Alumnus Wins Award

The University of Michigan has announced the winners of the William J. Branstrom Freshman Prize, for this year. Duane J. Riege, a 1964 University High graduate, was one of the winners.

Duane qualified for this award by being in the top seven percent of the freshman class during the first semester, in scholastic averages. The award is a book that Duane will select from a list of outstanding books representing a cross section of student interests. The book will be gold-stamped with the U of M seal and will be marked with a special book-plate.

Donor of this award is William J. Branstrom, attorney and philanthropist of Fremont, Michigan.

Sixty-nine Make Honor Roll

There were sixty-nine students at University High at the end of the first semester who made the honor roll. On the honor roll were fourteen freshmen, sixteen sophomores, twenty-one juniors, and eighteen seniors.

Those who received four A's and no mark lower than a B, which is an Alpha rating, are: Sue Alexander, Connie Adams, Kathy Bennett, Jeff Blankenburg, Cherie Carlson, Jane Davidoff, Chris Galbraith, Mary Hamilton, Mike Holaday, Sue Holaday, Bill Jackson, Bruce Karr, Berry Ann Matthews, Jean Meagher, Melanie Murray, Dave Nadelman, Judy Norris, Thomas Ohlsson, Ann Rosegrant, Mark Rosegrant, Jane Rutherford, Sue Schlosser, Kathy Sykes, Kathy Vande Giessen, and Kathy Van Strein.

The people who received three A's and no mark lower than a B, a Beta rating, are: Sally Appeldoorn, Marcia Eglund, Karen Engle, Lynn Gardner, Marty Groulx, Betty Hannon, Marge Hannon, Doug Hanze, Mary Ann Harada, Joy Harter, Leigh Rae Hunt, Al Karr, Keye Luke, Kaye Miles, Tim Miller, Ruth Nadelman, Dave Stevens, Bernie Stulberg, Mary Lou Sutherland, Bunkie Vander Salm, Marsha Williams, and Diane Wunderlich.

Those who qualified at the Gamma rating are: Bill Barr, Jim Betz, Sue Betz, Barb Brannock, Chuck Brown, Pat Dew, Doug Callandar, Chris Creager, Louise Freyburger, Jane Gilman, Dave Gray, Mary Grubb, Nancy Hamilton, Judy Hartenstein, Sandy Kelly, Bob Kent, Sue Locks, Ginnie Mallinson, Carol Manske, Sue Pickett, Sharon Warfield, and Sue Wetnight.

VOL. 24 NO. 7

Students Invited to Help Create New Seal in Contest Next Week

What should U-High's new emblem and motto be? Next week students at U-High will be choosing the new school insignia. A contest will begin on March 15 and continue through March 19. During this time students are encouraged to submit their design for a new emblem or motto. The new seal and motto will be chosen by school-wide voting on Friday, March 19. They will then be combined with the motto surrounding the new insignia.

The previous U-High seal was a burning lamp with the words "Western Michigan University High School" encircling it. This will be replaced with the new insignia and a motto.

After the new emblem has been decided upon, a flag bearing the new insignia will be ordered and hung in the gym. The new design will appear on all assembly programs and Honor Roll awards. It will also be stamped on all U-High letters and envelopes. Eventually there may be notebooks

available with the new seal engraved on them. Also as an honor to the designers of the new symbol and motto, plaques bearing the emblem and motto and the names of the contributors will be placed in the Social Science Seminar Room.

The Service Committee, headed by Pam Schneider, is supporting the contest and hopes everyone will participate and submit their idea for a new insignia and motto.

Boys Save Money on Dance

Boys, rejoice! At last a dance is coming up that you don't have to pay for. That's right, the Twirp Dance, "Boys' Night Out," is March 27 in that reliable dance hall, the gym. The Voyagers will entertain the dancers. Ann Whitfield is the general chairman and the committee heads working with her are: Mary Ann Thorne, decorations, Pam Handelsman, publicity, and Carol Conrad, entertainment.

Karen Frey Selected

Karen Frey, a senior at University High School who is also taking post-graduation classes at Western Michigan University, has been chosen as one of two community ambassadors representing Kalamazoo. She will be visiting Austria for two months under a program called Experiments in International Living. Through this program, hundreds of American youths go overseas to live for a short time in a foreign country. Karen will leave the United States in June after a brief orientation period by the administrators of this program.

