The President, The Registrar, The Dean of Men, The Dean of Women, The Director of Personnel and Guidance, and the Director of the Training Schools.

2. What is the distribution of the provinces of these various officers?
A. The President is the Executive Head of the institution. To him should be referred all inquiries and matters not specifically delegated to others.

B. To the Registrar should be referred the following:
(a) Business matters
(b) Evaluation of credits—both high school and advanced
(c) Extra hours petitions
(d) Fees and Tuition payments
(e) Graduation requirements
(f) Employment (on-campus only)
(g) Requests for meetings, trips, etc.

   (This includes permission to take a second examination, request for a change of grade, penalty for proved cheating, request to vary schedule of final examinations, etc.)
(i) Eligibility for extra-curricular activities for men.

C. To the Deans should be referred questions relating to the following:
(a) Employment (off-campus only)
(b) Rooms and board
(c) Scholarship (General)
(d) Social advice
(e) Student mail
(f) Whatever effects a temporary grade

D. The Director of Personnel and Guidance has direction of all matters related to personnel work and guidance except such as naturally fall within the provinces of other administrative officers or are assigned to them.

E. The Director of the Training Schools should be consulted relative to matters concerning Directed Teaching and placement following graduation.

II. ENROLLMENT QUESTIONS

1. To whom am I responsible for enrollment?
To The Registrar and his designated assistants. A special sheet of instructions regarding details of enrollment is available at the times of enrollment both at the Administration Office, Room 103, Administration Building, and at the Information Desk in the Women's Gymnasium. Enrollees will give added information relative to further details of enrollment.

2. Are "Entrance Tests" required?
Standard intelligence and achievement tests are required of each student upon first entrance. The results of these tests are of service in advising students relative to their scholastic work. Grades earned in residence will be withheld, until the intelligence and achievement tests have been taken.
(Confer with the Research Department for information regarding dates and places for the administration of the tests).
3. If I wish to change my enrollment, what should I do?
Secure a blank for that purpose at the Registrar's Office and follow the directions printed on it.

4. If I change my enrollment, without securing the written consent of the Registrar, what is the penalty?
A mark of E (failure) will be recorded for each subject changed without written permission. (To remove the effect of the E would involve the earning of additional Honor Points.)

5. Is there a time limit within which a change of enrollment must be made?
Changes in enrollment should be made during the first week of a semester.

6. If I wish to drop a subject, what must I do?
Secure a suitable blank at the Registrar's Office and follow the instructions printed on it.

7. Is there any penalty for dropping a subject without the Registrar's written sanction?
A mark of E (failure) will be recorded for each subject dropped thus. (To remove the effect of an E would involve the earning of additional Honor Points.)

8. Is there a time limit for dropping subjects?
Yes. See the annual catalog or summer session bulletin for details.
The mark of W will be given only when the registrar issues an official Drop Slip. If a student withdraws from a class without the registrar's written permission, a mark of E (failure) will be given.

9. For how many hours of work should a student be enrolled during any semester?
Fifteen semester hours of work granting academic credit is the standard class load. For all students the maximum number of hours a week that may be carried without special permission is 18; the minimum, 12. (Physical education and library methods are not counted in semester hours.)
No student may enroll for more than 18 semester hours or less than 12 semester hours of work, without permission of the Scholarship Committee. The Scholarship Committee regulates the load for a given student on the basis of his apparent ability and other factors.
N. B. For the Summer Session regulations see the Summer Bulletin.

10. If I wish to carry an extra hour, what should I do?
Students may make application for an extra hour of work by securing an application blank from the Registrar, filling out the same, and filing the application with the chairman of the committee. Only in exceptional cases is permission granted to carry extra hours during the first semester in residence.
It is deemed more desirable for a student to do work of a high grade of excellence with a normal class load than to take extra subjects with possible mediocre success.

11. Should a Freshman apply for permission to carry an extra hour during his first semester in residence?
His petition probably would be denied.
FACTS FOR FRESHMEN

12. How is the size of classes regulated?
Admission to all classes is by official "Class Admission Cards" only. Reference to the printed instructions on the Semester's or Summer Session's Schedule of Classes will advise you where you may secure these cards.

