Officers to be elected include vice chairman, secretary, treasurer and an assistant secretary. Robert D. Caine of Hickory Corners, Mich., was elected to a 2-year term as chairman at the 1974 annual meeting.

Rape Forum Here Wednesday

Changing laws, preventative measures and psychological effects are a few of the problems that will be discussed by the audience and panel at the Rape Forum at 7 p.m. Wednesday, Jan. 22, here in the West Ballroom of the University Student Center.

The concern for rape as a rising crime statistic on the campuses and in the Kalamazoo community has encouraged a number of community organizations to present a movie, panel and open discussion on rape in an effort to help citizens understand and become informed and aware of the crime and the ways it can affect our lives.

A short movie will be shown by the Kalamazoo Crime Prevention Bureau entitled "Rape and Preventative Inquiry." After the movie, a panel of experts, moderated by WMU's social science area chairperson, Nita Hardy, will discuss and answer prepared and spontaneous questions. Panel members will in-

clude defense attorney James Hill; Lt. Welsh of the Kalamazoo Township police department; psychologist Milton Cudney of the WMU Counseling Center; and Don McNally, acting director of the WMU Health Center, as well as a hospital social worker, a minister and a Kalamazoo prosecuting attorney.

The forum will cover such topics as what kind of examination a girl complaining of rape receives, how the new state law differs from the old or how a lawyer defending an alleged rapist prepares his/her case.

Forum sponsors are WMU's Susan B. Anthony Center, Commission on Status of Women, Associated Women Students and the Counseling Center, and Kalamazoo College, Kalamazoo Valley Community College, Nazareth College, the Kalamazoo Women's Center and the YWCA. They hope forum results include the formation of task forces and the completion of follow-up projects on rape and its prevention.

Implement C/T Study; Finish Hearing Appeals

The results of the C/T Classification and Compensation study were implemented Jan. 1. All University records have been adjusted to indicate the new "H" rank and grade codes for clerical/technical non-exempt staff, according to the Personnel Department.

Those individuals whose pay rates, as of Dec. 30, 1974, were below the minimum rate of their new salary grade, will receive an adjustment to the new minimum rate. Due to payroll processing the actual technical effective date of rate changes is the first day of pay period no. 28, Monday, Dec. 30, 1974. These changes will be reflected on the paychecks received on Jan. 21.

Those individuals whose present pay rate is above the minimum (step 1) of their new classification pay grade, do not receive an additional adjustment Jan. 1. However, pay adjustments for the next fiscal year (normally July 1) will take into account "time-in-grade," according to the announcement.

The C/T Appeals Committee also has completed its deliberations on the appeals which were filed on the results of the study. Any salary grade or rate changes which are a result of an appeal will also be reflected on the Jan. 21 paychecks. Individual notifications are being mailed to all appellants this week.

Seek Students Interested in Receiving Or Providing Tutorial Services Here

Western students who are interested in receiving or providing tutorial services this winter semester are asked to contact the Center for Educational Opportunity (CEO) in Hillside Apts., B-3.

Faculty also are encouraged to volunteer their services as tutors, said Carole Johnson, CEO director. She reported that there were 40 tutors serving approximately 100 students last fall.

"The cooperation and support we have received from the Honors College, Pegasus and faculty have

made our program a success," Johnson said. "As a volunteer tutorial service, we must rely on qualified, enthusiastic volunteers."

Student volunteers must have a 3.0 grade-point average or better. Tutors can usually expect to spend 2-4 hours a week at a time and place convenient for both the tutor and the student.

"We do caution students to seek tutorial assistance as soon as possible before insurmountable problems arise," said Johnson. "Even the best of tutors cannot work mir-

acles. We also ask instructors to encourage their students to come to us as soon as they think this kind of service is advisable." She indicated that weekly sessions are held for specific courses that prove perennially troublesome.

For those who have not tutored before, CEO offers professional assistance in establishing a personal relationship between the tutor and student and in methods of tutoring in specific academic disciplines. The Center also will be offering workshops in theories of learning for interested tutors.