Karen has a deep interest in music. She is active in the choir activities of the First Methodist Church. Her other interests include people, their ideas and problems, and a love for travel.

Karen and seventy-eight other people applied to be a part of this program. She chose to visit Austria because the capital of that country is Vienna. This city is considered one of the music centers of the world. It is the home of many famous composers.

Karen has U-High's best wishes in this adventure.

Carnival Plans Progress

The Citizenship Committee of the Student Council at University High has started planning for the Carnival to be held on Saturday, April 3 from 8:30 to 11:30 in the high school gym. Bill Barr, chairman of the Citizenship Committee, is general chairman in charge of making rules, scheduling, and coordinating for the Carnival.

There are six sub-committees planning for the Carnival. The sub-committees with their respective chairmen are: tickets at door and booths, Al Karr; door prizes, Sue Betz; king and queen, Suzi Hamilton; booth selection, Bill Jackson; publicity, Pam Honey; and clean-up, Cindy Southon.

U-High Tri-mester?

"I heard we're going to have school all year around!"

"You're crazy—they've cut the school year down to four months and we're on vacation for the other eight!"

Actually, both of these people are crazy—or just misinformed. By this time most of you have probably heard that WMU is switching to a tri-mester school year, and many of you have wondered how this switch is going to affect the school year at U-High. You may even have had thoughts like those above.

The truth is that neither of those statements is valid. The only things we know for sure are that next year U-High will still have to meet at least the minimum 175 days per year required of us, and that we probably will not be operating on the same type of schedule as we have previously. As soon as the proposed changes, if any, are known, you and your parents will be fully informed. In the meantime, all we can do is wait to see what will happen.

6 Will Attend MUNA

On March 12 and 13, six students will represent U-High as "U.N. delegates" from Hungary at the sixteenth Model United Nations Assembly to be held at Hillsdale College, in Hillsdale, Michigan. Participating students will be sophomore Lynn Gardner, juniors Bernie Stulberg and Glen Stine, and seniors Al Karr, Ann Rosegrant, and Thomas Ohlsson; they will be accompanied by Mrs. Wilda Large as faculty advisor.

Representatives will be involved in discussing actual issues of the United Nations and will be organized to correspond to the structure of the U.N. Outstanding features of the planned program will be the sessions of the General Assembly, in which all delegates from all "member nations" meet together, and a banquet Friday night, followed by an address given by Dr. Theodore Wilkinson, a noted sociologist from India.

Apply for Red Cross Camp

Applications are now being taken for Red Cross Leadership camp. It will be held this year at the delightful Van Buren Youth Camp in Bloomington, Michigan from August 23-27, 1965. Only two people will be accepted from U-High. The fee is \$12.50 and our student council will pay half (\$6.00) of the individual cost. Sue Picket has raves for all the fun she had and is going back this year as a counselor. Get your application from Pam Schneider or leave your name with Miss Crissman.

Continue Option Pass

The first meeting of the second hour study hall to discuss their progress on the Option Pass Plan was held Wednesday, March 3. The general consensus felt the plan had been running smoothly. Mr. Schoenhals was present, and commended the students for the good job they have done so far. Since this study hall has done so well, it was mentioned that perhaps another study hall will be put on the Option Pass Plan soon.

Each student in the study hall has been keeping a daily log of how he is using his time. It was said that it was important for everyone to turn in his log, that this will quicken the progress of the Option Pass Plan. The study hall planned to meet once every two weeks, and to hand in their logs every week.

Mr. Schoenhals said that if the study hall is confronted with cases of bad conduct, the administration will try to let the study hall solve the situation themselves.

French Club Started

Attention! Tous ceux qui s'interessent à la France et à la langue française! Un nouveau club français est en train de se former. Vous estes nous les bienvenus!

Can you understand what was said above? For all those who can't:

Attention! All interested in France and the French language! A new French Club is being formed. All are welcome!

That's right, a new French club, started by the new French teacher, Miss Wickerink, is now being formed. All interested are encouraged to join.

The purpose of this club is to learn more about the language and the country. This will be done by having guest speakers when possible at the meetings.

Monday's speaker was Frank Smalting, a Jamaican, now a registered student at WMU. He is majoring in French and minoring in music. In the future he hopes to go on to graduate work in Paris. After that he plans on teaching French and music. He was a very interesting and informative speaker and we are very fortunate to have him.

Meetings will be held once a month on Mondays.