13. If I enroll after opening day, where should I go for assistance?
To the Registrar's office.

14. If I must leave college before the close of a semester, what should I do?
Go to the dean concerned and state the cause for withdrawing. The dean will notify the Registrar.

III. STUDENT PERSONNEL AND GUIDANCE SERVICES

Freshmen are advised and helped throughout the year by Freshman Counselors in planning and adjusting their academic programs. Each freshman works out his schedule semester by semester with the assistance of the counselor at definite conference periods assigned to him. The details of the curricula, the sequence of studies, and the type of work for which the student seems best adapted are all considered at these conferences.

Both freshmen and upper classmen must consult Departmental Advisers when help is needed to arrange the courses which will constitute majors and minors, and for any other pertinent advice on the courses offered by a given department. Locations of Departmental Advisers, together with their designated office hours, will be found in the schedule of classes for each semester and summer session.

Upper classmen are assigned to Upperclass Counselors who will work with the students in arranging schedules of studies. Upperclass Counselors also stand ready to assist assigned students in other ways in accordance with their needs.

IV. ADMISSION AND REGISTRATION

Students may enroll at the opening of any semester.

GENERAL QUALIFICATIONS

The college expects that those who enter shall have shown intellectual capacity, and shall be able to apply themselves to their studies and to work systematically. While definite evidence of intellectual capacity is indispensible, the college believes that, after such evidence is established, positive qualities of character and personality should operate as determining factors in admission. Each application will be carefully reviewed and much weight will be attached to character, personality, previous record, and promise, as well as to scholarly attainments. Satisfactory showing in scholarship alone is not of itself sufficient to guarantee admission. The college will arrange for personal interviews whenever necessary. Attendance at Western Michigan College is a privilege and not a right. In order to safeguard its ideals of scholarship, character, and personality, the college reserves the right, and the student concedes to the college the right, to require the withdrawal of any student at any time for any reason deemed sufficient to the college.

ADMISSION AS A STUDENT NOT A CANDIDATE FOR A DEGREE

Applicants who meet all the specific requirements for admission to this college, and who wish to pursue special studies not leading to one of the
degrees of this college may, with the consent of the registrar, be permitted to enroll. Such students may elect courses totaling not less than twelve hours during each semester, for which they have the proper prerequisites. These students are subject to all of the general regulations covering scholarship and conduct.

CREDENTIALS SHOULD BE SENT IN ADVANCE

All students desiring admission to the college are urged to submit their problems of eligibility for entrance to the registrar, who will act upon each case individually.

High-school credits should be sent to the registrar in advance, that there may be no delay when the student presents himself for registration and enrollment.

A prospective student should confer with his high-school principal regarding the filling out of an "Application for Admission" blank.

ENTRANCE WITH ADVANCED CREDITS FROM INSTITUTIONS OF HIGHER EDUCATION

Inquiries concerning admission from other institutions of higher education should be addressed to Mr. John C. Hoekje, Registrar, in charge of admissions on advanced standing.

Advanced credit is allowed for work done in other schools and colleges to the extent to which the applicant’s record shows that such work is the equivalent of courses offered in Western Michigan College. Application for advanced standing, accompanied by credentials, should be made to the registrar.

Junior College graduates will receive credit up to 60 semester hours, provided all of the work has been done in Junior Colleges and provided further that none has been done at Junior Colleges after a total of 60 semester hours of college credit has been completed.

Students with unsatisfactory scholarship or conduct records will not be admitted.

Students desiring to transfer to this college from other institutions of higher education must furnish complete official transcripts of their records, listing all credits earned by them up to the beginning of the session they wish to attend. The student should request the registrar of each institution attended to submit the official transcript directly to the admission officer named above. These transcripts should include (1) a complete list of and the record obtained in the college courses pursued, and (2) statements of honorable dismissal from the institutions attended. It is also necessary for the student to submit a personal application blank and to request his high-school principal to submit an official statement of his preparatory record. Blanks for personal application and for the high-school record may be secured from the admission officer named above. Consideration of admission on transfer is on the basis of the entire record of the student, both high school and collegiate. No part of the record may be disregarded. There are no exceptions to this regulation. Students applying for admission for the first semester are urged to submit their credentials as early as possible, preferably in July or August.

