WMU ScholarWorks Access Agreement for Research Posters

ScholarWorks at WMU is an online open access repository for Western Michigan University's research, scholarly and creative output. ScholarWorks serves as a permanent digital archive for these materials. We will be putting up citations to your work, but cannot put up the actual work without your permission.

Name	Scott DETLOFF
WMU email	scott.m.detloff@wmich.edu
Non-WMU email	detloff.scott@gmail.com
Advisor/Faculty mentor	Professor ArzauX
Department	Physician Assistant
Title of poster	Among patients with atrial fibrillation & chronic kidney disease, which oral anticoagulant agent class more effectively reduces morbidity and mortality, warfarin or non-vitamin K antagonists?

Publishing Options

All of the Open Access Publishing options will eventually allow your work to be viewed by anyone, anywhere through ScholarWorks at WMU. The Embargo options, if chosen, simply delay the access to your work - it will not be available to anyone for the period of the embargo. One reason for such a delay may be for WMU to secure patent or other intellectual property rights for the work. For any changes contact us at wmu-scholarworks@wmich.edu.

Please choose one:

Open Access Publishing - No Embargoes

I authorize immediate open access to the electronic full text of my work.

Open Access Publishing - 1 year Embargo

I request that WMU embargo the electronic full text of my work for 1 year

Open Access Publishing - 2 year Embargo

I request that WMU embargo the electronic full text of my work for 2 years

Restricted - Citation only for 10 years

If at a future date I want to make my work open access, I will contact wmu-scholarworks@wmich.edu

Signature

1. I grant to Western Michigan University, a non-exclusive, non-transferable, non-royalty bearing license to post in perpetuity my work to the University's online, open access scholarly repository. I understand and agree that my scholarly work will be openly available on the repository web site and that while the University will advise viewers that any unauthorized use of the scholarly work is forbidden, the University will not actively police or prosecute improper, infringing, or inappropriate use.

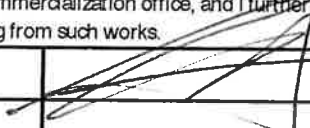

2. I represent to Western Michigan University that this is my original scholarship or creative work and does not plagiarize or infringe on the copyright of any other work and, to the extent needed, that I have obtained all necessary permissions from contributors, sponsors, and/or ancillary copyright holders to deposit it. I also represent that this work does not contain libelous matter nor does it invade the privacy of a person or third party. In the event, in its reasonable judgment, the University believes originality, permission, libelous matter, or privacy invasion is called into question, it may remove the work from the online repository.

3. I understand that the repository is meant to house a permanent and growing collection of WMU scholarship and agree that once deposited my work shall remain in the repository in perpetuity unless removed by Western Michigan University for reasons deemed justified in its reasonable judgment.

4. I understand and agree that the University does not register my scholarly work with the United States Copyright Office nor does it charge or collect royalties, licensing fees, or other revenue from the use of my scholarly work by any person or entity.

5. I understand and agree that if my work contains any "Intellectual Property", as defined in the WMU IP policy statement, then I will also disclose my work through the WMU IP Management & Commercialization office, and I further understand that there may be royalty or licensing income provided from associated patents or copyrights resulting from such works.
