Fireflies is a theatrical performance that examines the culture of dehumanization. This piece purposes to inspire thought, meaningful dialogue, and change.

Students of Western Michigan University are the target audience for this program. This program is currently touring the Residence Halls of Main Campus.

That the audience will think about how language dehumanizes those around us and realize that they need to take responsibility in discovering and understanding other ethnicities.

**Purpose**

Fireflies is a theatrical performance that examines the culture of dehumanization. This piece purposes to inspire thought, meaningful dialogue, and change.

**Project Goals**

That the audience will think about how language dehumanizes those around us and realize that they need to take responsibility in discovering and understanding other ethnicities.

**Target Audience**

Students of Western Michigan University are the target audience for this program. This program is currently touring the Residence Halls of Main Campus.
