### WESTERN MICHIGAN UNIVERSITY MISSION AND GOALS STATEMENT

### **MISSION**

Western Michigan University is a student-centered research university, building intellectual inquiry, investigation, and discovery into all undergraduate, graduate, and professional programs. The University provides leadership in teaching, research, learning, and public service. Nationally recognized and internationally engaged, the University:

- Forges a responsive and ethical academic community
- Develops foundations for achievement in pluralistic societies
- Incorporates participation from diverse individuals in decision-making
- Contributes to technological and economic development
- Engenders an awareness and appreciation of the arts

### **GOALS**

Western Michigan University's mission is characterized by its pursuit of the following institutional goals:

- To foster a safe, civil, and healthy University community
- To provide access to academic programs at reasonable cost and in multiple settings
- To strengthen interdisciplinary collaboration and international programs
- To increase diversity within the student body, faculty, and staff through institutional practices and programs
- To recognize excellence in the teaching, research, learning, creative work, scholarship, and service contributions of students, faculty, and staff
- To conduct ongoing assessment activities and engage in continuous improvement initiatives within the University
- To establish lifelong relationships between alumni and the University
- To advance responsible environmental stewardship
- To support community and regional partnerships that elevate civic, cultural, social, and economic life

Approved by the Board of Trustees 12/07/01

### Introduction

Western Michigan University is a major research university enrolling nearly 24,600 students from across the United States and 90 other countries. WMU provides the top-notch programs, faculty, facilities and hands-on learning opportunities students need to prepare for and excel in graduate school or the workplace. Founded in 1903, WMU is a nationally recognized, internationally engaged institution dedicated to fostering student success.

- The Carnegie Foundation classifies WMU among the nation's fewer than 200 research universities.
- > Phi Beta Kappa, the nation's most prestigious honor society, has chosen to grant chapters to WMU and fewer than 100 other public institutions.
- ➤ U.S. News & World Report names WMU among the nation's top-100 public institutions and the Midwest's top 30.
- The Princeton Review includes WMU on its annual online list of the Best Midwestern Colleges.
- ➤ Intel places WMU second on its list of the nation's most wireless college campuses.

WMU offers more than 230 degree programs through seven degree-granting colleges: Arts and Sciences, Aviation, Education and Human Development, Engineering and Applied Sciences, Fine Arts, Haworth College of Business, and Health and Human Services. Students may choose from 140 bachelor's programs, 67 master's programs and 29 doctoral programs. Many of these offerings have earned a national or international reputation, and several are offered close to home through the University's additional locations in Battle Creek, Benton Harbor, Grand Rapids, Lansing, Muskegon and Traverse City.

WMU attracts faculty members who have been trained at the world's leading universities and who bring a global perspective to the classroom. These scholars conduct \$30-\$40 million in externally funded research each year and share their cutting-edge discoveries in the classroom. This robust academic environment is bolstered by some of the finest instructional facilities in the Midwest as well as a rich array of study-abroad programs, internship opportunities, research institutes, and business-industry partnerships.

Despite its size, complexity and status as a major research institution, WMU remains one of the most affordable and accessible schools in Michigan. The University ranked 10 in tuition and fees among the state's 15 public universities in 2009-10, while continuing to provide the close personal attention usually associated with small private colleges. At WMU, two-thirds of all undergraduate classes have 30 or fewer students, and first-year mentoring programs, extensive career and employment services, and experienced advisors and tutors are within easy reach.

### WESTERN MICHIGAN UNIVERSITY LIBRARIES

University Libraries facilitate access to extensive online and print collections. The **Dwight B. Waldo Library** (Main) built in 1958, expanded in 1967 and renovated and expanded in 1991, is named after the University's first president. Waldo Library houses materials that support learning in the humanities, social sciences, sciences, technology and business. Among the unique circulating collections are the Ann Kercher Memorial Collection of materials on Africa south of the Sahara; the history, religion, philosophy, and culture of the Medieval period; the Randall Frazier Memorial Collection of the history and culture of Black America; the Leslie H. Wood Memorial Collection of materials in the fields of geography and geology; an extensive collection of maps and atlases; and U.S. and Michigan government documents. The Department of Special Collections, located on the third floor of Waldo Library, houses over 140 medieval manuscripts and over 40,000 rare books, including medieval manuscript facsimiles, children's literature and American women's poetry.