In addition, a library skills specialist is available to provide assistance in the library and with the development of materials.

Appoint Advising Coordinator, Registrar, Registration Director

Several new appointments, including the coordinator of academic advising, registrar, director of registration and head football coach, were approved Dec. 17 by the WMU Board of Trustees.

Donald L. DeLong, an instructor of humanities in the College of General Studies, was named as University coordinator of academic advising, effective Jan. 6.

A change of title for Dennis E. Boyle, from director of registration to registrar, and the appointment of Mary Kaye Leamy, assistant director of registration, as the new director of registration also were approved, effective Jan. 1.

DeLong fills the position created by the Board's approval in September of Western's new academic advising policy, which created a University-wide, federated system of academic advising for all undergraduate students.

Boyle, who has been registration director since 1967, fills the reorganized position which was vacated Dec. 31 by Clayton Maus, retiring dean of records, registration and admissions. As registrar, Boyle will have responsibility for the areas of records and registration and will report directly to the vice president for administration, Dr. Myron L. Coulter, as will the admissions director.

"Boyle has been an extremely efficient director of registration and his innovative approaches to the registration procedure, such as the initiation of a computerized advanced registration process, have established Western as a University that has been frequently called upon by sister institutions for advice and counsel," Coulter said.

"Likewise," Coulter continued, "Mary Kaye Leamy has shown efficiency through her grasp of registration procedures, and by virtue of her record of performance, has earned the confidence of the administration. We are pleased she has qualified herself very strongly for this position."

In other action, the Board accepted the resignation of William Doolittle as head football coach, effective Nov. 18, and approved the appointment of Elliot Uzelac as head

football coach, effective Dec. 12, for a three-year term. Uzelac, a WMU alumnus, has been an assistant football coach at the University of Michigan.

MYRNA LOY will have the female lead in the reader's theatre production of George Bernard Shaw's "Don Juan in Hell" at 8 p.m. Tuesday, Jan. 21, in Miller Auditorium. Appearing with her will be Ricardo Montalban, Edward Mulhare and Kurt Kasznar. Tickets are \$5.50, \$4 and \$3.

Trustees Approve Code of Student Life

A new WMU Code of Student Life was approved by the Board of Trustees at its Dec. 17th meeting.

Distinguishing features of the new code include: a numbering system for easy referral to various sections; statement of penalties for rules violations; a detailed explanation of the on-campus judicial process; and the inclusion of previously approved Board policies dealing with possession of weapons, temporary suspension and the judicial process.

The Board's adoption of the new code includes the provision that the University administration must report back to the trustees within a 60-day period any recommendations concerning the current University policy requiring freshmen and sophomore students to reside in University residence halls. "The concern expressed by the Associated Student Government (ASG) certainly warrants this study," stated the Board's student services committee, composed of Trustees Mrs. Mildred Johnson, Mrs. Maury E. Parfet and Dr. Julius Franks.

The code is to be continually reviewed for the purpose of improvement, which will further enhance the educational process, according to the Board committee. Western's Faculty Senate executive board had urged the immediate attention of the Trustees be given to the housing policy question as a "total University concern which deserves serious investigation at this time."

ASG President Michael P. Hatty reported that the new code was unanimously approved by the Student Senate on Oct. 15. However, ASG did protest the housing policy, stating that "it is in conflict with our philosophy and . . . not in the best interests of the students."

Tom Coyne, vice president for student services, explained that the old code was approved in 1966 and sections of it had been up-dated periodically. He also noted that the new code had been in preparation for more than two years. Coyne said a working draft was originally prepared by dean of students Marie Stevens and a graduate student, Don Maxwell, and presented for re-drafting and final consideration by the Student Services Council (SSC).

Consisting of nine students, four faculty members and two staff members, the SSC reported its approval of the new code to the ASG last winter. Coyne further explained that the delay in receiving ASG approval was due partly to disputed student elections, disagreements on various sections and the semester ending before deliberations could be concluded.

