Dear British Library Imaging Services,

My name is Jenna McKellips, and I am a PhD student and researcher at the University of Toronto. I recently wrote a paper on the use of female imagery within the medieval apocalypse manuscripts, and the paper was accepted for future publication by the *Medieval Feminist Forum*. I'd like to include an image from the Queen Mary Psalter, Royal MS 2 B VII (particularly f. 22. v.), in the paper when it is published, if possible. The image is currently in your digitized image catalog, but I am writing to inquire about the fees necessary to acquire and reproduce the image within *MFF*'s online publication. I understand that this is a unfortunate time to answer such inquiries, but I just heard back from *MFF* about my paper, and thought I'd at least ask. I hope your entire staff is staying well in this difficult time.

Thank you,

Jenna McKellips (*she/her/hers*)