The **Education Library**, located in Sangren Hall, offers more than 731,000 items, including the Education Resources Information Center documents. Located in the Dalton Center, the **Harper C. Maybee Music and Dance Library** houses over 53,000 books, periodicals and music scores. Its collection of more than 22,000 sound and video recordings includes concerts from the WMU School of Music. Listening and viewing facilities are available. The **Archives and Regional History Collections Library**, located in East Hall on East Campus, houses unique materials on southwest Michigan, including manuscripts of its early residents. This library serves as the Regional Depository of the State Archives for public records and collects, preserves, and makes accessible University records.

### **Mission Statement**

The mission of Extended University Programs (EUP) is to provide enhanced access to higher education for a greater constituency than could otherwise attend a central campus. In doing so we:

- facilitate student learning in multiple settings
- provide a strong link between campus units and students
- deliver high quality graduate, undergraduate and noncredit programs
- develop and maintain community partnerships, serving as an effective entrepreneur on behalf of the University
- collaborate with and support faculty in course development, program delivery, outreach and scholarship

### **About EUP**

Extended University Programs has offered WMU courses outside of Kalamazoo since 1908, and is composed of four distinct divisions that work collaboratively to provide educational opportunities across Michigan and beyond:

- Regional site locations in Battle Creek, Benton Harbor, Grand Rapids, Lansing, Muskegon, and Traverse City. Students have the opportunity to complete WMU coursework in a face-to-face environment or via compressed video/interactive television (CVIT), which links multiple WMU locations.
- E-learning courses, offering online semester-based and open learning courses (that provide flexible course completion timelines).
- Office of Lifelong Learning and Education, providing conference management, and credit and non-credit learning opportunities.
- General University Studies, a degree completion program, offering either a B.A. or B.S., enables students to complete their undergraduate education.

Academic programs offered through EUP include, but are not limited to:

- Bachelor of Business Administration
- Master of Business Administration
- Master of Arts in Counselor Education/Counseling Psychology
- Master of Social Work
- Master of Arts in Educational Leadership
- Doctor of Philosophy in Educational Leadership
- Master of Arts in the Practice of Teaching
- Master of Science in Occupational Therapy
- Master of Public Administration
- Doctor of Philosophy in Public Administration
- Master of Arts in Educational Technology
- Graduate Certificate in Educational Technology
- Graduate Certificate in Alcohol and Drug Abuse
- Graduate Certificate in Holistic Health Care

### LEE HONORS COLLEGE

Page 1 of 2

The mission of the Carl and Winifred Lee Honors College is to provide a lively, rigorous undergraduate experience for academically talented and highly motivated students. We will do this by focusing on the quality of the each student's undergraduate experience. The signature organizing principle for the LHC is the creation of "**The Distinctive Student**." Our mission is to help students become "distinctive" in a way of their own choosing. This principle shapes what we do in the LHC. Students are our most important partners in this endeavor. We believe that becoming a "distinctive student' will provide students with a realistic opportunity to position themselves for a successful career and life.

The College was founded in 1962, and remains a well-respected center for academic honors education among the 500 institutional members of the National Collegiate Honors Council.

Over one thousand students participate in a learning environment that provides undergraduates with the sense of being enrolled in a small private college, but with the resources of a major university. The Lee Honors College offers a four-year academic program, co-curricular activities, and special opportunities to complement all disciplinary majors.

