Travelin

I'll just hop in a box, tape it up, and stick on a few stamps.
As air mail, of course.

I'll perform a double-backward somersault off the wing
and parachute to land.

In England, at dusk, I'll dine with the Queen on pheasant and
pomegranates.

In Tibet, I'll dance with the monks till twilight.

In Germany I'll make peace with the communists over cocktails.

Next Africa.

The natives and I will hunt wild boar and gather
the ivory of an elephant.

In Alaska, Eskimos and I will save the whales and have a fish
fry.

When postage and handling are paid, I'll awake in Egypt.
King Tut and I will party in the pyramids.

In the end, I'll be marked "Handle with care" and "Return to
sender."