REGISTRATION

All students are required, at the beginning of each semester of residence, to enroll with the registrar of the college, to pay their fees to the cashier of the college, and to file an election blank properly filled out, showing the courses they expect to pursue during the semester. The completion of the foregoing constitutes registration in this college.
All students entering this college for the first time must present their credentials to the office of the registrar, whether they are transferring from another college or whether they are entering from high school.

**College Ability Tests**

Standard intelligence and achievement tests are required of each student upon entrance. This applies not only to freshmen but to upper classmen as well. The results of these tests are not used as a part of the entrance qualifications, but are of service in advising students regarding their scholastic work. Credits will be withheld from students for whom there is no record of such entrance tests taken at this institution.

MATRICULATION ASSEMBLY

Freshmen entering Western at the opening of the Fall Semester, 1942, will be summoned to a Matriculation Assembly on Monday, September 28. A special notice regarding this assembly will be sent to those whose high school credentials are received before September 24.

FRESHMAN DAYS, 1942

(Monday, September 28, to Wednesday, September 30)

A few days in advance of registration day, all entering freshmen assemble at Western Michigan College of Education in order that they may become familiar with their new environment and with their duties, responsibilities, and opportunities before the regular work of the college year begins. Entering upon a college course is an event of large significance in the life of an individual, and the success of the new venture may depend upon a right beginning.

During these Freshman Days, lectures are given on how to study, how to use the library, healthful living, college traditions, scholastic ideals, and regulations. The requirements of the several curricula offered are explained, and provision is made for consultation with a member of the faculty relative to the one best adapted to the interest and ability of the individual student. The opportunities for participation in extra-curricular activities are announced. Under the guidance of conductors, various buildings on the campus are visited. Through a diversity of social functions, acquaintances are made, friendships begun, and a sense of class unity developed.

Each entering freshman, whose high-school credits are received sufficiently early, will receive written notice of the student counselor to whom he is being assigned for assistance during these difficult days of adjustment. Freshmen are urged to write their student counselors, well in advance of Freshman Days, indicating plans for arrival, etc. They may rely upon their student counselors for advice and suggestions. Formerly the student counselors were known as “Senior Brothers” and “Senior Sisters”.

Because Freshman Days have proved to be of such great value to students beginning their collegiate work, every member of the incoming class is required to be present at all the scheduled exercises.

IDENTIFICATION PHOTOGRAPH

When a student enrolls for the first time, he is required to have taken an identification photograph of which six copies are made. One copy becomes part of the student’s permanent record; another copy is given to the student to serve to identify him at college functions; a third copy is filed in the Dean’s Office; the fourth, fifth, and sixth copies are filed with the Student Health Service, the Alumni Office, and the Appointment Office respectively. The charge for the six is twenty-five cents.

CREDIT RELATIONS WITH OTHER COLLEGES AND UNIVERSITIES

Students who have completed two years of work at Western usually are granted junior standing in colleges and universities and are able to fulfill
the requirements for a degree by an additional two years of work. A student who desires to earn a limited amount of credit in the college and then complete the work for a degree elsewhere should plan his work with the requirements of the particular institution in mind.

Admission to graduate schools is granted to students completing a four-year curriculum who have made their elections of courses conform to the requirements of such schools. Western Michigan College of Education is a member of the American Association of Teachers Colleges and of the North Central Association; and is on the approved list of the Association of American Universities.

CLASSIFICATION OF STUDENTS

Students at Western Michigan College of Education are classified officially as follows:

- **Freshmen**—Students credited with 0—30 semester hours inclusive.
- **Sophomores**—Students credited with 30—60 semester hours inclusive.
- **Juniors**—Students credited with 60—90 semester hours inclusive.
- **Seniors**—Students credited with more than 90 semester hours.

The above classification relates to eligibility for participation:

a. In class activities
b. As officers
c. In social affairs

VI. HONORS IN COURSE

*Honors in Course* are bestowed upon graduating students who have displayed special attainments in scholarship. Such honors are announced at a special convocation.

Recipients of honors receive their degrees:

- **Cum Laude** ...............when having a point-hour ratio of 2.5 to 2.69 inclusive
- **Magna Cum Laude** ... when having a point-hour ratio of 2.7 to 2.89 inclusive
- **Summa Cum Laude** ..... when having a point-hour ratio of 2.9 to 3.0 inclusive

In figuring point-hours ratios, only the last three years of work are counted. Two or more of these must have been in residence. A mark of E will disqualify.

