Office of the President

Dear Faculty and Staff:

I am very pleased to have an opportunity to recognize the valuable contributions made to WMU by the faculty and staff employees who have provided long-term employment service. The importance of every University faculty and staff member cannot be overemphasized. This is especially true of those who have committed their careers to Western.

Members of the WMU community with lengthy service have shared significantly in making the fine history of this University. Many have served through calm and storm, growth and decline, good times and bad times. These persons have earned our recognition and thanks. I am most happy to join in this special recognition.

Sincerely,

A handwritten signature in black ink that reads "John T. Bernhard". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Personnel Department

Dear Faculty and Staff:

We are very pleased to be able to recognize WMU faculty and staff employees who have a long history of employment service at Western.

The cornerstone of the Employee Recognition Program is the 25 Year Club. Membership is granted to all regular status University faculty, administrators, and service staff employees who have twenty-five or more years of continuous service with the University. Twenty-five Year Club members are invited to an annual banquet in their honor. They also receive a special 25 Year Club member identification card, a certificate, and may choose from a selection of appropriate gifts.

The Program also includes awarding certificates of appreciation to employees who have completed ten, fifteen, and twenty years of service. This special publication is published each year, featuring employees joining the 25 Year Club and those who receive certificates.

The administration is very conscious of the important contribution to the success of the University made by long-term employees. We are pleased to have an official program which publicly recognizes their commitment to WMU.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Stanley W. Kelley'.
