The Greed of Men

Because of the greed of men
Innocent people lie dead in the roads
A country is torn like paper
As the violence grows greater.

Innocent people lie dead in the roads
Our country risks our lives for theirs
As the violence grows greater
While the children of soldiers weep.

Our country risks our lives for them
We are fighting to give others freedom
While the children of soldiers weep
Their twinkling tears are raining on Haiti.

We are fighting to give others freedom
As a country is torn like paper
Their twinkling tears are raining on Haiti
Because of the greed of men.
