HAYWIRE HOUSEWIFE

It's your two hour break.
Chucky is asleep. You want
to sit on the sponge cake
and be lazy, but you know
you should mop and wax
the rugs. You decide against
mopping and sit on the cake.
Frosting is caked on your
new overalls so you try to spread
it off. Give up. You want them
clean before baby's lunch time.
Open up the freezer, toss in the
frosted pants and wait.
They're washed now and
you notice german chocolate
on the frozen vegetables. You
You know it really isn't there. Toss
pants in the stove to dry.
Your husband comes home
to find you sleeping on the
kitchen table, with the oil
cloth wrapped around you.
