of student recreation and intercollegiate athletics facilities. It includes a recreation swimming pool with "swirl pool", weight and fitness rooms with more than 100 stations, facilities for basketball, floor hockey and indoor soccer.

The Student Recreation Center's **Gary Wing** includes a climbing wall; baseball and softball infields; a golf driving range; and facilities for aerobics, archery, badminton, basketball, floor hockey, racquetball, tennis and volleyball, as well as an elevated track for jogging.

Also included in this project is the newly renovated and expanded **Read Fieldhouse**. This structure includes the air-conditioned, 5,800 seat **University Arena** for basketball and volleyball competition and practice, and other events; and facilities for gymnasts. The intercollegiate athletic complex has 12 meeting rooms, 30 offices, 10 locker rooms, a Student Athletic Academic Counseling Center, 4,000 square foot weight room and 4,500 square foot rehabilitation and training room.

Gabel Natatorium and **Lawson Ice Arena** are facilities for swimming and ice hockey and also house the Pro Shop which sells merchandise for figure skating and ice hockey. Lawson Ice Arena underwent major reconstruction during the summer of 1993. The hockey team is a member of the Central Collegiate Hockey Association (CCHA) along with Alaska-Fairbanks, Bowling Green, Ferris State, Illinois-Chicago, Lake Superior State, Miami of Ohio, Michigan, Michigan State, Notre Dame, and Ohio State.

Kanley Track provides a home for both the men's and women's track teams. In 1993 a renovation was completed that included installation of lights, a 400 meter Olympic model Martin-surface track and construction of an alumni center which features a press box along with work and storage areas.

Waldo Stadium, home of the Bronco Football team, features seating for 30,000 spectators, natural turf and with renovations completed in 1995 now includes lighting, clubhouse seating, a new walkway, and improved concession stands. The stadium is used for competitive athletics, intramural activities, and instruction. Waldo Stadium is unusual in that it is one of a few in the nation to run North and South directionally.

FACULTY

INFORMATION

FACULTY DATA

FACULTY DATA: The tables and graphs in this section of the Fact Book contain data about WMU faculty. Several of the tables use different groupings of faculty to constitute their counts. For general purposes the University describes its faculty as numbering 799 regular and 465 part time. More than 90% of our regular faculty hold a doctorate or other highest degree in their field. Other groupings of faculty represented in the following tables are described below:

AAUP Reports: Each year the University participates in the national study of the salaries of full time instructional faculty that is prepared by the National Association of University Professors. The data are prepared in compliance with the definitions supplied by the National AAUP. Data from these studies are compiled in Tables 27, 28 and 29.

Bargaining Unit Faculty: The AAUP represents 751 faculty (fall 1995) including Board-appointed ranked faculty and post-doctoral fellows. "Ranked faculty" includes ranked faculty in the Library, the Division of Academic Services, the Educational Resources Center, and the Counseling Center. Excluded from the Bargaining Unit are administrative positions including department chairs and directors. A specific listing of those included and excluded in the Bargaining Unit is provided in Article I of the contract between the AAUP and the University.

FTE Instructors: Full Time Equivalent Instructors (FTE) is calculated based on a full-time equivalency count of bargaining unit faculty and teaching activity of other instructors, including part-time instructors, department chairs, or graduate assistants. Teaching assignments include all on-campus teaching as well as teaching in off-campus programs is counted as part of a full-time faculty member's regular teaching load. These data are presented in Table 25.

IPEDS Faculty Reports: The University reported on 729 instructional faculty (fall 1995) for governmental reporting purposes (Integrated Postsecondary Education Data System). The definition of faculty is the same as that used in the AAUP report, although the aggregation of the data differs.

Student/Faculty Ratios: Student/Faculty Ratios are calculated using Fiscal Year Equated Students (FYES) and FTE Instructors by department. To determine the overall 1994-95 Student/Faculty Ratio of 17.2:1, FYES is divided by FTE. These data are presented in Table 26.

Term appointment: A Board-appointed faculty position represented by the AAUP that has a specific duration, usually one or two years. A person in such a position is not eligible for tenure.

