WESTERN MICHIGAN UNIVERSITY MISSION AND GOALS STATEMENT

Western Michigan University is a student-centered research university, building intellectual inquiry, investigation, and discovery into all undergraduate, graduate, and professional programs. The University provides leadership in teaching, research, learning, and public service. Nationally recognized and internationally engaged, the University:

- Forges a responsive and ethical academic community
- Develops foundations for achievement in pluralistic societies
- Incorporates participation from diverse individuals in decision-making
- Contributes to technological and economic development
- Engenders an awareness and appreciation of the arts

GOALS: Western Michigan University's mission is characterized by its pursuit of the following institutional goals:

- To foster a safe, civil, and healthy University community
- To provide access to academic programs at reasonable cost and in multiple settings
- To strengthen interdisciplinary collaboration and international programs
- To increase diversity within the student body, faculty, and staff through institutional practices and programs
- To recognize excellence in the teaching, research, learning, creative work, scholarship, and service contributions of students, faculty, and staff
- To conduct ongoing assessment activities and engage in continuous improvement initiatives within the University
- To establish life-long relationships between alumni and the University
- To advance responsible environmental stewardship
- To support community and regional partnerships that elevate civic, cultural, social, and economic life

Approved by the Board of Trustees 12/07/01

Introduction

Western Michigan University is a dynamic, student-centered research institution enrolling more than 26,000 students from across the United States and nearly 100 other countries. Founded in 1903, it is nationally recognized and internationally engaged.

- U.S. News & World Report lists WMU among the nation's top 100 public institutions.
- The Carnegie Classification of Institutions of Higher Education places WMU among the 76 public research institutions with high research activity.
- Phi Beta Kappa, America's most prestigious academic honor society, includes WMU among the 97 public institutions to which it has granted chapters.
- National rankings place WMU among the top 50 public schools in terms of total enrollment and the top 70 in terms of international enrollment.
- Intel recognizes WMU as a leader in wireless computing by ranking the University second on its most recent list of the 100 "Most Unwired College Campuses."

WMU is the fourth largest research university in Michigan, conducting \$30-\$40 million in externally funded research each year. Dedicated to delivering high-quality academic programs at both the undergraduate and graduate levels, it offers 242 degree programs through seven degree-granting colleges: Arts and Sciences, Aviation, Education, Engineering and Applied Sciences, Fine Arts, Haworth College of Business, and Health and Human Services.

A wide variety of those offerings, which include 141 bachelor's programs, 29 doctoral programs and 71 master's programs, have earned a national or international reputation. Enhancing the University's robust academic environment is a rich array of research institutes, business/industry collaborations, study-abroad programs and internship opportunities as well as some of the finest instructional and fine arts facilities in the Midwest.

In addition, the Extended University Programs division conveniently brings numerous undergraduate, graduate and professional programs to more than 2,000 Michigan residents each year through the Office of Lifelong Learning and Education* and branch campuses in Battle Creek, Benton Harbor (WMU-Southwest), Grand Rapids, Holland, Lansing, Muskegon, South Haven and Traverse City.

WMU is accredited by the Commission on Institutions of Higher Education of the North Central Association of Colleges and Schools, 30 North LaSalle Street, Suite 2400, Chicago, IL, 60602-2504, telephone 800-621-7740.

WESTERN MICHIGAN UNIVERSITY LIBRARIES

The **Dwight B. Waldo Library** (Main) built in 1958, expanded in 1967, and renovated and expanded in 1991, is named after the University's first president. The Waldo Library houses general reference materials, science/technology materials, maps and atlases, and U.S. and Michigan government documents. Among the unique circulating collections are the Ann Kercher Memorial Collection of materials on Africa south of the Sahara; the history, religion, philosophy, and culture of the Medieval period; the Randall Frazier Memorial Collection of the history and culture of Black America; the Leslie H. Wood Memorial Collection of materials in the fields of geography and geology; and a strong business collection. The Department of Special Collections, located on the third floor of Waldo Library, houses over 110 medieval manuscripts and over 40,000 rare books, including medieval manuscript facsimiles and American women's poetry.

