Allison Bryant

WAITING FOR O'HARE

Riding out this airplane
I'd like to blot the
cloudy jetstream
and pull the roads
 for weeds
leaving unscarred open territory
 wide up unto the sun.
My nets would gather jets and planes
 but leave, like plankton,
 all the birds.
The air and wind would stay to play
but all the rest would blow away
And I should then join Icarus
and leave the atmosphere to rest.
