Office of the President

December 3, 1986

Dear Faculty and Staff:

It is my pleasure to join the rest of the Western Michigan University community in recognizing the dedication and valuable contributions made by the faculty and staff who have committed their careers to WMU. Those of you with many years of service have shared significantly in building this University and establishing its fine history. Many of you have served through calm and storm, growth and decline, good times and bad times. You have earned our respect and our thanks.

I applaud your commitment and dedication, and I accept the challenge of continuing your efforts to build toward our common goal of excellence and recognition for this fine educational institution.

Sincerely,

Diether H. Haenicke
President

Western Michigan University

Personnel Department

December 3, 1986

Dear Faculty and Staff:

It is our privilege to recognize those employees of WMU who have a long history of employment service at Western and thus have shown a career dedication to our University.

The 25 Year Club is the cornerstone of the Employee Recognition Program. Membership is granted to all regular status University faculty, administrators, and service staff employees who have twenty-five or more years of continuous service with the University. Twenty-Five Year Club members are invited to an annual banquet in their honor. They also receive a silver-tone 25 Year Club member identification card, a framed certificate, and may choose from a selection of commemorative gifts.

Certificates of appreciation are also awarded to employees who have completed ten, fifteen, and twenty years of continuous service. We also recognize those members of the 25 Year Club who have continued their career commitment to thirty, thirty-five or more years of active service. This special publication is printed each year, featuring those employees who are newly inducted into the 25 Year Club and those who receive service certificates. The service date cut off is September 30 of each year.

The administration is very conscious of the important contribution to the success of the University made by long-term employees. We are pleased to have an official program which publicly recognizes their commitment to WMU.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Stanley W. Kelley', written over a horizontal line.