The **Education Library**, located in Sangren Hall, offers 736,131 items, including the Education Resources Information Center documents and more than 600 periodical titles. Located in the Dalton Center, the **Harper C. Maybee Music and Dance Library** houses over 49,155 books, musical scores, and periodicals, including the Paul A. Humiston Organ Music Collection. The library also features a collection of over 19,960 sound and video recordings with available listening facilities. The **Archives and Regional History Collections Library**, located in East Hall on East Campus, houses unique materials on southwest Michigan including manuscripts of its early residents. This library serves as the Regional Depository of the State Archives for public records, and collects, preserves, and makes accessible University records. The **Visual Resources Library**, a branch library located in Sangren Hall, houses a collection of over 105,000 slides and other visual materials, with an emphasis on visual arts and material culture.

LEE HONORS COLLEGE

The mission of the Carl and Winifred Lee Honors College is to provide a lively, rigorous undergraduate program for bright, highly motivated, and active students. The College was founded in 1962, and because of its continued leadership in the national honors movement, it remains a well-respected center for academic training among the 500 institutional members of the National Collegiate Honors Council.

More than one thousand students participate in a learning and living environment that provides undergraduates with the sense of being enrolled in a small private college, but with the resources of a major university. The Lee Honors College offers a four-year academic program, co-curricular activities, and special opportunities to complement all disciplinary majors.

Freshman/sophomore-level students take linked courses built on the learning community model. General Education courses are grouped around a general theme or major issues in order to present a more coherent view of knowledge or methodology. A cohort group of students attends two or three courses or integrating seminars where connections among the disciplines are drawn and assignments are made which are common to the linked classes. Varieties of clusters are offered every semester; some of these are entitled “Mind and Body,” “Science and Technology,” “Exploring These United States,” and “Looking into Nature and Outdoors.”

At the junior and senior levels, honors course selections consist of seminars with special topics, which bring together multi- and interdisciplinary approaches to issues, events, or problems. Honors students take a minimum of two seminars and may substitute a research-oriented independent study, foreign study, or an internship for one of these two upper-level honors course requirements.

A thesis, extended project, or performance serves as a capstone to the four-year program. This culminating activity focuses and applies knowledge and skills of the entire honors program through critical thinking and creative expression. Upon completion of the honors program of study, students graduate from Lee Honors College with recognition in the commencement program, on the diploma, and special notation on the academic transcript.

To assist students in the thesis process, there is The Dean’s Summer Research Thesis Award, and the Honors College also administers the Undergraduate Research and Creative Activities Award program for the University. We also try through various internships, to provide unique opportunities for honors students to learn from valuable contacts with experts in a variety of fields and for each student to gather data for his or her thesis.

The Lee Honors College recruits and advises qualified applicants from the entire University community for six prestigious scholarships: The Rhodes, The British Marshall, The Goldwater, The Truman, The Mellon Fellowship, and The Morris K. Udall Scholarship. Highly qualified WMU candidates have recently been recognized nationally; these include two Truman finalists, one Truman winner, two Goldwater winners, four Morris K. Udall winners, and two state finalists for the Rhodes and The British Marshall, and three Rotary International Ambassadorial Scholarships. Most recently, one of our students was selected to be on USA Today’s All American Academic Team.

DEFINITIONS OF TERMS USED IN THE 2005-2006 FACT BOOK

All Students indicates students from on and off campus.

Bargaining unit faculty are those faculty appointed by the Board of Trustees who are represented by the WMU chapter of the American Association of University Professors (AAUP). As such, they all have academic rank. Most of the positions have an instructional function; however, some, notably those in the library and counseling center, are not instructional and are omitted from counts that specify instructional faculty. See Faculty Information, Faculty Data Definitions for more detail about definitions of items related to faculty.

Curriculum is a complete program of study, as defined by a college, leading to a degree. The term “Curriculum” is now referred to as “Primary Program”.

Data on Students Enrolled is data collected by the Registrar’s office from the census day reports, which are completed at the beginning of each semester the evening of the sixth day of classes.

Degree seeking students are those students who are officially admitted to the University in a degree program as either full or part time students.