The Code of Student Life follows:

ARTICLE III—JUDICIAL PROCESS OUTLINE OF UNIVERSITY JUDICIAL HEARINGS PROCEDURES TO INSURE DUE PROCESS FOR ALLEGED VIOLATIONS OF UNIVERSITY REGULATIONS.

Section 300.00: INTRODUCTION. The basic fundamentals of a fair hearing through due process of law will be provided for students charged with violating University rules and regulations. Disciplinary procedures, which are established for the enforcement of regulations, are expected to serve the important purpose of rehabilitation and re-education of the student. It is expected that members of the University from time to time will make recommendations regarding changes in these rules and procedures in a responsible fashion.

Any student accused of violating a regulation shall have the right to appear at his election either before an Administrative Official or before those members of a duly constituted judicial body who will be acting as judges on such hearings. All such officials and bodies shall adhere to the basic fundamentals of due process as stated below:

Section 301.00: DUE PROCESS. The following shall serve as procedural guidelines with respect to the conduct of formal hearings in disciplinary matters. The several duly constituted judicial bodies (or appropriate administrative officials, where the student so elects), shall implement these guidelines. (Note: Where the hearing involves a student group, the due

process provisions herein shall apply to its designated student representative.)

Section 301.01: The student shall be notified by the Office of University Judiciaries that he is accused of violating a regulation as follows: Written notice shall be either delivered to the student or mailed to his registered student address stating (1) the charges (with sufficient particularity to enable him to prepare a defense). (2) A forewarning of possible consequences. (3) His rights to hearings and other due process protections as set forth in this Article for Judicial Process.

Section 301.02: The student shall be notified that he may elect one of three courses of action.

- a. Within three school days the student may voluntarily admit the alleged violation, waive in writing his rights to a student hearing and such other due process protections and request, in writing, that the Administrative Official take whatever action seems appropriate. Note: Such student may revoke his admission during the following 24 hour period (excluding Saturdays, Sundays and Holidays) by delivering a written revocation thereof to either such Administrative Official or to his office on campus. Should the student so elect to admit such violations, he shall be notified that he is entitled to appeal to the Court of Four for a de novo hearing on the question of the propriety of the penalty, which appeal must be filed within five (5) school days of such Administrative Official decision.
- b. The student may admit the alleged violation and request a hearing within three school days before the appropriate Judicial Body or Administrative Official.
- c. The student may deny the alleged violation, in which case the Administrative Official either shall dismiss the charge or shall refer the charge to the appropriate Judicial Body (unless the student elects in writing to have the Administrative Official hear the case).

Section 301.03: Except where immediate suspension is deemed necessary under circumstances described hereafter, the student shall be entitled to the following at least 72 hours (10 school days if suspension or expulsion is a possible consequence) prior to the hearing:

- a. Mailing of written notification of the time and place of the hearing to the registered student address.
- b. A written statement of the charges with sufficient particularity to enable the student to prepare his defense, which statement shall include a warning of possible consequences.

Section 301.04: The student shall be permitted to inspect at the Office of University Judiciaries not less than 24 hours prior to hearing, any affidavits or exhibits which the University intends to submit at the hearing.

Section 301.05: The student shall be entitled to appear in person and to present his defense to the Judicial Body, or Administrative Official, and may call witnesses in his behalf. The student may also elect not to appear before the Judicial Body or Administrative Official. Should he elect not to appear, the hearing shall be held in his absence. The failure of a student to appear shall not be taken as indicative of guilt and must be noted without prejudice.

Section 301.06: A student shall have the right to the assistance of a person of his own choosing, including legal counsel.

Section 301.07: The student shall be permitted to hear the evidence against him and shall be given the names of the witnesses against him and an oral or written report on the facts to which each witness testifies.

Section 301.08: The student shall be entitled to refuse to answer questions.

Section 301.09: Those who hear the case shall determine the facts of each case solely on the evidence presented at the hearing.