Freshman and sophomores are offered an opportunity to take linked courses built on the learning community model. A cohort group of students enroll in two courses where connections among the disciplines are drawn and assignments are made which are common to the linked classes. Varieties of clusters are offered every semester, including "Science and Technology," "Exploring the Humanities," and "Environmental Studies." Upper level honors courses generally provide students with a range of special topics and interdisciplinary approaches to issues, events, or problems. Students take a minimum of six honors courses that can include a research-oriented independent study, study abroad, or an internship. All students are required to participate in community service.

A thesis, extended project, or performance serves as a capstone to the four-year program. This culminating activity focuses and applies knowledge and skills of the entire honors program through critical thinking and creative expression. Upon completion of the honors program, students graduate from Lee Honors College with recognition in the commencement program and on the diploma and with special notation on the academic transcript.

To assist students in the thesis process, there is the Dean's Summer Research Thesis Award. The Lee Honors College also administers the Seibert WMU Undergraduate Research and Creative Activities Award program for the University. Unique opportunities are provided through various internships for honors students to learn from valuable contacts with experts in a variety of fields and for each student to gather data for his or her thesis.

The Lee Honors College recruits and advises qualified applicants from the entire University community for prestigious scholarships: The Rhodes, The Gates Cambridge, The British Marshall, The Goldwater, The Truman, The Mellon Fellowship, and The Morris K. Udall Scholarship. Highly qualified WMU candidates have recently been recognized nationally; these include two Truman finalists, one Truman winner, two Goldwater winners, four Morris K. Udall winners, two state finalists for the Rhodes and The British Marshall, and three Rotary International Ambassadorial Scholarships.

### **DEFINITIONS OF TERMS USED IN THE 2009-2010 FACT BOOK**

**All Students** indicates all students taking courses at WMU, including regional sites.

Bargaining unit faculty are those faculty appointed by the Board of Trustees who are represented by the WMU chapter of the American Association of University Professors (AAUP). As such, they all have academic rank. Most of the positions have an instructional function; however, some, notably those in the library and counseling center, are not instructional and are omitted from counts that specify instructional faculty. See Faculty Information, Faculty Data Definitions for more detail about definitions of items related to faculty.

**Census** refers to the first business day after the drop/add period of a semester.

**Curriculum** is a complete program of study, as defined by a college, leading to a degree. The term "Curriculum" is now referred to as "Primary Program".

**Data on Students Enrolled** is a statistical summary report based on census enrollment.

**Degree-seeking students** are those students who are officially admitted to the University in a degree program as either full or part-time students.

**FYES** is an abbreviation for Fiscal Year Equated Students. To calculate FYES, the total student credit hours (SCH) for the fiscal year are grouped by student level. The SCH at the undergraduate level are divided by 30, SCH at the master's level are divided by 24, and doctoral and specialist credits are divided by 16. FYES is commonly used among Michigan colleges and universities to

provide comparative enrollment data. FYES should be distinguished from the definition of individual students who attend full-time or part-time. (See **full-time student.**)

**FTIAC** refers to full-time, degree-seeking, undergraduate students enrolled for the first time in any college.

Full-time instructional faculty refers to instructional bargaining unit faculty (described above) and academic department chairs who are full-time. Inclusion and exclusion of individuals are based on the instructions for reporting to government agencies, i.e., IPEDS. (See <u>Faculty Information</u>, <u>Faculty Data Definitions</u> for more detail about definitions of items related to faculty.)

Full-time student/part-time student refers to the classification of individual students based on the number of credits each is carrying in a semester. Undergraduates are considered full-time when they take 12 or more credits during the Fall or Spring and 6 credit hours during the Summer sessions. Graduate (master's, specialist, and doctoral) students are considered full-time when they take 6 or more credits during the Fall or Spring and at least 3 credits during the Summer sessions.

**IPEDS** stands for Integrated Postsecondary Education Data System, a system for annual reporting of institutional data to the federal government.

**Major** is a concentration of related courses generally consisting of 30 to 50 semester hours of credit. A student may have more than one major.