WMU . . .

- * accounted for 10.5% of the county's population
- * was the third largest employer with 2.6% of the county's employment
- * accounted for 4.44% of Kalamazoo County's total personal income
- * offered services directly to the public through 120 offices, departments, and clinics
- * contributed \$150,000 to the Greater Kalamazoo United Way through faculty and staff donations
- * responded to over 500 requests for information and assistance and worked with 180 local businesses and organizations through the Public Service Office
- * presented nearly 1,100 events through the Fine Arts College to more than 200,000 people
- * offered a variety of intercollegiate athletics to nearly 250,000 fans
- * invested nearly \$280 million in new and renovated campus buildings from 1985-1995
- * volunteered countless hours to a variety of community organizations through combined efforts of faculty, staff and students
- * enriched the community with a vast array of concerts, plays, and lectures
- * hosted some of the world's great performers and performances at the award-winning Miller Auditorium
- * brought the excitement of NCAA Division 1-A Mid-American Conference and Central Collegiate Hockey Association competition to Western Michigan
- * offered industries the ability to test products and processes from pulp to the printed page with its Paper & Printing Science and Engineering Paper & Printing Pilot Plants
- * broadcast throughout Southwest Michigan via WMUK's public broadcasting radio station with a range of programming to suit every taste

EXTERNAL SUPPORT

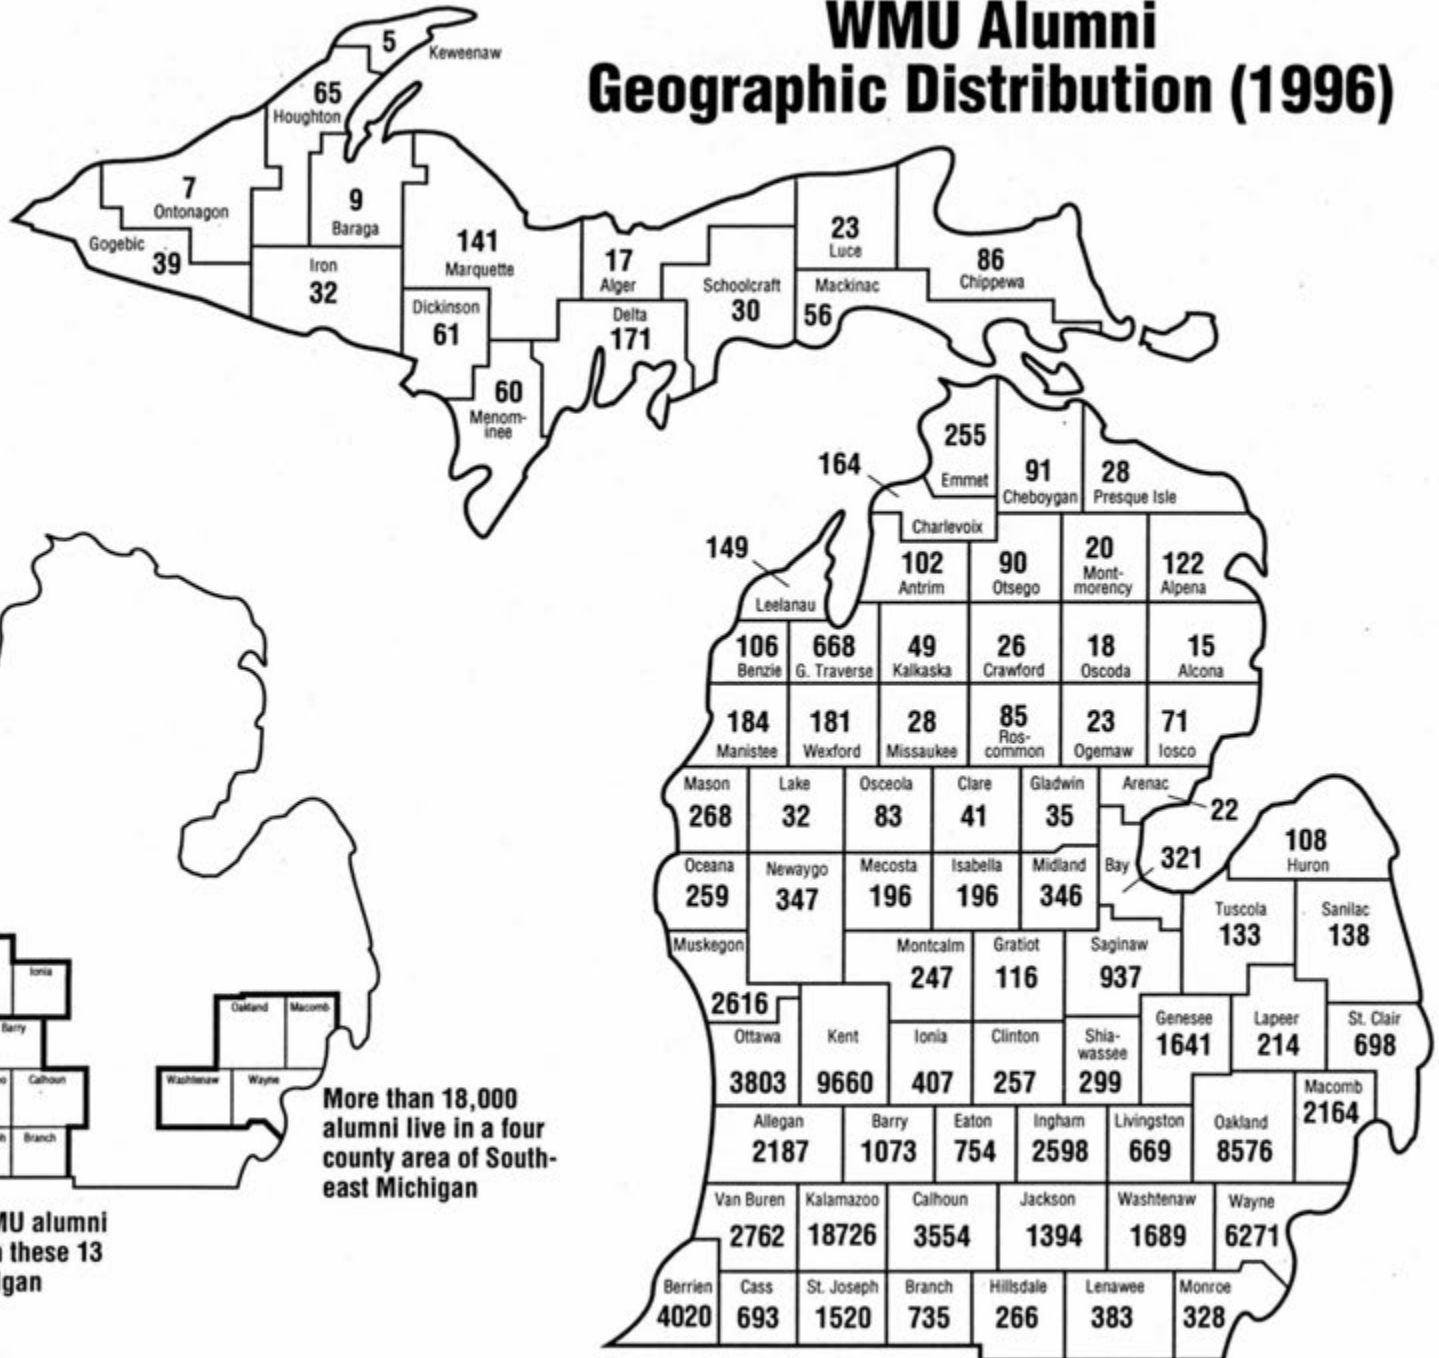

INFORMATION

WMU Alumni Geographic Distribution (1996)

