WESTERN MICHIGAN UNIVERSITY
February 20, 1975

Inauguration
Set for Spring Commencement

Dr. John T. Bernhard will be inaugurated as the 15th president of Western Michigan University at the annual spring commencement here April 26 on campus.

The ceremony will be kept simple, at the request of the president, because of the state of the economy, said Dr. Russell H. Siebert, emeritus vice president for academic affairs and professor of history, who is chairmain of the inaugural committee appointed by the WMU Board of Trustees.

No honorary degrees will be awarded at the April commencement because it would detract from the importance of the institution itself and make the total commencement ceremony too long, explained Siebert.

Other members of the inaugural committee are: Dr. Myron L. Coulter, vice president for administration; Dr. Julius Franks, Jr., Grand Rapids, trustee; Marlon Gerould, president, Administrative/Professional Association and director of foreign student affairs; Dr. Lauret Groztinger, president of Faculty Senate and professor of librarianship; Mrs. Mildred Keegan, trustee; Mrs. Judy Layne, Associated Student Government vice president for academic affairs; Dr. John B. Sandberg, dean, College of Education.

Chem. Lecture Monday

Dr. Vincent Massey, professor of biochemical chemistry at the University of Michigan, will conduct a chemistry colloquium at 4 p.m. Monday, Feb. 24, here in 3860 McCracken Hall. He will discuss "Mechanism of Flavoprotein-Catalyzed Hydroxylation Reactions" during the free public lecture.

Collective Bargaining Vote Next Week

Western's teaching faculty will vote Wednesday and Thursday, Feb. 25-27, to determine whether they want to be represented by the WEMU chapter of the American Association of University Professors as their exclusive representative for the purposes of collective bargaining.

Voting will be from 10 a.m. to 3 p.m. both days in 2305 Slausen Hall. The election will be conducted by the Michigan Employment Relations Commission (MERC).

There are 248 faculty members who are eligible to vote. According to the MERC order describing the proposed unit, 16 students on leave for the next academic year, including the directors of the social work, librarianship, Counseling Center and Educational Resources Center, and the directors of schools, on-basement, dean, associate deans, and assistant deans, U.S. Department of Defense personnel teaching in the department of military science, persons on adjunct and visiting appointments, and personnel ranked in administrative positions.

Additional information can be obtained by contacting MERC.

Red Cross
Cites Western

The recent on-campus blood drive held by Alpha Phi Omega service fraternity, netted a total of 910 pints of blood, according to fiba program director of the Kalamazoo chapter of the American Red Cross.

In a letter to Dr. Stephen R. Mitchell, vice president for acadameic affairs, Mr. Stearns pointed that approximately one-fourth of all blood donated in Kalamazoo County each year comes from the University community through three blood drives held on campus.

Mitchell kicked off the February drive by donating the first pint of blood.

Appointed National Orientation Officer

Norman Russell, assistant to the vice president for student services and director of orientation programs at Western Michigan University, has been appointed secretary-treasurer of the National Orientation Association (NOA).

Russell has served on the national steering committee of NOA for the past three years. As secretary-treasurer of the 28-year-old, 500-member organization, he will be responsible for the routine on-going activities of the nationwide organization.

Schedule Summer Seminar in France

Based on the theory that the best way to learn the French language is by going to France, Western's departments of modern and classical languages is now accepting applications for its Seminar in France — 1975.

The 8-week course will be offered June 28 to Aug. 19 for interested undergraduate and graduate students. The travel-and-study program calls for the first four weeks in class during the summer term and two weeks in France. The remaining time is divided between travel and seminars in Paris and free time in which students may travel where they choose.

The program for the program is $850, which includes the round trip flight from Chicago, tuition at the University of Grenoble, university residence and meals, and a 10-day tour of France. The fee is $750 for the student who chooses to stay in Grenoble for the entire 8-week term.

Plan Two Middle East Programs

Dr. John Kolars, professor of geography at the University of Michigan, will present two lectures about the Middle East when he visits the WMU campus Wednesday, Feb. 26.

The presentation, "Nomadism in the Middle East," will be at 10 a.m. in Room 2310.