The officers are: President-Marty Groulx, Vice-President-Sally Parfe, Secretary-Treasurer-Ruth Nadelman.

All are welcome!

Lots of Promise Held for This Year's Track Team

"1965 University High track team. A team to remember." That will be the caption under the picture of the cindermen when the season is finally over. And the reason for that caption is this. On May 23, the Cubs will be undefeated in the Wolverine Conference and they will be the new State team champions! Are you one of the doubters? Well just ask any of the runners out for the team this year. Starting right now, the only thoughts in their heads are to win. Some of the runners and field event men have been working out all winter for the coming track season. Coach Lyle McAuley will be starting the rest of the team as soon as basketball is over. It's desire like this that pays off.

The key to having a winning team, especially in the State Meet is to have a well balanced team, with a couple of outstanding individuals thrown in if possible. This is exactly the kind of team the Cubs are. Shotputters Mark Mrozek and Bob Coleman should both be close to the 50 foot mark this year. Bob has already been putting in meets against college freshmen with the heavy 16 pound shot, and has gone 48 feet unofficially with the 12 pound. Broad jumpers Paul Scott, Mark Calhoun, Jerry TerBeck and newcomer Dennis Johnson should all be around the 20 foot range and over this year. In the high jump, Jerry TerBeck went 5' 8" last year, and is capable of reaching 6 feet now. Freshman Dennis Johnson has gone 5 feet in street clothes which is not bad for a freshman. One event where we have been weak before is the pole vault. This year we have two who are going to help U-High in that event. Bill Sykes vaulted most of the summer and has cleared 9 feet, and Bill Knapp has started working out to give us a good one-two punch. In the hurdles, Jon Hinz, Dean Panze, and Bob Warnke should prove to make us very strong in that event. John and Dean both did very well in the Regional Track Meet and with work should come along in great style. Sprinters Tim Null, Dennis Johnson, and Terry Scott will give us good strength in another event we were weak in last year. Terry ran one of the fastest times for the 220 in the Wolverine Conference meet, on his leg of the 880 relay, and could push Tim all the way this year. Steve Johnson and Gary Griffith will lead the cindermen in the 880 yard run, and both are capable of placing very high in the State meet. As it looks now, they will be undefeated in the conference. Dependable Charlie Brown, he was called last year, and that is just what he is. Having a best time of 54.6 in

Revue Rehearsals In Full Swing

Rehearsing for the presentation of the 1965 Red & White Revue is now under way. The Red & White will be staged in the Little Theater on April 8 and 9. The cost of a ticket is \$1.00.

This year's Red & White contains bigger and better things such as three skits done by the Senior girls, Junior girls, and Sophomore girls. Vocal and instrumental numbers will be per-

formed by Sharon Warfield, Margie Nodel, Larry Warfield, Ken Stillwell, and Dave Triestram. Other variety numbers will be done by your fellow students. Also this year there are two new ensembles under the direction of Mr. James Hause who will perform some of the old favorites. The show is under the direction of Barb Brannock. The advisor is Mr. James B. Hause.

Track Team (Cont'd.)

the 440, and with the cross country background he had this year will surely bring him down to the 50 flat mark this spring. Along with Chuck, who is the captain, will be Paul Scott. Paul, along with his duties as a broad jumper was a strong quarter miler last year and should mature greatly this year. In the mile, Dave Stevens and Jim Giachino will lead the way. Both Dave and Jim went to the state meet last year and they could take first and second place this year.

The Cubs open on the 20th of this month. It is an indoor meet at Western's Field House between class C and D schools. After that, they will run at the Huron Relays the next weekend, and the Spartan relays at Michigan State the weekend after that.

The Choir this year is going to put on the musical play "Anything Goes." No definite plans or parts have been made, but the play is expected to be held late in May.

Complete 12-8 Season

The University High Cubs finished out the basketball season with a 12-8 record. After a slow start at the beginning of the cage season, the team greatly improved. Steve Johnson, one of the co-captains, helped the team on with his high scoring.

Steve had the scoring record for the conference, and had the highest point average for the season. His average points per game was 23. Steve was really a great asset to our team this year.

Two other great players, Pete VanderBeek and Jeff Rhuland, were injured for a good part of the season. Jeff was out for the first half, while Pete was out for the entire season except for one game, the last.