**Primary Program** (see Curriculum)

**Student Credit Hours (SCH)** is the enrollment in a course multiplied by the credit hour value of the course. For example, if a three credit hour class includes 30 students, the SCH is 90. Total SCH for the University is the sum for all course sections.

**Student headcount** is the count of individual students enrolled for one or more credit courses during the time period illustrated. This count is taken at the same time each semester (Census Day) as set by the Board of Trustees.

Note: Full-time/part-time status for each row is determined by the credit hours taken at the indicated campus. For example, an undergraduate student taking 12 main campus credits and three EUP credits would be counted as full-time on the main campus, part-time in EUP and full-time based on total hours. As a result, full-time main campus plus full-time EUP may not equal the full-time total.

### MEDALLION SCHOLARSHIP PROGRAM 2009-2010

#### THE PROGRAM

The Western Michigan University Medallion Scholarships were created in 1984 under the leadership of Trustee Emeritus J. Michael Kemp. These \$40,000 awards are among the largest merit-based scholarships at any public university in the United States. These awards have been made possible through the generosity of alumni, friends, corporations, foundations, and other organizations. More than 15,000 outstanding high school seniors from numerous states have participated in the Medallion Program since its inception. A total of 455 students have been named Medallion Scholars and have received the top awards totaling more than six million dollars.

#### **Competition Day, 2009**

No. of students invited	1,080
No. of student competitors	516
No. of parent participants	710
No. of high schools represented	267
No. of states represented	6
No. of cities represented	220

#### THE SCHOLARSHIP

**Medallion Scholarships, \$40,000:** These awards represent the highest honor an incoming WMU freshman can receive. Up to 17 Medallion Scholarships will be awarded to those students who demonstrate the highest academic promise. (\$10,000 per year)

#### **COMPETITION ELIGIBILITY**

Students who are U.S. citizens or legal residents, who have a cumulative GPA of 3.70 on a 4.0 scale at the end of their junior year and an ACT composite score of 26 (SAT math + reading of 1170), and who applied to WMU by December 7 were invited to the competition.

#### SELECTION CRITERIA

After the on-campus competition, the top 35 scoring participants are invited back to campus to interview with the Medallion Selection Committee. Scholarships in the Medallion Program are awarded based on performance during the competition and the second-round interviews, without regard to financial need.

#### **CAMPUS LIFE**

#### The Division of Student Affairs

The mission of the Division of Student Affairs is to engage students in learning and personal development. All of the programs and services within the division are intentionally designed to support the academic mission of the University, create and sustain optimal learning environments both in and out of the classroom and provide appropriate challenge and support for students. A vital component of WMU, the division helps to guide development of students into responsible citizens and future leaders.

#### **Residence Life**

Residence Life strives to create living/learning environments where students learn, grow and develop into successful members of the University community. Learning is woven into all aspects of the residence life experience through programs, academic resources and services, opportunities for involvement, and living/learning themes.

Residential learning communities exist in most halls, including academic learning communities connected to WMU academic colleges. Specialized housing also exists for transfer students.

Opportunities for involvement and leadership development are numerous and include attending hall programs, holding leadership positions in the hall and serving on campus-wide residence life committees.

Approximately 4,500 students live in the 13 residence halls on campus. Each hall offers a different living option, whether it is suite-style or traditional community options, upper class-only halls, extended quiet hours or Super Singles. Approximately 515 students live in on-campus apartments.

For more information about Residence Life, please visit <a href="https://www.wmich.edu/housing">www.wmich.edu/housing</a> or call 269-387-4735.

The Office of Student Activities and Leadership Programs encompasses these areas:

- Advising and support services for student organizations
- Greek Life
- Campus-wide programming
- Leadership Development and Volunteer Services
- Faith and spiritual development/Kanley Memorial Chapel

There are over 300 registered student organizations and agencies representing approximately 10,000 - 12,000 members.