Section 301.10: It is the responsibility of the chairman of each of the disciplinary committees to make a record of the events at the hearing.

Section 301.11: The student is entitled to a fair and expeditious hearing before a person or judicial body which is impartial.

Section 301.12: The student shall be entitled to an explanation of the reasons for any decision rendered against him.

Section 301.13: No disciplinary action shall be taken on grounds which are not supported by any substantial evidence.

Section 301.14: The student shall be notified of his right to appeal in writing from the decision of the Judicial Body or Administrative Official. Should the student appeal, any decision by the Judicial Body or Administrative Official shall be held in suspense until acted upon by a higher body or person except in cases of summary suspension.

Section 301.15: All hearings coming before the Student Judiciary, or Court of Four shall be closed unless the person charged asks for an open hearing. In such cases, those persons that are observers shall adhere to the role of an observer. The defendant shall notify the Office of University Judiciaries when he answers the charge if he wishes an open hearing. The chairman of the various judicial bodies shall make the arrangements to provide a place for the open hearings.

Section 302.00: JUDICIAL STRUCTURE. The guidelines hereinabove stated shall be implemented by the following judicial bodies and administrative official procedures:

Section 303.00: STUDENT JUDICIARY.
Section 303.01: COMPOSITION: The Student Judiciary shall consist of nine (9) justices and eleven (11) alternates, any five (5) of whom will constitute a quorum.

Complaints to the Judiciary are brought by the Dean of Students or his delegate (herein termed the Administrative Official), either upon his motion or upon the request of any member of the University community, or by the accused student or student group. At the student's election, such complaint may be heard by the Administrative Official (who shall be the Dean of Students or his delegate) instead. Details as to the procedures for hearings shall be specified in the Student Judiciary Court Rules adopted by this Judiciary and approved by the Student Services Council.

Section 303.04: APPEALS. Either the student, the student group or the Administrative Official may initiate an appeal to the Court of Four within five (5) school days of the Student Judiciary's decision (or of the Administrative Official's decision). This appeal shall state in writing the grounds of appeal. Within ten (10) school days of receipt of notice of an appeal, the Court of Four shall: (1) grant a hearing de novo if the student (having admitted a violation) has appealed the propriety of the Administrative Official's penalty; and otherwise (2) review the case and decide as follows:

- a. There are sufficient reasons for another hearing. In this case the Court of Four will conduct a hearing de novo if the appeal is either by the Administrative Official or if the accused student or student groups so request, otherwise the hearing will be on the record from the hearing below.
- b. There are not sufficient reasons for another hearing. In this case the decision of the Student Judiciary shall stand, unless the student, student group or Administrative Official appeals to the President of the University.
- c. An appeal by a student from any disciplinary proceeding shall not result in a more severe penalty.

Section 303.05: DECISIONS. After hearing a case, the Student Judiciary (or the Administrative Official) may decide as follows:

- a. Not Guilty: No violation of a regulation has been proven.
- b. Guilty: A violation of a regulation has been proven and the Student Judiciary or Administrative Official may select from the following penalties:
 - (i) Reprimand: An official, written censure.

 - (vii) Other: The Judiciary may take

Section 304.00: COURT OF FOUR. A Court of Four appointed as herein provided shall constitute the court of last resort in the University Judiciary system.

Section 304.01: COMPOSITION. A Court of Four shall be convened upon receipt by the chairman of the Court of Four of a written appeal as required herein. The members of the Court, one from the faculty, one from the administration and two from the student body shall be appointed by the Faculty Senate, President of the University and the Student Senate respectively. The Court of Four shall elect one of its members as chairman.

Section 304.02: JURISDICTION. The Court of Four shall consider appeals from students or Administrative Official who object to the ruling of a lower judicial body, or who have asked to appear before such a body and have been denied a hearing; or from students or student groups who elected an administrative decision by the Administrative Official in lieu of a hearing by the Student Judiciary and are appealing therefrom.

