ADA BEEF

Ada Beef Co., a good place, but not for cows.

Ada Beef has a baseball diamond, a roof, a bunch of forts,
and bike jumps.

Ada Beef is riddled with places to lay patches, wheely, and
burn out on your bike.

And

places to launch my 80 pound body over quagmires of cow
crap.

Now

I don't have a dirt bike

and I don't go to Ada Beef anymore either.

But, Ada Beef still holds a special place in my heart.