At the tournaments last Tuesday, U-High beat White Pigeon in the first round. U-High came back for more on Friday night to play against Constantine. We lost. It seems that if we had played the first half of that game like the last half, we would have easily beaten Constantine to come back to win the district crown. So much for this year, boys.

What's Chic?--T.A.A.B. Speaks

The Teen Age Advisory Board seems to be catching on in quite a few schools and its first year is progressing well.

Concrete plans for a fashion show are being formulated. It will be held on Thursday evening, April 22 on the second floor at Jacobson's. The theme is "From this moment on" and it features prom formals both long and short, spring suits, graduation dresses, summer date dresses, sport clothes and a sneak pre-view into fall fashions for '65. Watch for time and tickets later.

T.A.A.B. has a question box in the "Miss J. Shop" at Jacobson's, as well as one in each of the participating schools. Here are a few questions you may find interesting, along with T.A.A.B.'s answers:

Q. On which hand should I wear class ring?

A. On the right hand. The crest should face the wearer until graduation and then be turned around when one has completed high school.

Q. Does medicated make-up work?

A. Surprisingly enough doctors say it tends to disturb troubled skin. If acne is a real problem a skin doctor will prescribe a special make-up for your particular skin. Otherwise the best idea is to wear little or no foundation and use a loose powder. Most other forms of make-up cause clogged pores, a principal cause of blemishes.

'Shorty' Powers Speaks

On Saturday, March 27, Pat Raher and Ann Rosegrant, two University High School seniors chosen for their outstanding leadership qualities, will participate in an all-day Leadership Seminar which will be held at Kalamazoo College.

The Seminar is sponsored by the Kalamazoo Management Association and the Teen Chamber of Commerce. Its purpose is to give area seniors an insight on leadership in the business world of today.

The program for the day will include addresses given by Mr. Dan Ryan, Editor of the Kalamazoo Gazette, and Mr. Paul Todd, Jr., member of the U.S. House of Representatives. The main speaker of the day will be Colonel "Shorty" Powers.

**March of Dimes Drive
To Be Held
Wednesday, March 17.
Please Contribute!**

Q. What can be done for extra-curly hair?

A. Professional straight does wonders for most girls, but there are other ideas which will be helpful too. Always set hair dripping wet and on very large rollers. Use a creme rinse after shampooing. Try to keep hair long, as this tends to help pull out the curl, and avoid hair-styles with a layered cut.

Q. What can be done about baggy knees in stretch pants other than dry cleaning.

A. Steam pressing, or pressing with a hot iron and damp cloth on the knee area takes out the "bag" in the knees. The damp cloth method is recommended for dark colors to keep them from becoming shiny. To keep them from getting out of shape while being worn, spray the stretch-area lightly with starch after pressing the slack away.

Q. How can I prevent split ends?

A. Razor-cut hair. Ends cut on an angle resist splitting. Never dry-set your hair and try using end papers. If hair is dry, use a creme rinse regularly.

A few last words on the spring fashion world—yellow and pink are coming in big with bold new color combinations. Everything swings 'Pick a dilly' and zippers are making the headlines. Madras is stylish as ever. Sling back shoes are here to stay.

Don't forget the question box in the rest-room, and check the calendar there occasionally; it's full of news about other schools.

Any questions? Will start posting answers each week along side the calendar.

Volunteers Dance at KSH

On Saturday, March 6 several volunteers from U-High participated in a dance given for the teen-age patients at the Kalamazoo State Hospital. The dance was supported by the Kalamazoo Red Cross. From 1:00 until 3:00 the younger patients, who are being treated for nervous breakdowns and other emotional disturbances, were able to dance and enjoy a social hour with other young people the same age as themselves.

The dance was sponsored by several area high schools, each of which sent representatives. By planning the dance, those who participated provided a service for these young patients and also enjoyed the afternoon themselves.

Debaters at Regionals

Yesterday, March 11, the University High debate team consisting of Pat Raher and Daphne Szmuszkovicz, negative, Steve Boyack, Sue Alexander, and Toni Wonderley, affirmative, went to Calvin College for the regional debate tournament.

Schools which participated are: Parma Western, Benton Harbor St. John, Three Oaks, Kalamazoo Christian, Hudsonville, Grand Rapids South Christian, Grand Rapids East Christian, Maple Valley, and University High School. All of the schools were selected through the District tournaments.

The debate team plans to continue on to the state tournament which is held at Ann Arbor.

"You expect me to light the fire?"