- a. In the case of an individual, the student may submit an appeal, which must be in writing, to the Court of Four, indicating the reasons for his appeal. The Court of Four shall grant a hearing de novo if the student has admitted a violation and then appeals from the propriety of the Administrative Official's penalty. Otherwise, the Court of Four shall convene and the chairman shall then request all evidence upon which the previous decision was made. The Court of Four shall review the evidence together with the student's written statement, and shall decide whether there are, or are not, sufficient reasons for another hearing. The Court of Four may direct the lower judicial body or Administrative Official to hear or rehear the case. If the Court of Four decides to hear the case, it will conduct a hearing de novo if the appeal is either by the Administrative Official or other representative of the University, or if the accused student so requests, otherwise, the hearing will be on the record from the hearing below. If the Court of Four decides not to hear the case the decision of the lower body or Administrative Official is final unless appealed by either the complainant or the accused student to the President.
- b. In the case of an appeal from a student group, the same procedure is followed, except that a designated representative of the group shall file the appeal.

Section 304.03: PROCEDURES. Appeals and cases are brought to the Court of Four by a student, student group or by the Administrative Official. A minimum of three justices must be present to conduct a hearing. Details as to the procedures of the hearing shall be specified in the Court of Four Rules adopted by this judiciary and approved by the Student Services Council.

Section 304.04: APPEALS. All decisions of the Court of Four with respect to individual group actions are final unless appealed by the student, student group or by the Administrative Official to the President within five (5) school days of the Court of Four's decision. Any such appeal shall state in writing the grounds of appeal. The President reserves the right not to hear a case but if heard may affirm, reverse, ask the judiciary body or Administrative Official to reconsider a decision or may modify the sanction imposed by the judiciary body or Administrative Official.

Section 305.00: EMERGENCY CASES.

Section 305.01: Mass Disruption. Notwithstanding the foregoing procedures governing the ordinary administration of these regulations, if it shall be clearly evident to the President of the University that disruption of University functions exists, he shall handle it as stated in Public Act 26 of 1970.

The President may issue an order directed to persons subject to these regulations, named or unknown, to cease and desist forthwith their actions which create or contribute to the said condition. Upon issuance and within the emergency period, the President, or his deputy shall read the order aloud in a manner likely to be heard by the students to whom it is directed. After allowing such persons a reasonable period of time to comply with the order, the President may order the immediate interim suspension of all students failing to comply with the order within such reasonable time; provided, however, that students complying with such an order shall not be thereafter immune to discipline pursuant to these rules.

Within three (3) school days of any such suspension a hearing will be held on the charges. The Student Judiciary may divide into panels or deputize auxiliary members to hear and determine such cases, as may appear to the Student Judiciary to be necessary.

Section 305.02: Summary Suspension. Summary suspension is an immediate removal from the University community of an individual violating major University regulations should it be deemed that said individual's presence on this campus constitutes a clear and present danger to himself or the University community. A hearing will be held within three (3) school days on the charges.

Section 306.00: MISCELLANEOUS JUDICIAL AND ADMINISTRATIVE HEARING PROCEDURES. The following additional judicial procedures and provisions shall apply to all judiciaries established herein and shall also apply to hearings before the Administrative Official.

Section 306.01: THE CHAIRMAN OF EACH JUDICIARY. He shall have authority to:

- Rule upon offers of proof and receive relevant evidence.
- Regulate the course of the hearing, and, if appropriate or necessary, summarily adjudge disciplinary penalties against students who unreasonably obstruct or impair its proceedings in its presence, or order removal of such students from the hearing, or both.

Evidence having reasonable probative (provable) value shall be admitted; but irrelevant, immaterial, repetitious and hearsay evidence shall be excluded. Effect shall be given to the laws of privilege and relevancy materiality and probative force shall govern proof on all questions of fact.

Section 306.03: JUDICIAL ORDER. Without limitation by enumeration, each judiciary established herein is empowered to maintain order and decorum during proceedings before them, to summarily impose discipline upon any student in violation of its oral or written rules of conduct for the hearing, to order any person from the hearing room for misconduct that impairs the proceedings, and otherwise regulate admission to the hearing as the judiciary in its discretion finds necessary.

