Spring means growth of fences, road barriers due to construction of rec, athletics facilities

Construction fences and road barri-
cades will be upping on campus in the
coming weeks, due to the projected
$10 million renovation and expansion of WMU's fa-
cilities for student recreation and intercol-
legiate athletics.

Kenly Track, near the Read Field-
house/Gary Center complex, closed April 13. The old track will be demolished and a new track, which will conform to Na-
tional Collegiate Athletic Association regu-
lations, will be re-opened in mid-August.

The building foundations of Hillside East and Hillside West will be disconnected for about five hours be-
tween 7 a.m. and 7 p.m. each day by a temporary power disruption in these buildings: Frenzel Hall, Davis Hall, Zimbardo Rec/Fieldhouse, Gary Center, Moore Hall and Ehrwood Ap-
artment.

Persons in those buildings should take precautions by unplugging electrical equipment such as computers, televisions, stereo equipment and microwaves.

A fence will be erected around Hill-
side East and Hillside West the week of April 17. There will be temporary sidewalks to allow pedestrians into the buildings until they are vacated. Those buildings will be de-
molished later in the week to make way for the Gary Center. Parking lot 416 at the corner of Western Avenue and South Hays Drive will be closed April 27 until the completion of the project in spring 1994.

Library and computing center to be dedicated

The University will dedicate its $19.3
million Library and computing center to
be dedicated in public ceremonies at 1:30 p.m.
Wednesday, April 22. Situated in the area of the WMU Foundation; architect Harold F. Chormann, president and chief operat-
ing officer of the First of America Bank
of Kalamazoo, will share the emcee duties.

The occupants of Hillside East will move to Walwood Union/Union Hall on the East Campus during the week of May 18. Those offices are the McKee Alumni
Center, the WMU Foundation and the School of Public Affairs and Administra-

The occupants of Hillside West will be
moving to Walwood Union/Union Hall about a month later. Those offices are testing and evaluation services, the Medieval Institute and the Institute of Catholic Studies.

At the end of May, Western Avenue
between Michigan Avenue and South Hays Drive will be permanently closed.

Trafic will be re-routed down Sta-
dium Drive to West Michigan Avenue, or Henetics may be received in the Gary Center. Parking lot #16 at the corner of Western Avenue and South Hays Drive will be closed April 27 until the completion of the project in spring 1994.

Reception will follow, and guided tours of the
center will be available.

Biggest group of graduates in WMU history expected for commencement

Pomp and circumstance are more popu-
lar than ever, as WMU's April 25 com-
mencement ceremonies are any indication.
Of the 2,300 eligible to receive degrees, some 1,800 are expected to attend the com-
mencement — the largest group in the University's history to participate in the cer-

While enrollment has been increasing in the past few years, the number of graduates still doesn't measure up to 1972, when 2,453 students received degrees from WMU. But that year, only 931 students or 38 percent attended the ceremonies.

So what accounts for the nearly 80 per-
cent turnout expected this month? Registrar
Donna Boyle attributes the increase to sev-
eral factors.

"I believe parents wish to see their stu-
dents go through the ceremony," he says. "Many of them have put a lot of money into their children's education and they want something meaningful to mark the occasion of graduation.

"In addition," he continues, "our cere-
mmony moves along and is usually finished in under one and a half hours. People like the fact that they're not going to have to tie up a lot of time."

In order to handle the crowd in Read Fieldhouse, the University has split the April commencement into two ceremonies for the past few years. Students from the colleges of business, engineering and applied sciences, fine arts and health and human services as well as the General University Studies Pro-
gram in the Division of Continuing Educa-
tion will attend the 10 a.m. ceremony. The 1 p.m. ceremony will include students from the colleges of education and arts and sci-
ces.

Boyle notes that this will be the last com-
mencement conducted in Read Fieldhouse for more than a year, due to construction on intercollegiate athletics. Future ceremonies will be moved to other locations, such as Miller Auditorium.

Board meeting set for April 24

The Board of Trustees is scheduled to meet Friday, April 24. Times, places and agenda items for the full board and com-
mittee meetings were not available at West-
ern News press time.

Next News published May 7

This is the last issue of Western News for the winter semester. The News will be published every other week during the spring and summer when classes are in session.

Publication dates are: May 7, May 21, June 4, June 18, July 7, July 23, Aug. 6 and Aug. 20.

