presents....
We of the Highlander staff wish to dedicate this book to Miss Elizabeth Giedeman in appreciation of her outstanding teaching and leadership abilities.

Whether she is conjugating a Latin verb, assigning a news item for the Highlights, or rooting at the ball games, Miss Giedeman is always enthusiastic. Through her enthusiasm, interest, and guidance, she has conveyed to her classes a special spark that will leave its shining mark in each student's memory.

The change from State High to University High brought many revisions. On July 1, 1957, we officially became University High School, but it took time for "U" High to come easily to our lips. New uniforms were ordered and cheers were rewritten.

The Highlander has recorded your school life, work and play, during the last ten months of the year 1957-58. To the freshmen the fall of 1957 was the beginning of four outstanding years. The sophomore felt more at ease because he had a year of high school behind him. The junior was at last an upper classman which brought more responsibilities. To the senior it would be a memorable experience, and all too soon the strains of "Pomp and Circumstance" would mark the end of four exciting years.

We have gained much this year. It has not all come from textbooks, for we have learned to work and share with others. The year is over but not forgotten...

SPORTSMANSHIP
And in the world as in the school,
You know how Fate may turn and shift;
The prize be sometimes to the fool,
The race not always to the swift.
Who misses or who gains the prize,
Go, lose or conquer as you can;
But if you fall or if you rise,
Be each, pray God, a gentleman.

William Makepeace Thackeray
The "U" seal took shape with the help of Jean Buelke and her pen.

The life of University High School began long before ringing class bells heralded "back to school" time. In fact, even before the name State High School had been officially discarded, plans for a "U" High athletic letter and car sticker were well on the way to production.

During the summer some of our students participated in a camping trip to Florida. This was supervised and chaperoned by the Ray Deurs, and provided many happy memories to be shared with the rest of the student body.

Our cheerleaders spent much of their summer and dexterity originating and perfecting new cheers to spur our "U" High teams to victory. They played a big part in selling our new name to students and the public.

The football team, meanwhile, was busy trying on and admiring their own new "U" shirts, and anticipating the coming sports season.

Our cabinet also held many preschool meetings. Here they discussed ways to better the student council and to help it to do its part in gaining respect and friendship for University High School. The students who participated in these activities, giving their extra time and ideas, did much to help University High School establish itself.
Those smiles and the new uniforms were proudly worn all season.

A few days of early practice turned the summer "softies" into peppy precisionists.
Informality was the rule at the summer's cabinet meetings.

The end-of-the-summer blues were discarded by the excitement of registration.

"Always friendly and always kind."

JAMES SIWIK
"His scientific mind will win him fortune and fame."

BERNANNE SIMPSON
"Hair and face like an angel."

JANET SHEETS
"Always friendly and always kind."

TERESE SKINNER
"So cute and sweet; but that "pep" where does she get it all?"

TIMOTHY SQUIRES
"Always a smile; never a frown."

CHERYL STANDISH
"A girl everyone loves knowing."
MARY STELMA
“Gentle ways are winning ones.”

SANDRA TAYLOR
“She’s always doing little kindnesses.”

RALPH VALENTINE
“A sportsman with a smile we can’t forget.”

SUSAN VAN HOEVE
“So lovely, peppy, and full of fun.”

JEROME VAN TASSEL
“Here’s a fellow you should know!”

PAUL WEBER
“Full of vigor and vitality.”
JAMES WEELDREYER
"Sportsman with personality too."

DEANNA WHITE
"There's a twinkle in her eye that attracts everyone."

JAMES WOODRUFF
"Friendly, helpful, and capable too."

DAVID WORDEN
"His hearty laugh is always heard."

EUGENE WU
"The kind of fellow we're glad we knew."

WILLIAM YATES
"He who is determined has half his work done."
Wendy Eaglesome, now a student at Western Michigan University, graduated from University High in February of this year. She had been, since her arrival from Bolivia in January 1957, up until her graduation, a kind of special member of the class of "58", combining the junior and senior year. During that time both she and her fellow seniors have become acquainted with the various differences between American and Bolivian customs and schooling.

One of the first and rather delightful changes for Wendy was the switch from seventeen required subjects in Bolivia to the six she took here, three of which were her own choice. Next she discovered such "typicals" of American teen-age life as hotdogs, Bobby Sox and unchaperoned dates. From her own country she brought the colorfulness of Spanish festivals, refreshing Bolivian humor, and a typical teen-age custom of her own, wearing earrings at school. Also, quite a help in history, was the South American viewpoint.

