The Western Michigan University Jazz Orchestra is an award-winning ensemble that has received national acclaim for its high performance standards and creative approach to big band jazz. Recent recognition includes a heralded performance in New York City's Carnegie Hall; thirteen consecutive performances at the Montreux-Detroit International Jazz Festival; and five "Outstanding Band" recognitions at the Notre Dame Collegiate Jazz Festival in the past six years. The band performs regularly on the WMU campus with well-known jazz artists and tours extensively.