Section 306.04: HEARING AND PROCEDURES. Following are procedures to be followed in the hearings:

- Papers may be served by mail or by delivery to the person.
- Action before a judiciary is commenced by the filing of a charge of misconduct with the Office of University Judiciaries with a statement that a copy has been mailed or provided to the student against whom the charge is made. The Office of University Judiciaries shall cause a copy of these rules to be provided to the student and shall notify the student that he has three (3) days within which to respond to the charge in writing.
- Answer: The student shall within three (3) school days from the serving of the charge file an answer thereto. The student shall specifically admit, deny, or explain each of the facts alleged in the charge, unless the student is without knowledge in which case he shall so state, such statement being a denial. All allegations in the charge, if no answer is filed, shall be considered a denial.
- Where to file: The answer shall be filed with the Office of University Judiciaries. The answer shall contain the address of the student, and if represented the name and address of his representative, and shall be signed by the student. The student's signature constitutes a representation by him that he has read the answer; that to the best of his knowledge, information and belief it is true and that it is not made to delay. If the answer is not signed, or if signed to delay or with the intent to falsify or misrepresent the fact, it may be stricken and the action may proceed as if no answer were filed.
- Extension of time for filing: The Office of University Judiciaries may extend the time for filing the answer, for cause, upon written request.
- Amendment: The student may amend his answer at any time prior to hearing, upon leave of the Office of University Judiciaries upon such terms as are deemed just, and right in any case in which the charge is amended, within the time fixed by the Office of University Judiciaries.
- The Chairman shall, upon receipt of the charge and answer from the Office of University Judiciaries, furnish the other members of the judiciary with copies of the charges, answer and statement of issues and set the matter for hearing.
- Time Limits: The judiciary shall hear the case within 15 school days of filing of the complaint.

i. All facts in the case shall be heard, the evidence weighed, and a decision shall be rendered by the majority vote as to the innocence or guilt of the accused. If found guilty, a penalty among those specified for such judiciary shall be imposed. The accused shall be notified in writing of the decision reached, the reasons therefore and of the penalty imposed.

j. A record shall be kept by each judiciary of all hearings specifying name(s) of the accused, the charge(s) made, date of the hearing and the names of the justices hearing the case, a summary of the substantial evidence, the decision reached and the grounds therefore.

k. Any time a staff member, or representative of the University Judiciaries meets with any judicial body concerning a hearing the student and his advisor must be present.

Section 306.05: JURISDICTION OF ADMINISTRATIVE OFFICIAL. If the student or student group elects to have the designated Administrative Official hear the charge rather than the Student Judiciary, such Official is vested with the same original and appellate jurisdiction as possessed by such parallel judicial body.

Section 306.06: APPEAL FROM DECISIONS OF ADMINISTRATIVE AND JUDICIARY HEARINGS. Any appeal from a Judiciary or Administrative Official must be on one or more of the following grounds (which must be stated in the appeal).

- The finding of the judiciary or other person or body was inconsistent with the evidence.
- The conduct of the proceedings before the judiciary or other person or body was unfair.
- The sanction imposed was unauthorized or unreasonable.

- He is a witness for any party.
- He is a party to the case.
- There is sufficient reason to believe he cannot be fair and impartial, including but not limited to, where he is interested in the outcome.

Any party may challenge a member of the judiciary by showing substantial reason for believing that the member cannot be fair and impartial. Such challenge shall be made in the form of a motion presented to the judicial body as a whole and $\frac{2}{3}$ of the members of the judicial body present, exclusive of the challenged member, may grant such challenge, the vote of less than $\frac{2}{3}$ for disqualification shall entitle the challenged member to sit. Such motion shall be immediately considered and voted on by the judicial body. The parties may make only one challenge at a time and such challenge shall be ruled upon before the next is presented. No party shall make a challenge except for cause and the presiding judiciary member may reject a challenge or challenges when on their face they appear dilatory and not for cause. If a challenge is made upon the presiding member, he shall disqualify himself and the remaining justices shall hear the challenge provided the minimum number is present.