VII. EXAMINATIONS, THE MARKING SYSTEM, ETC.

1. A final examination is given in every course in accordance with the schedule issued each semester. No examination may be held except as announced in this schedule, and no date of examination may be changed without special permission of the Examination Schedule Committee.

2. Students are required to take the examinations in all courses except such as they may have dropped with consent of the Registrar.

3. Students are not regularly examined at any other time than that set for the examination of the class in which the work has been done. In case of unavoidable conflicts a special examination during examination week may be arranged by the instructor with the consent of the Examination Schedule Committee. The Registrar is Chairman.
FACTS FOR FRESHMEN

MARKS

Each course receives one grade, which combines the results of class work, tests, and examinations.

Grades are indicated by letters, to each of which is given a certain value in “honor points.”

</tbody>
</table>

The mark of I means that the student has not finished the work of the course, because of illness, unsatisfactory work, or for some other cause, and that he may be given opportunity to complete it.

I’s must be removed during the next succeeding semester (except when the student does not return, and then within one year) or they automatically become E’s.

The mark of E means that the student has failed. E’s and W’s can be removed only by taking again all the work involved.

Upon his entrance to the institution, after the acceptance of his entrance credentials, a “Student’s Credit Book” is made out for each student. It may be secured at the Records Office (Room 109, Administration Building) near the end of the semester. If a large sized, self-addressed, stamped envelope is left at the Records Office, semester grades will be mailed as soon as they have been filed. The grades should then be recorded in the Credit Book by the student. Freshmen grades are mailed to the parents by the registrar direct.

Transcripts. A student desiring a transcript of his record in this college should write to the registrar, giving dates of attendance and, if a graduate, the date of graduation. He should give the full name under which he was enrolled. Each student is entitled to one transcript of his record without charge, but all additional copies are charged for at one dollar a copy.

Schools and boards of education desiring transcripts of records of Western Michigan College students should furnish, together with their request, as much of the above information as possible.

SCHOLARSHIP INDEX

The total number of honor points acquired divided by the total number of semester hours taken gives the scholarship index (courses repeated are counted each time taken).

STANDARD FOR GRADUATION

No student will be graduated on any curriculum if his scholarship index based on the work of that curriculum is less than 1.0.

HIGH SCHOLARSHIP LIST

To have his name placed on the High Scholarship List for a semester a student must have a point-hour ratio of 2.64 or more. No grade below B may be counted. Not more than eight semester hours in any one department may

*For Directed Teaching only.
be counted. Not more than five semester hours of B credit may be counted. Grades for non-credit courses (library methods, physical education, etc.) are not considered. No program involving less than 14 semester hours will be considered.

LOW SCHOLARSHIP LIST

The name of a student whose point-hour ratio during any semester is less than .6 will be placed on the Low Scholarship List. Such a student is liable to disciplinary action by the Committee on Scholarship. He may be "Warned", "Probated", or "Dismissed".

CREDIT FOR BAND, GLEE CLUB, AND ORCHESTRA WORK

1. A maximum of two semester hours of academic credit annually is given for one year’s regular participation in each of the following activities: Band, Glee Club, Orchestra, and Auxiliary Choir.

2. Eight semester hours of academic credit is the maximum allowed for participation in any one of the four activities indicated.

3. A grand total of not to exceed twelve semester hours of academic credit is allowed for participation in the four activities noted.

4. Participation in Band may be substituted for physical-education credit. In such cases participation in the Band for one semester is substituted for one class hour in physical education. (A class hour is to be interpreted to mean one hour of class work each week for one semester.)

5. Official enrollment cards must bear notations of the work in music the student wishes to carry. Semester hour values must be indicated.

SIGNIFICANCE OF COURSE NUMBERS

I. Course numbering and availability

1. Courses numbered
   a. 100-199, inclusive, are primarily for freshmen;
   b. 200-299, inclusive, are primarily for sophomores;
   c. 300-399, inclusive, are primarily for juniors and seniors;
   d. 400-499, inclusive, are for seniors and graduate students;
   e. 500-599, inclusive, are for graduate students.

