Michigan announces 20 additional positive cases of COVID-19

FOR IMMEDIATE RELEASE

No. 020 – March 15, 2020

Contact: Bob Wheaton, 517-281-1701

LANSONG, MICH. The Michigan Department of Health and Human Services (MDHHS) announced today 20 positive cases of coronavirus disease 2019 (COVID-19). This brings the state total of COVID-19 cases to 53.

The cases include:

- Washtenaw County, three adult males, all with a history of international travel.
- Detroit, adult female with unknown travel history.
- Oakland County, adult female with contact with a person with COVID-19.
- Detroit, adult female with contact with a person with COVID-19.
- Macomb County, adult female with unknown travel history.
- Oakland County, male child with contact with a person with COVID-19.
- Kent County, adult male with unknown travel history and unknown contact history.
- Oakland County, adult male with unknown travel and contact history.
- Wayne County, adult male with unknown travel and contact history.
- Ottawa County, adult female with unknown travel and contact history.
- St. Clair County, adult female with contact with a person with COVID-19.
- Macomb County, two adult males with no travel or contact reported.
- Wayne County, adult male with no travel or contact reported.
- Oakland County, adult male with international travel history.
- Oakland County, adult male with no history of travel or contacts.
- Detroit, adult female with no history of travel or contacts.
- Kent County, adult male with history of domestic travel.

COVID-19 symptoms may appear in as few as two days or as long as 14 days after exposure to the virus.

They include:

- Fever.
- Cough.
- Shortness of breath. This is a rapidly evolving situation.

Updates will be posted to Michigan.gov/Coronavirus and CDC.gov/Coronavirus.