Offer Oceanography Summer Assistance

There are 300 grants available for WMU students who are interested in a field course in oceanography Aug. 26-29 in Pigeon Key, Fla., sponsored by Central States Universities Inst. (CSU).

The course will emphasize field investigation of various biologic and geologic aspects of the shallow-water marine environment, said Dr. George G. Mallinson, WMU professor of science education and dean of the College of Education, who is Western's CSU institutional representative.

Pigeon Key is the University of Miami field station in the Florida Keys, located about 50 miles south of Miami and 50 miles from Key West. The town of Marathon is only one mile away.

Enrollment in this five quarter hour credit course is through Bowl.

In Green University's Geology 496 field course, "Field Course in Modern Marine Environment," the $365 tuition fee includes the course fee and field expenses. Applications must be submitted no later than April 1.

Additional information may be obtained by contacting Mallinson in Western's Administration Building, Room 2510.

Conduct Academic Services Workshop

A day-long workshop for the Academic Services Program was held on campus Wednesday, Feb. 19, to "help develop a better understanding of the role of Academic Services, participate explor- ed the concept of open education and its implications in higher education.

Workshp participants included staff members from the Computer Center, the University libraries, Archives and the Division of Instructional Communications.

Release Results of Advisory Surveys

Two separate surveys on summer hours have been conducted among Western's clerical/technical (C/T) employees and the University's advisory and administrative staff members.

Employees favor summer hours, reported Stanley W. Kelley, director of employee relations and personnel, who directed the survey conducted by the Personnel Office.

A majority of administrators and supervisory personnel does not feel the current schedule should be changed for the academic year. Only 13 of 106 voted against summer hours for 1975. The question of summer hours for both spring and summer terms is favored for both terms or all year by about 2-1 over standard hours.

Approximately three-fourths of the employees favor summer hours, reported Mr. Kelley. Employees favor summer hours, reported that most of the general comments were con- cerned that non-traditional hours can confuse students and the public and that there is a need to provide more service to students and the public.

C/T employees included requests for uniform hours throughout the campus; a 4-day, 10-hours per day working week; a 4-day, 10.5-hour schedule, a 3-day, 11-hour schedule; and a 4-day, 10.5-hour schedule; a 3-day, 11-hour schedule; and a 4-day, 10.5-hour schedule. A 3-day, 11-hour schedule to help traffic congestion, energy conservation and ecology, establish a 3-day, 10-hours per day policy at least a semester in ad- vance; departments should be open during lunch and evenings; and set working hours without yearly reviews.

The The Western News

The Western News is published by the Office of University Information each Thursday during the regular fall, winter and spring semesters. Three issues are published each summer.

Circulation is limited to the entire Uni- versity and is available only to full-time faculty, staff and students. Copies may be purchased from the Daily Record.
**Pianist Lorin Hollander Coming To Miller Auditorium Feb. 27**

The final regularly scheduled program of the International Concerts 74-75 season will take place at Miller Auditorium at 8 p.m. Thursday, Feb. 27, when the Department of Time Arts presents American pianist Lorin Hollander.

Over 60 years old, Hollander has played with more than 50 American symphony orchestras and has appeared on radio and television more than any other classical performer. In addition to local recital performances, Hollander will participate in a two-day residency program sponsored by the department.

Inheriting his musical ability from his father, a former first violinist with the NBC symphony, Hollander began his study of the piano at age four and in 1955 at age 11 enrolled at the Juilliard School of Music, New York City. That same year, he made his debut at Carnegie Hall. He holds a B.A. from the National Oriental Association and a bachelor of music degree from the University of Illinois.

Hollander has travelled in Mexico and will present two free public lectures in 3760 Knauss Hall. His presentation on "Triumphalism" will take place in classrooms and meeting rooms throughout the campus.

**Wind Ensemble, Chorale To Perform**

A special combined concert by the University Chorale and the University Wind Ensemble will be presented free to the public at 3 p.m., Sunday, Feb. 23, in Miller Auditorium.

