CORONAVIRUS / MICHIGAN DATA

Testing Turnaround Time

This page will no longer be updated after 5/28/2021. COVID-19 testing turnaround time has provided helpful data on the average time taken for diagnostic COVID-19 laboratory tests to be reported to the state health department, however, due to most labs meeting their threshold, testing turnaround time is no longer being monitored. Other pertinent COVID-19 data for the state can be found on the Michigan Data page.