Wendy is not certain just how long she will remain in our country, but says that she will never forget the friends that she has made here. We, the class of "58" would like her to know that we feel the same and have this article stand as a salute to a friendship that we've all enjoyed.
"Wisdom is the principal thing; there-fore get wis-dom; and with all thy getting get understanding."
Proverbs IV

"Wisdom excelleth folly; as far as night excelleth darkness."
Ecclesiastes II
At last the long awaited year has arrived. This is the best year of all, when we as seniors are elected to promote school activities. We started out well by winning the magazine sale and yelling contest. Later, in January, we sponsored a dance called “Hobo Hop” which caught “U” High informally dressed. The gambling booth at the Carnival proved both fun and profitable. There were many more events that we will remember for many years.

The memories of Skip Day, the Senior Dinner, Prom, and most of all Graduation will never fade. The class of 1958 graduated with hopes that they left a spirit which the new University High School will carry on.

Respectfully submitted,
Joanne Quiring, secretary

Yearbook time again

Poker faces
The junior class started the year by electing officers. Following the election, preparations were made for the Junior-Senior Prom held in June. Susan Schroeder was appointed general chairman of the prom.

Two junior girls, Sandra Riley and Cherrill Wilcox, were chosen varsity cheerleaders.

Our class was well represented in sports, clubs, committees, the school play "The Curious Savage," the operetta, "Red and White Revue," and most of the articles in the Highlights were written by juniors. Also, there were many juniors making good use of their musical talents by joining the band and choir.

We can now look back on a good and successful year and look forward to our senior year with the assurance that it will be a good one.

Respectfully submitted,
Brenda Forester, secretary
The sophomore class this year elected as its governing officers Larry Groggel, president; Tom Vandermolen, vice-president; Vicki Vanderberg, secretary; and David Hamilton, treasurer.

Our class has been active in all the fields of activities here at University High. In committees, monitors, band, choir, and student council our class was well represented. Our boys did a fine job in the field of sports. Our girls have helped to make pep assemblies more interesting, and some students participated in the talent shows. Most of the sophomores took a guided tour through the Upjohn Company after the first semester.

On behalf of the entire sophomore class I would like to thank Mr. Sack for his guidance throughout the year.

Respectfully submitted,

Vicki Vanderberg, secretary

Stage struck
freshmen
The freshman class has participated in many activities. We have been represented on many of the committees in school. We have taken part in pep assemblies and have participated in sports. At this writing we have an undefeated basketball team. We were represented on the reserve team as well as on the varsity squad. Attendance at the games has been good and school spirit shown throughout.

We elected our class officers with the help of Mr. Weber, our adviser. The class elected Scott Carter as president and Dave Stafford as vice-president.

Our freshman year has been an enjoyable one and we are looking forward to three more like it as the graduating class of 1961.

The 1957 varsity football squad was coached by Roy Walters and Sam Reushlein, and was captained by Tom Lawson. The Cubs, playing under the name University High for the first year compiled a 5-3 season’s record, and finished in a tie for second place in the Wolverine league.

The Cubs had many individual standouts this year. They put five men on the all-city eleven and three made all-state berths. Making both honor teams were Henshaw, Johnson, and next year’s captain, Joe Sugg. Weber and underclassman, Terry Duncan made the all-city.

Returning with Sugg and Duncan as the nucleus for next year’s club will be Tom VanderMolen and Rich Jackson.

reserve - freshmen football

Coached by former Western great, Bill Pyle, the 1957 cross-country team showed great improvement over the previous year. Although placing only fifth in the conference meet and posting a 2-4 dual meet record, the University High harriers came in second in two triangulars, and lost two of the duals by very small margins. The team finally reached its peak in the regional meet where they finished fifth in a large field.

The biggest losses to next year's team will be Captain George Schau, Bert Cooper, and Jack Schrier. Back to lead the 1958 squad will be Captain-elect Al Dowd, along with Dick Lampman, Mike Schrier, Dick Straube, and Jon Edwards.
The 1957-58 Varsity basketball squad, under the new cage mentor, Earl Borr, had a mediocre season. The Cubs, with only four returning lettermen, produced a 9-9 record. Led by captain Henshaw, however, the Cubs showed signs of greatness at times and much promise for the future. Rounding out the first five with Henshaw, were seniors Yates and Weeldreyer, and underclassmen Tom Brown and Dave Stafford. The latter will be the old-guard for next year's team. Also to be noted for next season is the fine group of reserves and freshmen coached by Sam Reuschlein and Jim Heiniger, respectively. Both clubs had more than strong teams and should contribute much.

Henshaw was the league and City's high scorer. He with Brown and Weeldreyer, who received honorable mention, comprised our delegation for the All-City team.

Among those lost to the team for next year are seniors Johnson and Kohrman.

