Scholars interested in presenting a paper at the 1999 Cistercian Studies Conference are invited to submit an abstract to the Institute of Cistercian Studies. Abstracts must be typed, double-spaced, and signed, and posted to be received at ICS offices no later than 15 September 1998. Requests for audiovisual equipment must accompany the abstract. Papers are strictly limited to twenty minutes. The submission of an abstract constitutes a commitment to attend the Conference if the paper is accepted. Papers are not read for absent scholars.

Letters of acceptance/rejection are sent out in early October. All participants in the Cistercian Studies Conference are automatically participants in the International Medieval Studies Congress, and will receive information on transportation, housing, and meals from the Medieval Institute.
