Making cookies in the sandbox
with ants to give them flavor.
John and Peter came over to play doctor.
They made me take off my underpants and
I had to promise not to tell my mommy.
They said they were examining me
but all I could tell was they were
touching me down there.
My brother was up in his room
and he saw them.
He's 17.
He came down and started hitting them
and yelling and wouldn't stop.
After a couple hours he let them go
and they ran home.
Then my brother started examining me.