The deadline is at noon on the Tuesday
preceding the publication date.

Open office hours are today

President Haenicke will conduct open office hours from 10 to 11:30 a.m. Thursday, April 16, to provide students, faculty and staff members with the opportunity to stop by and visit with him on any topic of concern.

Haenicke plans to be available in his office, 3060 Seiber Administration Build-
ing.

Individuals may visit without making an appointment and will not be restricted in time unless others are waiting. In that case, a time limit of 10 minutes will be imposed.

Persons may call the Office of the Presi-
dent at 7-2351 to make sure Haenicke is on

PRESIDENTIAL SCHOLAR — Ginny L. Garlock, second from right, was one of 41 seniors honored as Presidential Scholars at a convocation April 7 at the Fetzer Center. The Presidential Scholar in the Department of Biological Sciences, she is congratulated here by, from left: Ellen K. Page-Robin, community health services, president of the Faculty Senate; Karim Esmi, biological sciences, Garlock's faculty guest at the event; and President Haenicke. Garlock, who is from Ovid, plans to earn her master's degree in biophysical research. The Presidential Scholar awards are WMU's highest honor to a senior. The winners are nominated by the faculty members of the department in which they have a major on the basis of general academic excellence, achievement in the department's programs and intellectual and/or artistic promise.
national English speakers whose English writing proficiency is about one semester away from the level needed to enter an American university. Latulippe was inspired to produce the volume after finding that many textbooks for teaching such writing were inadequate. Without a textbook that met all the requirements, she decided to write her own.

"The book encourages students to take responsibility for their writing," Latulippe says. "They need to develop a point that is relevant, and that will interest their audience and will maintain their interest throughout the essay."

The book includes exercises for writing, submitting drafts of final papers that students accumulate will serve as a source of topics and ideas for future university writing tasks, she says. Latulippe’s book will be used in writing courses taught at WMU through CELCIS. This is the second book she has written, targeted at developing proficiency levels. The other, titled "Developing Academic Writing: A Guide for Students," was published in 1987. Latulippe heads a staff of seven language specialists with advanced training in teaching English as a second language. She offers intensive language instruction for international students who desire to increase their proficiency in English in order to pursue higher education in the United States. Latulippe joined the CELCIS staff in 1976 and has been director of the center since 1984.

The grants include funding for expenses in the areas of production and presentation, travel and housing for workshops and seminars, rental of facilities, supplies and training.

General education committee May 8 meeting to open to faculty Senate House Council members

Revise General Education will meet from 9 a.m. to noon Monday, May 8, in 204 Bernhard Center. This is the third meeting of the committee, which will address questions: What shall the general education and fitness requirements be allowed to prevent the current confusion? What future textbooks do faculty members recommend? What are the criteria for a major? What is the purpose of a major award? The meeting is open to interested participants.

Eisner Gardner

that have been used on the Captain Kangaroo television show. He says the conference is aimed at high school and college students interested in education who want to make children get excited about learning.

Volunteers needed for sports training camp

The Department of Blind Rehabilitation is seeking volunteers to help out at the fifth annual Sports Training Camp for Youths With Disabilities held Tuesday through Sunday, May 5-10.

More than 100 volunteers are needed at the training sites, which will include the WMU campus, Harpo’s Lanes and the Comstock High School track. Also, visually impaired youngsters will attend the camp to learn or practice competitive sports and recreation skills including wrestling, karate, swimming, powerlifting, gymnastics, goalball, beep-baseball, ice skating, bowling and track and field events. Volunteers will be used as guides, runners, drivers, gymnastics spotters, scorekeepers, timers, lifeguards and errand-runners.

The camp is sponsored by the Michigan Blind Athletic Association and the Department of Blind Rehabilitation. For more information, persons may call the department at 7-3457 or Parsons-Lockhart, volunteer coordinator, at 385-4977.

Tennis coaches offer lessons to faculty and staff members

Many faculty and staff members interested in learning to play tennis are invited to join a class offered by WMU varsity tennis coaches Kay Kuble and John DeJordy in conjunction with campus recreational activities.

The classes will run from 5:30 to 7 p.m. throughout May. Each class is designed for beginners or near beginners. They will take place at the Sorensen Courts, 200 North St. For more information, persons may call Kuble at 7-8645 or Vredevelt at 7-8464.