   Note.—The courses under d and e above state the University of Michigan numbers in parentheses.

2. In general, students will be permitted to carry only courses numbered to correspond with their official classification. But exceptions may be made, with the approval of Counselors, for such reasons as maturity, experience, necessity of meeting prerequisites to other courses, etc.

II. Explanation of numbering

1. All consecutive, coherent courses are numbered similarly and lettered sequentially.

2. All fundamental, consecutive, coherent courses are numbered as follows:

   a. The number 100 is reserved for fundamental courses having no high-school prerequisite.
   b. The number 101 is reserved for fundamental courses having as prerequisites one year (or fraction thereof) of high-school work.
   c. The number 102 is reserved for fundamental courses having as prerequisites two years of high-school work.
FACTS FOR FRESHMEN

d. The number 103 is reserved for fundamental courses having as prerequisites three years of high-school work.
e. The number 104 is reserved for fundamental courses having as prerequisites four years of high-school work.

3. All other courses primarily intended for freshmen are numbered serially beginning with 105.

4. Prerequisites for all courses numbered 200-399, inclusive, may be found in the "Details of Departmental Courses" as printed in the current college catalog.

5. All consecutive courses are numbered sequentially.

6. Numbers 300-302 inclusive are reserved for courses which are offered in departments other than the Department of Education, but which are given credit in education—the so-called "professional courses." To these numbers the letter T is added.

7. Courses offered as subdivisions of a given department are designated by numbers grouped by decades.

8. A course offered only in the summer session has an S added to the number.

9. To the number of a course available by class extension there is added Cl.

10. To the number of a course available by correspondence there is added Co.

11. A single dagger precedes the number of a course offered in the "accelerated" program as well as in the regular program, or as an "emergency" course.

CREDIT IN SEMESTER HOURS

The unit of credit is the semester hour; the number of semester hours' credit given for a course generally indicates the number of class periods a week.

Classes which meet one hour a week for one regular semester will be given 1 semester hour of credit.

Classes which meet two hours a week for one regular semester will be given 2 semester hours of credit.

Classes which meet three hours a week for one regular semester will be given 3 semester hours of credit.

Classes which meet four hours a week for one regular semester will be given 4 semester hours of credit.

A minimum of 60 semester hours of credit is required for a State Limited Certificate in the two-year Rural Elementary Curriculum, and 120 semester hours of credit for the A. B. or the B. S. degree.

No credit will be given for a course (even if pursued successfully) for which the student is not officially registered.
VIII. EXPENSES

Tuition Fees

A. Regular Program

For residents of Michigan, $15.00 for each semester.

*For non-residents of Michigan, $30.00 for each semester.

B. Irregular Program Fees

Resident students carrying an irregular program for the semester pay tuition as follows: one, two, or three semester hours, $3.00; four, five, or six semester hours, $6.00; seven, eight, or nine semester hours, $9.00; more than nine semester hours, $15.00.

In determining the number of hours, any single non-credit course will be counted as equivalent to two semester hours of credit courses. This ruling applies only to students carrying irregular programs totalling nine hours or less.

It is understood that the student-activities fee is to be paid in full by all students, whether taking one subject or more.

Kalamazoo County students who enroll for rural-education work may attend Western Michigan College of Education for one year without paying tuition fees, because counties having county normals provide for one year of free tuition and because, by law, counties having state colleges of education may not have county normals.

Miscellaneous Fees

A fee of $20.75 is collected each semester for the support of student activities, health service, student union, library purposes, Brown and Gold, and subscription to the Western Michigan Herald.

Class dues of 50 cents are collected from all students at the time of each annual initial registration.

A student for whom no identification photograph is on file pays an additional 25 cents, when such photograph is taken.

A student carrying three semester hours of work or less will pay a supplementary fee of $12.00.

Auditors' Fees

Auditors (students who attend classes but who do not desire credit) are governed by the same regulations as are students desiring credit.

*RESIDENCE REQUIREMENTS

Residence in Michigan for the purpose of registration shall be determined according to the State constitutional provision governing the residence of electors (See Article III, Sections 1 and 2); that is, no one shall be deemed a resident of Michigan for the purpose of registration in Western Michigan College of Education unless he has resided in this state six months next preceding the date of his proposed enrollment, and no person shall be deemed to have gained or lost a residence in this state while a student in the college.