Section 307.02: IMPEACHMENT OF JUDICIARY MEMBERS. Upon receipt of the written complaint alleging facts which demonstrate that a judiciary mem-

ber is preventing, obstructing or otherwise impairing the administration of justice, the President of the University shall instruct the Vice President for Student Services, or his officer-designate, to investigate and gather evidence of the charges and report his findings to the President.

If, upon completion of such investigation and report, the President believes that probable cause exists for finding a breach of judicial trust, he shall convene a Court of Impeachment. Justices of the Court of Impeachment shall be selected as follows:

One by the President of the University, one by the President of the Faculty Senate, and one by the President of the Student Body. Should either of the designated officers fail to appoint a member of the Court of Impeachment, within 48 hours of a request by the President to do so, the President may act and appoint one member from the student body or one member from the faculty to the seat so left vacant. The Vice President for Student Services or his officer-designate shall present the charges and evidence and act as complainant for the impeachment hearing. Such impeachment hearing shall follow the established judiciary procedure. A judiciary member shall be removed from office upon a $\frac{2}{3}$ vote of the Court of Impeachment.

WMU Given 320 Orchids

If you have ever seen joy light up a woman's face upon receiving an orchid corsage you can understand the elation of Dr. Richard Pippen, WMU associate professor of biology, upon accepting 320 orchid plants.

Pippen actually was just a delighted go-between for Western's biology department and the donor, Edwin G. Gemrich, a retired Kalamazoo attorney, who has just moved to Florida.

Last week Pippen was nearing completion of the installation of the orchid plants, valued at more than \$2,000, in the greenhouse to the rear of Wood Hall. More than half of the gift collection are species orchids, which are natural orchids found in the wild, as opposed to hybrid orchids, which are cross pollinated by man.

Corsage orchids are hybrids which produce larger and more vividly colored flowers than many of the species plants, usually in lavenders or deep pinks, or with white areas to better show off the colors.

The gift, which has quadrupled

Western's orchid plant holdings, will be used for teaching and research by Pippen, other WMU faculty and biology students.

Species orchids produce flowers in virtually all colors but are usually much smaller than hybrids, with some flowers as tiny as the head of a match stick. They usually grow on the bark of a tree in the wild, some taking up to seven years to produce flowers.

Greenhouse plants are allowed to take root on a small slab of tropical tree bark usually mounted on a wire for easy hanging and moving.

Pippen said Gemrich had one of the finest orchid collections in the Kalamazoo area until illness forced him to move south and dispose of his collection. Gemrich personally collected most of the species orchids in the wilds of Central and South America.

Pippen said, "Orchids illustrate one of the most sophisticated and bizarre families of flowering plants in the world." He will conduct experiments on the pollination factors, culture, and genetics of orchids and believes that WMU's expanded collection will benefit orchid growers throughout Michigan.

National Series Features Harring

Dr. Richard L. Harring, WMU associate professor of teacher education, is one of a dozen educational authorities on a newly released audio cassette series produced by Media Five, Hollywood, Calif.

Entitled "Classroom Climate and Teacher-Student Relations," the cassettes provide an up-to-date view of the latest trends in education. The 12 half-hour discussions are intended for teachers, principals, PTA's, administrators and school boards.

Harring is heard in two discussions—"The Open Classroom, Potential Pitfalls" and "Using Learning Centers." The series was produced in cooperation with Western Michigan's Aural Press and College of Education.

Other contributors include Thomas Gordon, John Holt, Herbert Kohl and Charles Silberman.

Publish Essay on Jonson

Dr. C. J. Gianakaris, professor of English, is the author of an essay, "Jonson's Use of 'Avocatori' in Volpone," which appears in the journal, *English Language Notes*. The article clarifies the special knowledge of history used by Ben Jonson in writing his comic masterpiece "Volpone."

