[Jill M. Hebert publishes her first book, *Morgan Le Fay, Shapeshifter* by Palgrave Macmillan](#)

Congratulations to Jill M. Hebert (PhD 2008) on the publication of her first book, *Morgan Le Fay, Shapeshifter* by Palgrave Macmillan. As noted by the reviewer, "Hebert's book will have widespread interest, especially for advanced undergraduates and graduate students majoring in literature and/or women's studies, art history, and media studies. It will serve as a resource for Hebert's analysis and judgments regarding various works and also as a model of one scholarly way to examine a magnetic character, Morgan Le Fay, over several centuries of primary works and through various historical, philological, and myth-centered approaches, as well as various genres."