Human Resources

Summer schedules announced

Summer’s coming — Memorial Day to Labor Day! All UWL employees will observe Memorial Day as a legal holiday on Monday, May 25, and Independence Day as a vacation day because July 4 falls on a Saturday. There will be no classes in session, and all offices and units designated essential services will be closed.

Flextime begins June 1

Although the University’s regular business hours of 8 a.m. to 5 p.m. remain unchanged, summer hours may be extended from the first Monday in June through the last Friday in August, under certain conditions. This year, the availability of flextime will run from June 1 through Aug. 28. The immediate supervisor and the unit vice president must approve all requests for flextime arrangements.

Flextime condition requires that offices are staffed to remain fully operational from 8 a.m. to 5 p.m., and all employees are scheduled to work during core hours of operation from 9 a.m. to 3:30 p.m. Flexible hours are 7 a.m. to 9 a.m. and 3:30 p.m. to 5 p.m.; lunch period may be scheduled for one-half hour or one hour, between 11:30 a.m. and 1 p.m. Those offices designated as essential for students and prospective students will follow the policies for extended hours governing their areas.

Managing conflict seminar offered

Mary Jane Mapes, a dynamic speaker with 18 years of experience in education and training, will present a day-long seminar Wednesday, April 29, titled “Managing Conflict: A Way to Negotiate Win/Win Outcomes.” This seminar will run from 8:30 a.m. to 4:30 p.m. in 204 Bernard Center. It is open to all employees. There is a $100 fee, which includes materials, lunch and snacks at breaks.

Participants will learn creative strategies to enhance their ability to influence, motivate and lead people to win/win resolutions. Mapes’ appearance is sponsored by the training and developmental office of the Department of Human Resources.

Full telecasts set in World-Class Leadership Programs

The last programs in the World-Class Leadership Qualities Program will be shown in the coming weeks on UWL TV. A five-minute interview produced by new services. “Focus” is scheduled to air on these Saturdays at 6:10 a.m. on WKPR-AM 1230 and WQX-AM 1590.

Meeting, Faculty Senate, 1008 Trimple Building, 7 p.m.
*Admission charged
Women's Center seeks peer educators for fall
The Sexual Assault Education Project (SAEP), a program of the Women's Center, is recruiting men and women students to work as peer educators on campus. Faculty and staff can assist in the effort by bringing this opportunity to the attention of students and by suggesting possible candidates to Linda J. Lumley, Women's Center. All undergraduate women interested must have at least 100 hours of training as a group. SAEP peer educators present one- and a-half-hour workshops on acquaintance and date rape to students at WMU. Working in teams, peer educators present programs in residence halls, to fraternities, sororities and other student organizations, and at special programs open to the entire student body.
Peer educators are required to make a two-semester commitment to the program. Those selected in April will begin training in September. Participants will have the opportunity of either serving in a volunteer capacity or receiving two academic credits each semester by enrolling in an independent study. Peer educators are required to make a two-semester commitment to the program. Those selected in April will begin training in September. Participants will have the opportunity of either serving in a volunteer capacity or receiving two academic credits each semester by enrolling in an independent study.
*Meeting charged
*The Women's Center is especially interested in recruiting applications from men and minority students.
Currently, the SAEP has a team of four male and four female peer educators who were trained in January. During February and March, they presented 15 programs to about 500 students. Six of these students will continue working with the SAEP this fall semester and will help train a new group of six peer educators.
Faculty and staff who would like copies of a flyer describing this service opportunity should contact Lumley at 7-2990.
*Retirement reception set
The University community is invited to a retirement reception for four faculty mem- bers in the Department of Occupational Therapy from 4 to 6:30 p.m. Friday, April 24, in the President's Dining Room of the Bernhard Center. Those to be honored are R. Claire Callan, Barbara A. Rider, Geraldine Riley and Doris L. Smith.
The computing center is one more way WMU is taking the lead in integrating state-of-the-art technology with daily campus life, according to Behm. The University also was at the forefront in 1983 when it implemented a computer literacy requirement for all of its students. One of the highlights of the new computing center is a Faculty Resource Center that provides support staff, advanced computer equipment and a wide selection of software for faculty use.
Under the umbrella
Spring showers on campus have promoted the return of umbrellas with feet, like this creature captured on film in the Knauss/Dunbar Friedmann amphitheatre.