FYES is an abbreviation for Fiscal Year Equated Students. To calculate FYES, the total student credit hours (SCH) for the fiscal year are grouped by student level. The SCH at the undergraduate level are divided by 30, SCH at the master’s are divided by 24, and doctoral and specialist credits are divided by 16. FYES is commonly used among Michigan colleges and universities to provide comparative enrollment data. FYES

should be distinguished from the definition of individual students who attend full time or part time. (See **full time student**.)

FTIAC refers to degree seeking students enrolled for the first time in any college.

Full time instructional faculty is instructional bargaining unit faculty (described above) and academic department chairs who are full time. Inclusion and exclusion of individuals is based on the instructions for reporting to government agencies, i.e., IPEDS. See Faculty Information, Faculty Data Definitions for more detail about definitions of items related to faculty.

Full time student/part time student refers to the classification of individual students based on the number of credits each is carrying in a semester. Undergraduates are considered full time when they take 12 or more credits during the Fall or Winter, and 6 credit hours during the Spring or Summer. Graduate (Master’s, Specialist, and Doctoral) students are considered full time when they take 6 or more credits during the Fall or Winter, and at least 3 credits during the Spring or Summer.

IPEDS stands for Integrated Postsecondary Education Data System, a system for annual reporting of institutional data to the federal government.

Major is a concentration of related courses generally consisting of 30 to 50 semester hours of credit. A student may have more than one major.

Other, as used in Table 3, includes guest students, non-admitted students with permission to take

classes, undecided students, and Military Science students. When used in Tables 4 and 4A, it includes Guest Students, students with permission to take classes, and undecided students.

PTC is an abbreviation for permission to take classes and applies to undergraduate non-degree seeking students.

PTG is an abbreviation for permission to take graduate classes for those students who have a bachelor’s degree and are awaiting admittance to a graduate degree program or wishing to enroll in a graduate level course.

Student Credit Hours (SCH) is the enrollment in a course multiplied by the credit hour value of the course. For example, if a three credit hour class includes 30 students, the SCH is 90. Total SCH for the University is the sum for all course sections.

Student headcount is the count of individual students enrolled for one or more credit courses during the time period illustrated. The Registrar takes this count at the same time each semester (Census Day) as set by the Board of Trustees and reported.

[1] Degrees awarded with a BST curriculum are now reported in the Mathematics & Statistics Department rather than as interdisciplinary. Previous years have been adjusted in this Fact Book.

[2] Specialist Degrees are counted with the Doctoral Degrees.

[3] The Civil and Construction Engineering Department was established in the Fall 2003. Programs existed in the Construction Engineering, Materials Engineering, and Industrial Design Department prior to the Fall 2003.

[4] The Materials Science and Engineering Department was established in the Fall 2003. Programs existed in the Construction Engineering, Materials Engineering, and Industrial Design Department prior to the Fall 2003.

[5] The Performing Arts Administration master's program was established as an interdisciplinary program in the Fall 2002.

Fiscal Year 2004-2005

MEDALLION SCHOLARSHIP PROGRAM 2005-2006

THE PROGRAM

The Western Michigan University Medallion Scholarships were created in 1984 under the leadership of Trustee Emeritus J. Michael Kemp. These \$32,000 awards are among the largest merit-based scholarships at any public university in the United States. These awards have been made possible through the generosity of alumni, friends, corporations, foundations, and other organizations. More than 15,000 outstanding high school seniors from numerous states have participated in the Medallion Program since its inception. A total of 387 students have been named Medallion Scholars and have received the top awards totaling more than six million dollars.

COMPETITION ELIGIBILITY

Students who are U.S. citizens or legal residents and who apply to WMU as freshmen by December 31 will be considered for the Medallion Program. Students who meet the following criteria (at the end of their junior year) will receive an invitation to one of two on-campus competitions: 3.8 GPA (on a 4.00 scale) with at least a 25 ACT or 1130 SAT composite. The Medallion Competition takes place the second and third weekends in February.

SELECTION CRITERIA

Scholarships in the Medallion Program are awarded with primary emphasis on academic performance in high school and in an on-campus competition, without regard to financial need. The Medallion selection committee also considers leadership ability, extracurricular activities, recommendations, and, in some cases, personal interviews.

