Dreaming

For a breast
and a good set of buttocks,
I would wear very long socks
so the hair on my legs wouldn't
be exposed to the public;
and at night I would take them off,
so she could wiggle her soft toes
on my manly, hairy legs;
and I'm sure I couldn't
bring myself to pick my nose
at such a good moment.
A bed is good company
when it is loaded with a lovemachine.
(I even have a baldhead)
One thing though,
the alarm clock
by my side,
set for 6:15.