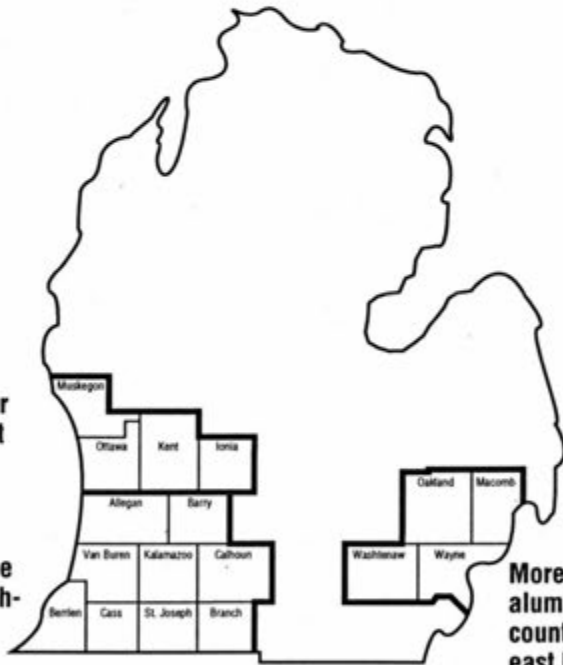

Source: Alumni Relations Office
February 1996

WMU Alumni Geographic Distribution (1996)

More than 16,000 alumni live in a four county area of West Central Michigan

More than 35,000 alumni live in a nine county area of South-west Michigan

More than 18,000 alumni live in a four county area of South-east Michigan

Forty percent of all WMU alumni (52,000 alumni) live in these 13 counties of West Michigan

WMU Alumni Geographic Distribution (1996)

Total addressable alumni*

There are 130,000 WMU alumni worldwide.

About 98 percent of all WMU alumni live in the United States.

About one-fifth of all WMU alumni living outside the U.S. live in Canada.

Of the 129,000 alumni who live in the U.S., about three-fourths (97,000 alumni) live within a five-hour driving radius (300 miles) of Kalamazoo, which includes Milwaukee, Chicago, Indianapolis, Cleveland and Columbus, Ohio, and most of Michigan's Lower Peninsula.

*Verifiable, living alumni, includes both those who earned degrees at Western Michigan University and some former students who did not earn degrees. The WMU definition for "non-graduate alumni" has varied over the years. The alumni population is continually changing. Within one year of this report, actual alumni counts may vary by plus or minus 20 percent of the figures presented here. Population relationships and ratios are less likely to vary significantly.

Alumni populations by U.S. states Ranked by alumni per 100,000 population

	number of alumni	per 100,000		number of alumni	per 100,000
Michigan	88,546	952.59	Iowa	363	13.07
Indiana	3,121	56.29	Maine	148	12.05
Illinois	4,873	42.63	Delaware	80	12.01
Colorado	1,245	37.79	Texas	2,037	11.99
Arizona	1,153	31.46	South Carolina	412	11.82
Alaska	161	29.27	Connecticut	379	11.53
Florida	3,709	28.67	Kansas	277	11.18
Wisconsin	1,379	28.19	Kentucky	386	10.47
Ohio	2,440	22.49	Idaho	99	9.83
Dist of Columbia	120	19.77	Utah	159	9.23
Wyoming	87	19.18	Massachusetts	543	9.03
Minnesota	821	18.77	Nebraska	139	8.81
Georgia	1,185	18.29	Pennsylvania	952	8.01
Hawaii	198	17.87	North Dakota	50	7.83
Virginia	1,090	17.62	New York	1,370	7.62
Nevada	209	17.39	New Jersey	553	7.15
New Mexico	247	16.30	Missouri	347	6.78
Washington	793	16.29	Alabama	273	6.76
North Carolina	977	14.74	South Dakota	44	6.32
Oregon	400	14.07	Arkansas	147	6.25
Montana	112	14.02	Rhode Island	58	5.78
Maryland	669	13.99	Oklahoma	176	5.60
Vermont	78	13.86	West Virginia	86	4.80
California	4,019	13.50	Louisiana	152	3.60
New Hampshire	147	13.25	Mississippi	88	3.42
Tennessee	643	13.18			

Per capita calculations are approximate. State populations are based on 1990 U.S. census figures. Alumni populations are as of February 1996. For example, the population of Michigan is 9.3 million, and the alumni population is 88,546. Therefore, of every 100,000 people in Michigan, 953 are WMU alumni (or approximately one percent of the state's population).