The residence of minors shall follow that of the legal guardians.

The residence of wives shall follow that of their husbands.

Persons of other countries who have taken out their first citizenship papers and who have otherwise met these requirements for residence, shall be regarded as eligible for registration as residents of Michigan.

It shall be the duty of every student at registration, if there be any possible question as to his right to legal residence in Michigan under rules stated above, to raise the question with the registration officer and have such question passed upon and settled previous to registration.

**EMPLOYMENT FOR MEN AND WOMEN**

Students interested in earning money with which to pay in part their expenses will be given advice and detailed information upon application. Students whose point-hour ratios fall below .8 are not eligible for campus employment.

**THE CAMPUS STORE**

Western's Campus Store serves as a convenience to people on the campus. Service is the keynote of the store, and every effort is made to keep an adequate stock of all supplies needed by students for class work.

**IX. HEALTH SERVICE**

The aim of the Health Service is two fold: health education (an appreciation of maximal health with an understanding of the measures which help to maintain it) and a cooperative effort to guard the health of the students. Prefacing this cooperation each student should enter college physically as well equipped for it as possible: with all obvious remedial defects corrected; teeth in good repair; eyes fitted with glasses, if glasses are needed; menacing tonsils removed or under observation, etc. Further, the budget to meet college needs should include a fund available for unexpected illness or accident which might threaten college success.

A health fee of $2.25 a semester, paid upon enrollment, entitles the student to the following services:

1. Medical examinations, conferences, diagnoses.
2. Dental examinations, conferences, repairs, treatments at nominal fee.
3. Consideration of emergencies, and often care.
4. Consultory service for student problems.
5. Scheduled clinics: dental, orthopedic, skin.
6. Daily observation and care in wards at Health Service.
7. Infirmary care for short time, non- communicable illnesses, emergencies, post-operative convalescence. A nominal charge will be made for over-night care.
8. Hospitalization at rates especially advantageous.
9. Laboratory services and clinical tests to determine disease; X-ray at a nominal fee.
10. Reports to home physicians and dentists.

X. ABSENCES AND EXCUSES

The following constitutes the official rulings covering absences and excuses as authorized by the President, following discussion with the Faculty Council and the Scholarship Committee.

1. Students are responsible directly to their instructors for class and laboratory attendance as well as for petitions for excuses for absences.
2. Instructors must file weekly with the Deans detailed records of absences for a given week.
3. The Deans will maintain a cumulative record of absences, but will not issue excuses.

It is to be noted that students who anticipate being absent or who have had prolonged periods of absence should confer with the proper dean and give explanation concerning their cases. But such “explanations of absence” are not to be construed by instructors as constituting “excuses for absences.”

XI. ROOMS AND BOARD

1. Where should students room?
A list of approved rooms is available in the offices of the Dean of Women and the Dean of Men. Students may not live in rooms other than those on the list without special permission. It is well to make arrangements for a room before the opening of the school year. Students are expected to stay the full college year in the rooms first engaged, changes being made only with the approval of the deans.

The period for which students pay full rent is from the day they arrive until the day after college officially closes for the semester. One-half the rent should be paid for the Christmas and spring vacations, unless the room is being vacated.

A deposit of the first week’s rent is required of a student taking a room. Payment of rent should be made weekly in advance.

If a student is allowed to move at the end of a semester, two weeks’ notice should be given the matron.

Women students interested in living in the Women’s dormitories should make application to Mrs. Bertha S. Davis, Dean of Women. Men students desiring accommodations in the Men’s Dormitory should address Mr. Ray C. Pellett, Dean of Men.

2. Where may students secure information concerning board?
While the college does not officially inspect boarding places, a list of places may be secured at the offices of the deans.

3. Can I secure meals on the campus?
Yes. The College Cafeteria is located in the Union Building and provides an excellent variety of wholesome food at reasonable rates.
XII. SOCIAL ACTIVITIES

1. For whom are general student parties?
   Parties are for students, alumni, and their friends.

2. What regulations control admittance?
The student must present both a student ticket and an identification photo for himself and a permit for his friend, in addition to the admittance fee (usually twenty-five cents).

