Publishing Options

All of the Open Access Publishing options will eventually allow your work to be viewed by anyone, anywhere through ScholarWorks at WMU. The Embargo options, if chosen, simply delay the access to your work - it will not be available to anyone for the period of the embargo. You may need to restrict access to the full text of your work for proprietary, copyright or other reasons. In that case we will just publish the citation and abstract and provide only traditional library access. If at a later date you want to restrict your work, contact us at wmu-scholarworks@wmich.edu.

Please choose one:

Open Access Publishing - No Embargoes

I authorize immediate open access to the electronic full text of my work.

Open Access Publishing - 6 month Embargo

I request that WMU embargo the electronic full text of my work for 6 months

Open Access Publishing - 1 year Embargo

I request that WMU embargo the electronic full text of my work for 1 year

Open Access Publishing - 2 year Embargo

I request that WMU embargo the electronic full text of my work for 2 years

Restricted - Citation and abstract only until 10 years have passed

If I want to make my work open access at an earlier date, I will contact wmu-scholarworks@wmich.edu