- 5 percent of the WMU undergraduate population belongs to a fraternity or sorority organization
- Kanley Memorial Chapel is home to 25 campus ministries

Student organizations by category include:

- Academic
- Cultural/International
- Faith and Spiritual
- Fine Arts
- Greek Life
- Honorary Societies
- Media
- Political/Social Action
- Service Based

- Special Interest
- Sports and Recreation
- Student Government

### **University Counseling and Testing Center**

The University Counseling and Testing Center exists to help students deal effectively with concerns and problems that inhibit their academic achievement and personal growth. The International Association of Counseling Services, Inc. accredits the Center. The Center also supports a doctoral training program, which is nationally recognized and accredited by the American Psychological Association with three doctoral level trainees per year. The training program also includes five graduate assistants who provide limited services with supervision.

There are ten faculty members, two administrative members, two support staff members, doctoral level trainees and graduate assistants that provide the following services:

- Individual, couples and group counseling
- Career counseling and assessment
- Group support and psycho-education
- Mental health consultations
- Eating Disorders Treatment Team
- Outreach services
- University 1020 course and courses in other departments
- Testing services (including nationally standardized testing)
- Testing and measurement consultations
- Master's and doctoral level training

#### **Student Conduct**

The Office of Student Conduct (OSC) enhances student learning and personal development by creating an educationally purposeful, disciplined, and caring community. OSC staff educates students and the campus community on student rights and responsibilities. The conduct process is focused on promoting character development, citizenship, civility and diversity.

- Alleged violations of the student code are resolved through an educationally based process.
- OSC staff collaborates with the Professional Concerns Committee within Faculty Senate to manage and facilitate the academic integrity process. OSC provides training for faculty and student members of the Academic Integrity Hearing panels.
- OSC staff provides training for administrative hearing panel members, the University Appeals Board, and student conduct boards.

#### Career Network

The Career Network is a collaboration of services across campus dedicated to facilitating the career development and employment of WMU students while in college and after graduation. Services include career advising, career assessments, resume and cover letter advice, centralized job listings, career development workshops and several annual campus job fairs.

- Campus jobs are available for enrolled students only. Competition is steep, as many students keep campus jobs through to graduation.
- Working part-time (on or off campus) while enrolled helps students prioritize tasks and master time management. A student will earn \$7,000, working an average of 20 hours per week throughout the year.
- Students who qualify for Michigan or Federal Work Study can work on campus or in a non-profit agency in the Kalamazoo area to earn their award. Apply for Work Study as part of the comprehensive FAFSA (financial aid) application.
- Students are encouraged to attend programs and events to build career knowledge and skills. Several career fairs and other networking events are held each year to expose students to employers and their employment expectations.
- The average 2009 starting salary for an undergraduate from WMU was \$35,000. (Based on student reported salaries from the New Graduate Survey, 2009. More than 70 % reported working in Michigan after graduation.)
- www.wmich.edu/career is the website for the Career Network and includes job openings for students and graduates; dates of all upcoming job fairs in the Midwest; and resources for interviewing, resume preparation and networking.

#### **Disability Services for Students**

Disability Services for Students provides for nearly 800 students who have identified themselves as having disabilities. Disabilities include but are not limited to:

Chronic illness – allergies, cancer, cardiac, MS, fibromyalgia, etc. Cognitive issues – ADHD, LD, traumatic brain injury, etc. Emotional/psychological – depression, anxiety, bi-polar, etc. Physical – hearing, vision, mobility
Temporary – surgeries, broken bones, etc.

- Participates with the Multipurpose Enabling Technology Laboratory (METL). METL is a computer lab with adaptive equipment to assist students with a variety of disabling conditions. Approximately 30 students use this service.
- Arranges on-campus transportation for students with mobility issues. The Handi-van, managed by Metro Transit, is a wheelchair lift equipped vehicle that operates on campus during the fall and winter semesters for approximately 20 students.
- Provides alternative format for textbooks and other printed materials. Formats include enlarged print, Braille and scanning services, which allow students access to screen readers and font size manipulation. Scanned 290 books for 40 students.