Ad Coed Wins \$1 Per Word

Cheryl Ann Howarth's skill in writing about the values of advertising has paid off for her at approximately a dollar per word.

The WMU junior from Farmington will receive the \$1,000 Davenport Memorial Scholarship today in Detroit. The award will be made by the Marketing Communications Executives International (MCEI). The scholarship is named in honor of the late Wallace E. Davenport, Detroit marketing executive and president of MCEI at the time of his death.

Miss Howarth, who is majoring in advertising, won the scholarship on the basis of her paper entitled "Advertising—How Do You Like a Brown Paper Bag?" It was submitted in competition with students from colleges and universities which have outstanding marketing programs, according to the MCEI.

It marks the fourth consecutive year in which Western has been invited to compete, and the third year that a WMU marketing student has been a winner. Last year's winner of a \$500 scholarship was Paul A. Roobol of Kalamazoo.

DESIGN WINNERS—Dr. John Sandberg (far right), dean of WMU's College of Education, is shown with winners in the recent U.S. bicentennial symbol design campus contest. They are: Duane Simo (left), a Livonia senior, \$75 first prize; and Craig Minor, a Kalamazoo junior, \$50 second prize. Mary J. Mohr, assistant professor of art, won third prize. The contest was organized by members of the 507 Social Studies class, taught by Alfred Griffin, and supported by the teacher education department.

Allgood To Perform Ricci Work In Faculty Recital Here Jan. 24

The department of music will present a free public bassoon recital by faculty member William Allgood at 8 p.m. Friday, Jan. 24, in Oakland Recital Hall.

Besides teaching applied bassoon and music theory and performing in the Faculty Woodwind Quintet, Allgood also is active as a composer of electronic music. He helped establish the electronic music studio and frequently works with the Moog synthesizer.

A new work for bassoon and jazz ensemble has been written for Allgood by Dr. Robert Ricci, WMU associate professor of music. Believed to be the first of its kind, it will incorporate "classical" music elements from the contemporary period along with jazz and jazz/rock elements of today, resulting in what is sometimes called the "third stream" idiom. Allgood will be accompanied in this piece by diverse instruments such as electronic piano, saxophones, drums, acoustic and electric bass, the mini-Moog synthesizer, as well as a jazz vocalist.

Allgood also has programmed three other compositions, each of which is somewhat unique. These include a quartet by Krammer for bassoon, two violas and cello, and Hindemith's "Septet" which makes use of the standard woodwind quintet instrumentation, but enlarges the tonal scope of this group by the addition of trumpet and bass clarinet. The other composition, "Sonata for Piano and Bassoon" by Victor Bruns, is a curious work which combines serial elements with more conventional late Romantic period elements.

Assisting musicians will be Joseph Work and Dianne Lorch, violas; Herbert Butler, cello; Charles

Osborne, flute; Robert Humiston, oboe; Daniel Kyser, clarinet; Robert Fink, horn; Donald Bullock, trumpet; and Ray Staniszewsky, bass clarinet.

Set Deadlines For Applications

The deadline for applications from WMU faculty to the University faculty research travel fund for the first quarter of 1975 has been set for Jan. 31, the Office of Research Services has announced.

The first quarterly review will consider faculty applications for financial assistance for travel during January, February and March, 1975 to professional meetings to present results of original research, scholarly and creative activity.

Application to the travel fund consists of a faculty research travel application, a one-page abstract of the paper or a description of the creative activity, and a copy of the letter of acceptance of the paper or the program for the meeting at which the paper is to be presented.

All applicants will be informed by Feb. 10 on the status of their application. The decisions will be made by a committee composed of Dr. Ronald DeYoung, assistant professor of business education and administrative services; Dr. Rachel Inselberg, professor of teacher education; Dr. Joseph Stoltman, assistant professor of geography; and Dr. Einard S. Haniuk, director of research services.

The remaining application deadlines are: March 10, for travel during April, May and June; June 10, for travel in July, August and September; and September 10, for travel in October, November and December.