3. Where may permits for friends be secured?
   At the deans' offices.

XIII. LIBRARY REGULATIONS

Regulations concerning the use of books, library hours, and other items relating to the Library service may be found in a booklet available at the Library.

XV. MISCELLANEOUS QUESTIONS

1. Where should I have my mail addressed? Where may student mail be secured?
   A student's mail should be addressed to his rooming place. In case mail has been addressed in care of the college, it may be secured at the dean's office. A list of mail received is posted each day on the bulletin boards outside the dean's offices.

2. Where can I purchase books and other supplies?
   The College conducts a Campus Store which carries all needed supplies at moderate prices. The Campus Store is located in the Administration Building.

3. Are "Student Tickets" transferable?
   No. A student ticket presented by anyone but the individual to whom it was issued will be taken up and may not be returned. Student Tickets and Identification Photos should be presented simultaneously.

4. If I wish to borrow money from the Student Loan Fund, to whom should I apply?
   To the Registrar.

5. Is assembly attendance optional?
   Because of limited seating capacity it has been found necessary to rotate assembly attendance. A notice on the Registrar's Official Bulletin Board advises which classes are expected to attend a given weekly assembly.

6. If I lose an article or find one, what should I do?
   Report to the Information Desk at the Administration Office.

7. Are final examinations given?
   Yes. An official final examination schedule is prepared for each semester.

8. Must I have an identification photo taken?
   When a student enrolls for the first time, he is required to have an identification photo taken.

9. Are omit days observed during the first week of a semester?
   Follow the schedule of recitations as printed.

10. Are second hand books bought and sold?
    The Campus Store handles a very limited amount of such materials.

11. Are office telephones available for student use?
    No. But public booths are located conveniently in the main halls of various college buildings.

12. Will the college cash checks for students?
    The college has no adequate facilities for the cashing of checks. Students are urged to establish banking connections with one of the Kalamazoo Banks.

13. If we wish to use a table in the hall, what should we do?
    Consult the Registrar.

14. Whom should we consult regarding dates and places for various college events?
    The Dean of Women and the Registrar.

15. Will repeating a subject with a mark of C for which a grade of E was received satisfy the deficiency in honor points resulting from the grade E?
No, because a student must earn at least as many honor points as semester hours carried. A mark of B is the lowest mark that would counteract deficiency in honor points caused by receiving a mark of E.

16. May I change a grade received for a subject by re-enrolling for the same work?
   Yes, but the student will be expected to carry the complete course.

17. May I remove a D or an E by taking a second examination?
   Western Michigan College does not follow this plan for removal of marks indicating failure. Students who fail in subjects are expected to repeat all of the work involved in regular manner.

18. For whom is “Education 100” (Introduction to Learning and Adjustment) intended?
   This course will give attention to student problems of two kinds. The psychological principles of effective learning will not only be taught but will be demonstrated and applied under the supervision of the instructor. Students who feel themselves handicapped by poor habits of study are urged to enroll in this course. Methods of note-taking, reading, memorizing, and organizing will be discussed and practiced. The methods presented are to be applied to the different courses the student is carrying. The psychological problems involved in the transition from control by adults to self-management will be considered. The resources of clinical psychology will be made available for the solution of difficulties of individual adjustment.

19. What cautions should be observed in planning a Course?

A. Questions to ask yourself, before you begin to plan your program.
   a. What is my purpose in going to college? Do I desire to continue my general education, to prepare for teaching, or to meet the preliminary requirements for some professional course other than teaching?
   b. In what subjects of which well informed people usually have knowledge have I little or none?
   c. What subjects studied in high school do I like well enough to desire to continue in college?
   d. Are courses in the subjects named in my answers to questions a, b, c, open to freshmen?

B. Special attention should be paid to the following:
   Your answers to the above questions should guide you in the choice of electives and field of special interest.
   In as far as possible, courses should be pursued for an entire year.
   If you are sure in which curriculum you wish to enroll, be guided in your choice of electives by the requirements of that curriculum. Details of these curricula are given in the catalog for 1941-1942.

20. If I am in doubt on any important matter, where should I go for advice?
   To the Registrar’s Office.
