| .                  | Facility has not reported on this data element                                                                                                                                                                                    |
| BASELINE WEEK      | Applicable to AFC and HFA facilities only, this represents cumulative COVID surveillance data from January 1, 2020 through the first submission (registration) date via Qualtrics reporting platform.                             |
| NOT IN COMPLIANCE  | Facility did not submit weekly report in required timeframe.                                                                                                                                                                      |
| NOT YET REGISTERED | Applicable to AFC and HFA facilities only, this indicates that a facility was not registered to begin regular weekly reporting in the Qualtrics platform. The earliest registration date for AFC and HFA facilities was 10/28/20. |
| *                  | Data record under review with facility.                                                                                                                                                                                           |
| INACTIVE           | Facility is no longer subject to required reporting due to change in circumstance (e.g., temporary closure for remodeling, change in licensure, permanent closure).                                                               |