¹Includes gifts and pledge payments of cash, securities, and other highly-liquid assets. Includes deferred gift receipts, such as cash distributions from an estate.

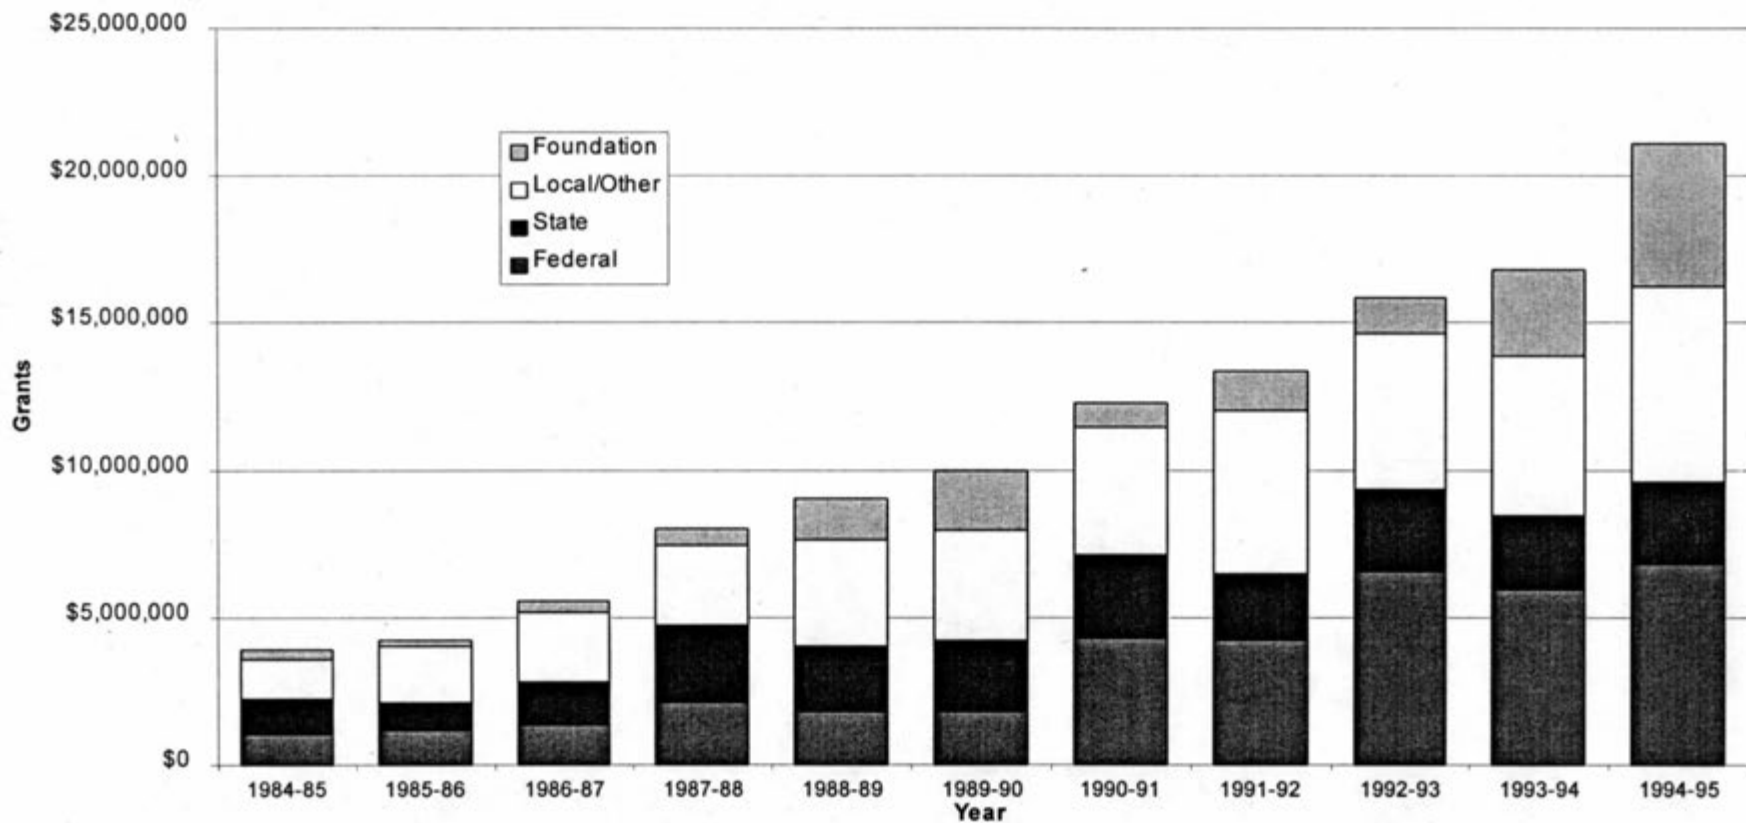

²Includes deferred gifts such as charitable remainder unitrusts and charitable gift annuities for which an irrevocable cash transfer is made to the University, but for which the University will not have full use of the gift monies until some future date.

³All inkind (non-cash) gifts have an assigned value.

⁴Private grants are those received from non-government sources, such as research sponsored by a corporation or private foundation.

Bold type: Western Michigan University all-time record high total.

MEDALLION SCHOLARSHIP PROGRAM

THE PROGRAM

In 1984 Western Michigan University, with the leadership of Trustee Emeritus J. Michael Kemp, launched a major new merit-based award program: the Medallion Scholarships. Funded by private contributions, these \$25,000 awards immediately became the largest no-need scholarships at any public university in the United States. In 1985 the University added \$1,000,000 more in merit based scholarships. This commitment to academic excellence created what remains the most comprehensive scholarship program in the State of Michigan.

Competition Day, 1995

No. of students invited	1,560
No. of student competitors	1,025
No. of high schools represented	384
No. of states represented	12
No. of parent participants	1,328
No. of WMU faculty/staff involved	230

Medallion Scholarships, \$25,000: These awards represent the highest honor an incoming WMU freshman can receive. Up to 20 will be awarded to those students who demonstrate the highest academic promise. (\$6,250 per year)

