Scholars working in the field of Christian Monasticism are invited to submit proposals for texts-in-translation and book-length studies to:

The Editorial Director
Cistercian Publications Inc.
Western Michigan University
Kalamazoo, Michigan (USA) 49008

Proposals should include a brief outline of the proposed work and explanation of its significance to monastic history/studies, a short sample, and a statement of the author/translator's professional qualifications to undertake it.

With extremely rare exceptions, Cistercian Publications does not publish critical editions of texts in antique languages, nor does it consider manuscripts dealing with material outside the monastic tradition.

The cover illustration shows Walwood Hall on Western Michigan University's, East Campus, the new home of the Institute of Cistercian Studies and Cistercian Publications. Our office is located on the left side of the picture, on the second floor.
