My name is Daniel and presently I'm a Senior at WMU majoring in History with a minor in Chinese. While I didn't begin my collegiate career at WMU (I transferred with my Associate Degree in Political Science in 2018) its here that I've been able to expand my horizons well beyond Dunbar and Brown Halls.

In the fall of 2018, I, along with nine of my peers participated in a short term study abroad program in Beijing, China led by Dr. Xiaojun Wang and sponsored in part by the Confucius Institute. While at WMU I have found those courses which invoked the greatest passion and enthusiasm to me, to be those pertaining to my pursuit of fluency in Mandarin.