Page 6 of 8

#### **Sindecuse Health Center**

The Sindecuse Health Center offers comprehensive services in an outpatient care setting to students, faculty, staff, retirees, and dependents aged 12 years and over. An experienced, multidisciplinary staff provides convenient and cost-effective services in a caring environment. Services include:

- evaluation and treatment of acute and chronic illnesses and injuries
- preventive health check-ups
- laboratory testing and x-rays
- medical social work services

- physical therapy and athletic training services
- periodic health monitoring
- psychiatry services

- full-service pharmacy
- health promotion programs

The Accreditation Association for Ambulatory Health Care (AAAHC) is the accrediting organization for Sindecuse Health Center. In the past school year, there were 82,073 total visits to the health center, and the pharmacy filled 84,434 prescriptions.

The medical staff includes board-certified physicians in the specialties of internal medicine, family practice, pediatrics, occupational health, and psychiatry as well as certified and licensed physician assistants, licensed physical therapists, certified athletic trainers, licensed social workers, and consultants in adolescent medicine, orthopedics, and podiatry. The nursing staff includes college health-certified registered nurses and certified medical assistants. The diagnostic services staff is composed of registered medical technologists and radiographers.

#### Medical services include:

- regular medical care by appointment
- same-day care clinic
- occupational medicine program
- women's and men's reproductive health care
- evaluation and treatment for ADD and other learning disabilities\*
- physical therapy and athletic training

- podiatric care
- psychiatric care\*
- orthopedic evaluation

The nursing staff provides pregnancy testing, immunizations, TB skin testing, allergy injections, international travel consultations, smoking cessation assistance, and other services. The health promotion department offers nutrition counseling, massage therapy, peer education, student theater productions for the promotion of healthy choices, and a variety of educational resources. The medical social work department provides HIV counseling, testing, and education and provides crisis intervention, short-term counseling, case management, and advocacy services to the University community. Our sports medicine department and international travel clinics are also open to the community.

<sup>\*</sup>Services available for students only.

### **University Recreation**

University Recreation (UR) is committed to creating healthy environments that engage students and the university community in learning and personal development. As the administrating unit of the Student Recreation Center (SRC), the department caters to a diverse population of internal and external patrons, as well as regional and state organizations.

University Recreation continues to contribute to WMU's ability to recruit and retain students, faculty and staff by offering programs and services that meet the needs and expectations of this constituency.

During spring and fall 2009, over 340,000 accesses were recorded through the turnstiles where the campus community engaged in some form of leisure activity. Ninety-four (94%) of survey respondents indicated they used the SRC more than once per week. Through a survey assessment conducted in 2009, students using the SRC noted the following top three changes about themselves: more energy (67%), less stress (56%), and greater self-esteem (51%).

University Recreation employs six professional staff and 260 student employees who support the vision for a positive, healthy and active lifestyle through recreational programs and services.

- Over 1,250 fitness classes with 16,000 participants were tracked in various fitness and wellness programs by UR in 2009.
- Intramural Sports offered 36 different sports ranging from flag football to badminton, with 6,475 participants. Intramural Sports played 1,800 games with 115 officials for 730 teams; over 850 climbing wall participants with 600 being resident hall participants in the 2008-2009 academic year.
- The SRC is 240,000 square feet of activity space that also accommodates a series of rentals and special events. In 2009, there were 1,726 tours of the SRC with 15,020 visitors.

- The SRC is in operation 102 hours a week in the fall and 108 hours a
  week in the spring. The Seelye Center is open 25 hours a week for
  sport clubs and intramural sports.
- The SRC is the host site for the WMU Health and Wellness Expo, International Sport Night, NCCS Regional Basketball Tournament, Special Olympics, Goal Ball Tournament, and Finals Finish.

