I am president John Dunn and I want to personally welcome you to Western Michigan University. In the fall you will be joining nearly 24,000 other students from across the United States and 100 other countries.

WMU is a learner centered, discovery driven and globally engaged public university that combines the resources of a major research institution, the excitement of Division I sports without losing the personal attention and friendly atmosphere of small college. You are about to find your future in one of the 147 bachelor programs found within 7 degree-granting colleges.

Here at WMU we create a robust learning environment that is not only challenging, but also supportive and inclusive. There’s a place for you here, enjoying the vibrant campus atmosphere that features nearly 400 student organizations ranging from fraternities and sororities, to clubs and intramural sports, from hobby groups and to the Arts. Your Bronco ID is your passport to it all. Think of it as Bronco GOLD.

SO-take my advice-don’t lose your Bronco ID!
