## The Nightwind's Children

Sons to the long nightwind  
Possess the meaningless  
Pertinent peoples of few lives  
Timeless in the endless stream  
Full few know these lost  
Half these lost love age  
Above all, daughters of the  
Phospher glow.

Bastard children to the world's night  
Know the love of life  
Let the nightwind rush through hollows  
With the world's blessings,  
Swartwind of fluid life  
Too, give the night wind my wishes.