THE SCHOLARSHIPS

Each student who participates in the Medallion Program will receive one of three scholarships.

Medallion Scholarships, \$32,000: These awards represent the highest honor an incoming WMU freshman can receive. Up to 20 Medallion Scholarships will be awarded to those students who demonstrate the highest academic promise. (\$8,000 per year)

Board of Trustees Scholarships, \$24,000: Up to 20 students in the Medallion Program will receive Board of Trustees Scholarships. These awards represent exemplary achievement in the program. (\$6,000 per year)

WMU Academic Scholarships, \$4,800: All Medallion Scholarship Program competitors who do not receive one of the preceding awards will receive a WMU Academic Scholarship. (\$1,200 per year)

CAMPUS LIFE

The Division of Student Affairs

The mission of the Division of Student Affairs is to engage students in learning and personal development. All of the programs and services within the division are intentionally designed to support the academic mission of the University, create and sustain optimal learning environments both in and outside of the classroom and provide appropriate challenge and support for students. A vital component of WMU, the division helps to guide development of students into responsible citizens and future leaders.

Residence Life

The Residence Life program strives to create living/learning environments where students learn, grow and develop into successful members of the University community. Learning is woven into all aspects of the residence life experience through programs, academic resources and services, opportunities for involvement, and Living/Learning Themes.

- Each hall has a theme that directly relates to student learning. Some of these themes include Leadership, Health & Wellness, First-Year Experience, Diversity, Arts & Athletics and Honors & Success.
- Opportunities for involvement and leadership development are numerous, such as attending hall programs, holding leadership positions in the hall and serving on campus wide residence life committees.
- Approximately 5,000 students live in the 22 residence halls on campus. Each hall offers a different living option; whether it is suite-style or traditional community options, upper class-only halls, extended quiet hours and super singles.
- For more information about Residence Life, please visit www.reslife.wmich.edu or call 269-387-4735.

University Counseling and Testing Center

The University Counseling and Testing Center exists to help students deal effectively with concerns and problems that inhibit their academic achievement and personal growth. The International Association of Counseling Services, Inc. accredits the Center. The Center also supports a doctoral training program, which is nationally recognized and accredited by the American Psychological Association with three doctoral level trainees per year. The training program also includes five graduate assistants who provide limited services with supervision.

There are ten faculty members, two administrative members, one scanning specialist, one support staff member, doctoral level trainees and graduate assistants that provide the following services:

- Personal Counseling
- Career Counseling
- Testing Services (including nationally standardized testing)
- University Substance Abuse Services
- Eating Disorders Clinic
- University 102 course, Honors College courses, and several others
- Scanning Services
- Mental Health Consultations
- Outreach Services
- Testing and Measurement Consultations
- Group Support and Therapy
- Master's and Doctoral level training

Student Conduct

The Office of Student Conduct (OSC) enhances student learning and personal development by fostering an educationally purposeful, disciplined, and caring community. OSC staff educates students and the campus community on student rights and responsibilities. The conduct process is focused on promoting character development, citizenship, civility and diversity.

- Alleged violations of the Student Code are adjudicated through an educationally based process.
- OSC staff collaborates with the Professional Concerns Committee within Faculty Senate to manage and facilitate the Academic Integrity Process. OSC provides training for faculty and student members of the Academic Integrity Hearing Panels.
- OSC staff provides training for administrative hearing panel members, the University Appeals Board, and student conduct boards.

Career & Student Employment Services

Comprehensive career development and employment services for WMU students and alumni. Services include career advising, resume and cover letter advice, centralized job listings on the Internet, career development workshops and several annual campus job fairs.