Board of Trustees Scholarships, \$16,000: At least 20 students will receive these awards which represent exemplary achievement. (\$4,000 per year.)

COMPETITION ELIGIBILITY

Students who have been admitted to WMU as freshmen by January 10 will be considered for the Medallion Program. Students who meet one of the following criteria will receive an invitation to the on-campus competitions: 3.7 GPA; 3.5 GPA with at least a 30 ACT composite; 3.5 GPA with at least a 1,340 on recentered SAT or at least a 1,260 on old SAT. The Medallion Competition takes place the second and third weekends in February.

Scholarships Awarded

Medallion	18
Board of Trustee	16
University Scholar	59
Excellence Award	482
University Academic	436

THE SCHOLARSHIPS

University Scholars Awards, \$12,000: At least 60 students will be named University Scholars. These winners are recognized for outstanding academic promise. (\$3,000 per year)

University Excellence Awards, \$8,000: At least 350 students competing in the Medallion Program will receive University Excellence Awards. (\$2,000 per year)

WMU Academic Scholarships, \$4,800: All Medallion Scholarship Program competitors who do not receive one of the preceding awards will receive a WMU Academic Award Scholarship. (\$1,200 per year)

HOW ARE AWARDS MADE?

Scholarships in the Medallion Program are awarded with primary emphasis on academic performance in high school and in an on-campus competition without regard to financial need. Each scholarship is renewable, providing the student maintains full-time status with a 3.25 GPA.

Breakdown of Major by College

Arts & Sciences	285
Business	115
Education	108
Engr & Applied Sciences	125
Fine Arts	51
Health & Human Services	77
Undecided	257