#### The Western Herald

The Western Herald is Western Michigan University's student newspaper. The Herald provides daily news at <a href="www.westernherald.com">www.westernherald.com</a> is published in print Mondays and Thursdays during the fall and spring semesters and Mondays during the Summer I and Summer II sessions. Throughout the year the Herald also publishes several special sections on topics of interest to students. Students at the Western Herald gain practical experience for careers in journalism, communications, Web site development, printing, graphic arts, design, advertising sales, business, management, and photography, among others.

- During an academic year, more than 80 students are involved in publishing the Western Herald. Their commitment ranges from the editor, who averages 22 hours per week, to reporters who may contribute one story per week.
- The Herald budget is approximately \$550,000 annually, which is generated by student sales of classified and display advertising. The Herald receives no university funding.

### **Multicultural Affairs**

Page 8 of 8

#### **Mission Statement**

To support the University's efforts in the attraction, persistence, and graduation of diverse students through programs and services that will enable them to contribute to the advancement of the campus community and a multicultural world.

### Martin Luther King, Jr. Program

The Martin Luther King, Jr. Academy is designed to recognize the academic achievement of students who have been awarded the Diversity & Multiculturalism Scholarship and/or other incentive scholarships at Western Michigan University. The MLK Academy provides an opportunity for scholarship students to pursue their major areas of study and to join with other scholarship students in a variety of experiences that broaden their educational perspectives.

### **Sophomore and Transfer Student Program**

The Sophomore and Transfer Student Program is designed to increase opportunities for leadership and personal development, interaction with faculty and staff, assistance with major selection, career paths, and understanding study abroad options, as well as to increase class cohesiveness by providing support and services for selected students.

### **Steps Toward Exhibiting Mastery (STEM) Program**

The Division of Multicultural Affairs' STEM Program, funded by the State of Michigan Department of Labor and Economic Growth King-Chávez -Parks Initiative, is designed to promote student success and increase student college graduation rates. The DMA STEM Program provides free one-on-one tutoring for many courses, academic support through mentoring, counseling, multicultural activities, educational seminars, career and graduate school planning, and other resources to enhance student education.

The DMA STEM Program strives to provide a learning- and student-centered environment that presents the context for intellectual, cultural, professional, and personal growth during the college experience. Each student will learn to become an independent, confident learner and develop good study habits and time management skills.

### **Center for Pre-College Initiative**

The mission of the Center for Pre-College Initiative is to provide an opportunity for middle and high school students to discover first-hand the potential of a college education, and to expose students to information, knowledge, and skills needed to complete high school and enroll in and graduate from institutions of post-secondary education. Two grant funded programs under this center are the GEAR UP College Day Program and the Upward Bound Program.

### Alpha Kappa Mu Honor Society

Alpha Kappa Mu Honor Society is a member of the National Association of College Honor Societies. Initiated at WMU in 1989, it is the only chapter of Alpha Kappa Mu in the State of Michigan. The purpose of Alpha Kappa Mu Honor Society is to promote high scholarship, encourage sincere and zealous endeavors in all fields of knowledge and service, and develop an appreciation for scholarly work and the scholarly endeavors in others.

### **FACULTY DATA DEFINITIONS**

**Faculty Data:** The tables and graphs in this section of the Fact Book contain data about WMU faculty. Several of the tables provide faculty headcounts based on different categorizations.

For general purposes the University describes its faculty number as 908 regular and 527 part-time. Other groupings of faculty represented in the following tables are described below:

American Association of University Professors (AAUP) Reports: Each year the University participates in a national study of the salaries of full-time instructional faculty prepared by the American Association of University Professors. The data are prepared in compliance with the definitions supplied by the National AAUP. Data from this study are compiled in Table 36.

Bargaining Unit Faculty: The AAUP represents 855 faculty (Fall 2009), including board-appointed ranked faculty. Ranked faculty includes ranked faculty in the Library, Academic Affairs, the Career English Language Center for International Students, and the Counseling Center. Administrative positions, including department chairs and directors, are excluded from the bargaining unit. A specific listing of those included and excluded in the bargaining unit is provided in Article I of the contract between the AAUP and the University.