- On campus jobs are available for enrolled students only. Competition is steep, as many students keep campus jobs through to graduation. Average campus wage: \$7.00 per hour.
- Working part-time (on or off campus) while enrolled teaches students to manage time and prioritize tasks. The average student will earn \$6,760 annually working 20 hours per week.
- Students who qualify for Michigan or Federal Work Study can work on campus or in a non-profit agency in the Kalamazoo area to earn their award. Apply for Work Study as part of the comprehensive FAFSA forms.
- The course Career Development & Exploration (UNIV 102) is recommended for anyone choosing a major and open to all students. Highlights include personality and work-environment assessments.
- The average 2006 starting salary for an undergraduate from WMU was \$32,000. (Based on student reported salaries from the Graduate Survey, March 2006. 80% of students reported working in Michigan upon graduation.)
- www.BroncoJOBS.wmich.edu web resources include job openings for students and alumni, upcoming job fairs in the Midwest, and resources for interviewing, resume preparation and networking.

Disabled Student Resources and Services

Disabled Student Resources and Services provides for nearly 800 students who have identified themselves as having disabilities. Disabilities include but are not limited to:

Chronic illness – allergies, cancer, cardiac, MS, fibromyalgia, etc.
Cognitive issues – ADHD, LD, traumatic brain injury, etc.
Emotional/Psychological – depression, anxiety, Bi-polar, etc.
Physical – hearing, vision, mobility
Temporary – surgeries, broken bones, etc.

- Participates with the Multipurpose Enabling Technology Laboratory (METL). METL is a computer lab with adaptive equipment to assist students with a variety of disabling conditions. Approximately 30 students use this service.
- Arranges on-campus transportation for students with mobility issues. The Handi-van, managed by Metro Transit is a wheelchair lift equipped vehicle that operates on campus during the fall and winter semesters for approximately 20 students.
- Provides alternative format for textbooks and other printed materials. Formats include enlarged print, Braille and scanning services which allow students access to screen readers and font size manipulation. Scanned 290 books for 40 students.

Sindecuse Health Center

The Sindecuse Health Center offers comprehensive services in an outpatient care setting to students, faculty, staff, retirees, and dependents. An experienced, multidisciplinary staff provides convenient and cost-effective services in a caring environment. Services include:

- evaluation and treatment of acute and chronic illnesses and injuries
- preventive health check-ups
- periodic health monitoring
- physical therapy
- health promotion programs
- laboratory testing and x-rays
- medical social work services

The Accreditation Association for Ambulatory Health Care (AAAHC) is accrediting organization for Sindecuse Health Center. In the past school year, there were 52,000 clinician visits among 98,747 total visits to the Health Center, and the full-service pharmacy filled 94,494 prescriptions.

The medical staff includes board-certified physicians in the specialties of internal medicine, family practice, occupational medicine, pediatrics, and psychiatry as well as Certified Physician Assistants and consultants in adolescent medicine, dermatology, orthopedics, and podiatry. The nursing staff includes Certified Medical Assistants and College Health Certified Registered Nurses.

Medical services include:

- Same-Day Care Clinic
- occupational medicine program
- women's & men's reproductive health care
- evaluation and treatment for ADD and other learning disabilities*
- psychiatric care*
- podiatric care
- physical therapy
- orthopedic evaluation

The nursing staff provides pregnancy testing, immunizations, TB skin testing, allergy injections, international travel consultations, asthma education, smoking cessation assistance, and other services. The Health Promotion Department oversees HIV counseling and testing, nutritional counseling, the training of peer educators, and student theater productions for the promotion of healthy sexual choices, along with a variety of educational resources. The full-service Pharmacy and the Diagnostic Services departments are also available to students, faculty, staff, retirees, and dependents.

*Services available for students only.

University Recreation

University Recreation is committed to creating healthy environments that engage students and the University community in learning and personal development. As the administrator of the Student Recreation Center (SRC), the department caters to a diverse population of internal and external patrons, as well as regional and state organizations.

University Recreation continues to contribute to WMU's ability to recruit and retain students, faculty and staff by offering programs and services that meet the needs and expectations of this constituency.

During Fall 05 and Spring 06, over 330,894 patrons utilized the SRC engaging in some form of leisure activity. Through survey assessment, 91% of respondents indicated that utilizing the SRC positively impacts quality of life.

University Recreation employs 7 professional staff and 178 students who support the vision for a positive, healthy and active lifestyle through recreational programs and services.