Coach Roy Walters came through again in 1957, putting out a strong track team, despite predictions to the contrary. The Cubs were second in the Wolverine League meet, second in the Portage Relays, and second in the regionals to eventual state champions, St. Joseph.

The 1958 track and field team boasts several individual stars, but is deficient in most events. Captain Mike Decker leads a strong shot put contingent, while Larry Johnson is expected to stand out in the sprints and broad jump. Other possible strong points are the hurdles and high jump. But with only eight returning lettermen, much additional help will be needed to supplement the few stars if the Cubs are to again field a strong track team.

C. K.
In 1957, his first year at State High, Sam Reuschlein coached the baseball team to an 11-5 season record. The Cubs finished in third place in the conference race. They dropped from first to third only after losing their final game. In the unofficial state tournament at Battle Creek, State High defeated a strong Marshall team before bowing to Ecorse in the semi-finals. Three members of the 1957 baseball team were placed on the All-City squad; Jim Kemerling, Randy Crockett, and Larry Johnson.

The 1958 team, led by Captain Dave Potts, is expected to excel last year’s team, despite their excellent season. Returning regulars are pitchers Potts, Johnson, and Glenn Hess, outfielders Ralph Valentine and George Schau, infielder Mike den Otter, and several underclassmen who won letters.

C. K.
The Cub golfers this season should hold up the tremendous golfing tradition at University High. All men are sub-80 shooters and are returnees from last year’s State runner-up team. This plus another summer of tournament play will make them hard to beat. They have booked a tough schedule and, since there is no golf in the league, will be eyeing the State tourney.

Returning this year with captain Yates are Bob Kohrman (captain ’57), Cullen Henshaw, Bert Cooper and John Todd. The latter is the only underclassman on the squad.

They again will be coached by able George Vuičich.

K. S.
The perennially strong University High netters, coached for the fifth season by Carl Engels, look forward to another championship year. The Cubs lost only one man from last year's State titlest and are again headed by nationally ranking players, Dick Colby and Brad Hodgman. Returning also are Gemrich, Kim Sebaly, Jack Schrier, Tom Wierman, Woody Boudeman and Bill Whitbeck. Rounding out the corps for the team will be freshman, Bob Gill.

The racket men have never lost a match in their six years of Wolverine league play. All are seasoned veterans and, with Colby and Hodgman, they should prove a tough match for anyone.

Charity drives, dances, athletic events, dramatic presentations, and other projects filled the time of practically every University High School student during the year. Through such activities the untried "U" High became a working student body.

Many tasks were to be performed, however, before such could be realized. The cabinet set about planning a get-acquainted program. The "Cub Sense" book took shape, a party was prepared —and then school began.

Those awkward days of creaking new books and stuck lockers, strange faces and embarrassing pauses passed soon. The school organizations carefully put together a new school with a modern spirit —University High.

Excuse me!

The many activities of the Kalamazoo Interschool Council were the result of the work of representatives from six area high schools: University High, Kalamazoo Central, St. Augustine, Kalamazoo Christian, and Portage High.

The past year has been an especially satisfying one, as the Council has sponsored such goodwill projects as College Night, the Toys for Tots Drive, and a talent show for mentally deficient children. In service to other area schools, the Council planned an M.E.A. Student Council meeting where South Western Michigan students could discuss their various problems, and it also acted as the organizing body of Region five Student Councils, a step towards a state-wide Student Council Association.

to the basic needs of American
education, business, industry and pro-
fessional life. A dynamic campus, sharply
defined by its modern buildings, provides the
training needed to fit young people for modern living.

APPRECIATE THEIR HIGH SCHOOL FRIENDS!
Juvenile delinquents?

No Sir! Not at NATIONAL

Here's a pert and capable youngster with plenty on the ball!

There is so much we read and hear these days about juvenile delinquency that we thought it would be a good time to put in a word for the many thousands of wonderful teen-age youngsters who are part of our growing organization at NATIONAL. Nearly 6,000 teen-age boys and girls are employed full or part-time in more than 750 NATIONAL Food Stores. These young boys and girls come from all walks of life, and are serious in their work with us—quick to learn—and apply themselves enthusiastically and whole-heartedly to their work. Their energetic and quick responsiveness is a daily pleasure to all of us who work with them and to our customers whom they serve.

So let's not misjudge all teen-agers and other young people by what we read and hear about juvenile delinquency. For every juvenile delinquent there are thousands of wonderful youngsters all over America, most of whom are working to help their families, contributing towards their own education, and becoming good and useful citizens.

We at NATIONAL salute America’s young people, and are fortunate to have so many of them working with us and helping us to build for the future, for ourselves and for them.

5,655 teen-agers* are now working full or part-time at NATIONAL learning about business and the facts of living!

* Our teen-agers are all 16 years old or older.
