## COUNTRY SUMMER

The hills,  
    wrapped in a summer-sleepy haze  
    of burnished dandelions  
    and grazing cattle  
    and sleeping calves  
will welcome the cool evening rain  
    as it sponges away the heat . . .  
and the night breezes  
    as they rustle through  
    the parched grasses  
    of that dozing hillside.
