**ABANDONED OIL WELL**

A hand-drawn map on a grid background, likely a survey plat. The map shows a section of land with a creek labeled "Bear Creek" flowing from the bottom left towards the top right. A diagonal line, possibly a road or boundary, runs from the bottom center towards the top right. Several points are marked with numbers: "0.46" near the bottom center, "0.22" near the diagonal line, and a cluster of numbers "23", "10", "90", "58", and "50" near the bottom right. A dashed line runs vertically through the center. The map is enclosed in a rectangular border with tick marks along the edges.