These two ensembles are under the direction of Mel Ivey and Carl Bjergreid, respectively. Their combined concert provides a unique opportunity for performance of major works which require both voices and winds.

Three of these compositions that have been programmed include "El Sol" by Chavez, "The Symphony of Psalms" by Stravinsky and the "Cantata No. 2: 'The Creation and Triumphant Symphony" by Berlioz.

**Display Student Art on Campus**

The exhibition, "11 Printmakers," which continues through Feb. 26 in Western's Gallery II, in the Hillside Apartments, includes the recent works of 11 WMU graduate and undergraduate art students.

Available tickets are priced at $3.00, $4.00, $5.00 and $6.00 at the Auditorium ticket office.

**Principal-Frosh Conference Thurs.**

Approximately 200 high school administrators and teachers from throughout Michigan will take part in the 53rd annual Principal-Frosh conference here Thursday, Feb. 27.

The one-day session will give WMU freshmen an opportunity to meet with former and current freshmen and to discuss ways in which high school personnel can be of greater assistance to future first year students. The conference also will aid University officials in designing new programs which will help freshmen adapt to college life.

**Win Whitney Young Awards**

Two WMU students are recipients of the fourth annual Young Scholar Awards presented by the WMU School of Social Work and the Minority Student Services.

V. Lynn Wilson, a Detroit senior in sociology, received the undergraduate award for writing an essay on "The Implications of Transracial Adoption." John Davis of Pahokee, Fla., a graduate student in social work, received a graduate award for his essay, "Proposal to Implement a Voter Registration Program for Pahokee, Fla."

The awards are the culmination of a competitive proposal essay writing contest for WMU social work students. Each winner will receive $200.

Davis also will be awarded $500 to implement his proposal in Pahokee this summer.

The recipients of the Whitney Young Scholars Awards are selected on the basis of the essay, plus potential for leadership in social work. Students must be ethnic minority and wish to continue studying the same language at Western. These students must have their language skills evaluated if they have not already done so, according to Peter W. Krawutschke, professor of German and placement director of the department. The evaluation may be completed in about one hour.

**WMUK Highlights**

10:12 p.m. --- "Metrograph." 2:30 p.m. --- "The Moonlight Serenade" (Fleischmann's) live from New York.

**Set Foreign Language Placement Evaluation**

Western's department of modern and classical languages announced dates for the foreign language placement evaluation for spring semester and regestration for fall semester 1975.

The evaluation will be given at 4 p.m. Tuesday, Feb. 25; Wednesday, March 13, and Thursday, March 15, in 1117 Brown Hall.

The evaluation is for students who have studied a foreign language in high school and wish to continue studying the same language at Western. These students must have their language skills evaluated if they have not previously done so, according to Peter W. Krawutschke, professor of German and placement director of the department. The evaluation may be completed in about one hour.

**WALDORSTUFF NETWOPK**

**Saturday**

7:30 p.m. --- "The Bookshelf" with read-alouds by Garrison Keillor.

8 p.m. --- "Fireside Philharmonic Requests," with host Gerald Alexander.

Mail your requests to WMUK.

**English, and will present a slide show, "Wallowing in Watergate," at a noon-time program on Wednesday, Feb. 26, in 3324 Brown Hall.

He has collected a large number of political cartoons that depict the events surrounding Watergate. His slides will present the evolution of the Watergate controversy as seen by a number of political cartoonists.

Sadler's interest in political cartoons goes back a number of years. He received his A.B. degree in 1945 from Miami University of Ohio, and M.S. in 1947 and Ph.D. in 1952 from the University of Michigan. He was a National Science Foundation Postdoctoral Fellow, 1950-52, and was president of the Michigan Physics Teachers Association. His specialty was nuclear physics. He came to WMU in 1955.

Bradley was survived by his wife, Jean, and son, John. A memorial fund has been established at the First Congregational Church.
WMU Journeys To Kent State
Western's varsity men's basketball team will arrive in Kent Saturday for another important Mid-American Conference game.

The WMU basketballs are in the thick of the tightest league basketball race ever. They hosted Bowling Green last night and won 82-67 behind 20 points from fresh face of the game.

Hockey Broncos