**Term Appointment:** Term appointment refers to a board-appointed faculty position represented by the AAUP that has a specific duration, usually one year. A person in such a position is not eligible for tenure.

<sup>\*</sup> In 2005-2006, Western Michigan University instituted a flat rate tuition plan for undergraduate students taking 12-16 credit hours per semester. Graduate student tuition cost (12 credit hours for masters and 8 credit hours for doctoral per semester) remains determined per credit hour, .

# WMU Alumni Geographic Distribution (2010)

## WMU Alumni Geographic Distribution (2010)

### **Total addressable alumni\***

### There are 173,400 WMU alumni worldwide.

About 96 percent of all WMU alumni (166,900) live in the United States.

The largest populations of WMU alumni outside the United States are in Malaysia (about 1,500), India (800), Japan (600), Thailand (400) and Canada (400).

Of the 166,900 alumni who live in the U.S., about three-fourths (125,000 alumni) live within a five-hour driving radius (300 miles) of Kalamazoo, which includes Milwaukee, Chicago, Indianapolis, Cleveland and Columbus, Ohio, and most of Michigan's Lower Penisula.

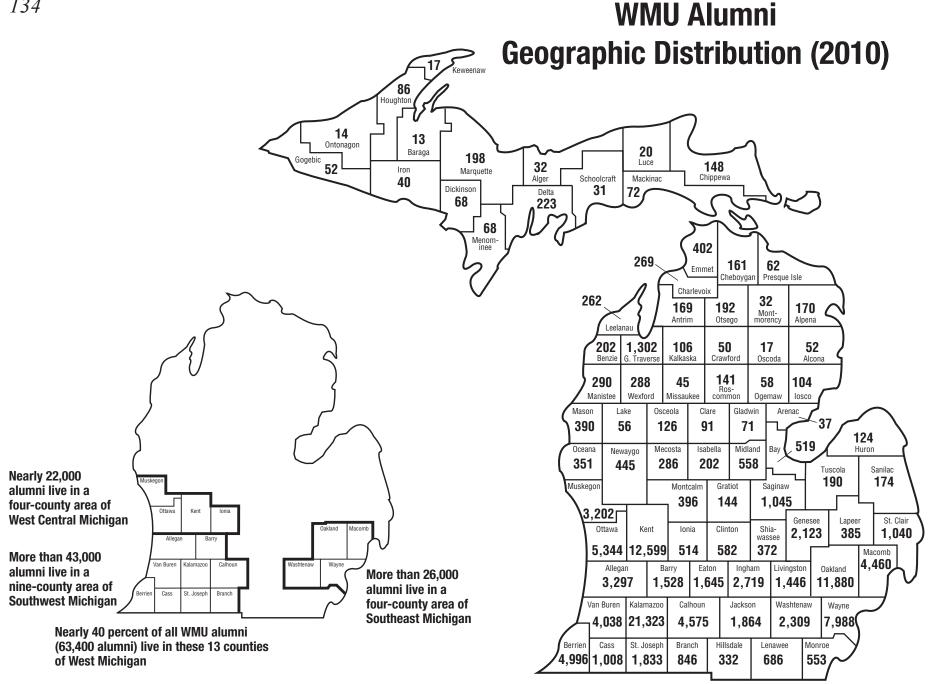

## There are 116,148 WMU alumni in Michigan.

Two-thirds (67 percent) of all WMU alumni live in Michigan.

More than 90 percent of Michigan's WMU alumni live in the Lower Peninsula, south of a line extending from Muskegon County in the west to St. Clair County in the east.

\*Verifiable, living alumni, includes both those who earned degrees at Western Michigan University and some former students who did not earn degrees. The WMU definition for "non-graduate alumni" has varied over the years. The alumni population is continually changing. Within one year of this report, actual alumni counts may vary by plus or minus 20 percent of the figures presented here. Population relationships and ratios are less likely to vary significantly.