- 13,000 participated in various Fitness and Wellness programs provided by University Recreation
- Intramural Sports offered 32 different sports ranging from Arena Football to Ultimate Frisbee with 6,568 participants
- 240,000 square feet of activity space accommodated a series of rentals and sponsored events
- Facility is in operation 198 hours per week during the academic year

The Western Herald

The Western Herald is Western Michigan University's student newspaper. The Herald is published Monday, Tuesday, Wednesday and Thursday during the fall and spring terms; Monday and Thursday during the Summer I term; and each Wednesday during the Summer II term. Throughout the year the Herald also publishes several special sections on topics of interest to students. Students at the Western Herald gain practical experience for careers in journalism, communications, website development, printing, graphic arts, design, advertising sales, business, management, and photography.

- During an academic year, more than 80 students are involved in publishing the Western Herald. Their commitment ranges from the editor, who averages 24 hours per week, to writers who may contribute one story per week. The paper averages 10 pages per issue.
- The Herald budget is approximately \$550,000 annually, which is generated by student sales of classified and display advertising. The Herald receives no university funding.
- The Western Herald web site, Western Herald Online, www.westernherald.com, has been publishing electronically since 1995.

Division of Multicultural Affairs

Mission Statement

The Division of Multicultural Affairs advances a supportive environment for racial/ethnic students by providing a range of services and programs that have a positive impact on their academic success and quality of life. To enhance diversity in the community, the Division initiates and coordinates cultural programming and facilitates opportunities for learning and personal development for all students at Western Michigan University.

Martin Luther King, Jr. Program

The Martin Luther King, Jr. Academy is designed to recognize the academic achievement of students who have been awarded The Cultural Diversity Scholarship and/or other incentive scholarships at Western Michigan University. The MLK Academy provides an opportunity for scholarship students to pursue their major areas of study and to join with other scholarship students in a variety of experiences that broaden their educational perspectives. The Academy strives to enhance the educational experience by creating a challenging, diverse, and friendly learning environment while in college.

Multicultural Center

The Multicultural Center (MCC) at Western Michigan University provides the University student population with spaces for study, meetings, projects, and conversation. The MCC also provides information on diversity, ethnic and cultural issues through speakers, events, exhibits, and displays scheduled by University groups and organizations. The Multicultural Center is located in the Adrian Trimpe Building on campus.

Center for Pre-College Initiatives

The Martin Luther King, Jr./Cesar Chavez/Rosa Parks College Day Program was created by the Michigan State Legislature in 1986 as a part of the larger King/Chavez/Parks Initiative. The College Day Program's mission is to provide an opportunity for targeted students, grades 6th through 12th, to discover first hand the potential of a college education and to expose students to the information, knowledge, and skills they need to adequately prepare themselves for college entry and success.

Alpha Kappa Mu Honor Society

Alpha Kappa Mu Honor Society is a member of the National Association of College Honor Societies. Mu Omicron was initiated at WMU in 1989, and it is the only chapter of Alpha Kappa Mu in the State of Michigan. The purpose of Alpha Kappa Mu Honor Society is to promote high scholarship, to encourage sincere and zealous endeavors in all fields of knowledge and service, and to develop an appreciation for scholarly work and the scholarly endeavors in others. Alpha Kappa Mu's activities include sponsoring scholarly speakers, participating in the National Undergraduate Research Conference, and attending regional and national conferences and conventions.

FACULTY DATA DEFINITIONS

FACULTY DATA: The tables and graphs in this section of the Fact Book contain data about WMU faculty. Several of the tables use different groupings of faculty to constitute their counts. For general purposes the University describes its faculty number as 936 regular and 524 part time. Other groupings of faculty represented in the following tables are described below:

American Association of University Professors (AAUP) Reports: Each year the University participates in the national study of the salaries of full-time instructional faculty that is prepared by the American Association of University Professors. The data are prepared in compliance with the definitions supplied by the National AAUP. Data from this study is compiled in Table 36.

Bargaining Unit Faculty: The AAUP represents 881 faculty (Fall 2005), including Board-appointed ranked faculty and post-doctoral fellows. “Ranked faculty” includes ranked faculty in the Library, Academic Affairs, the Career English Language Center for International Students, and the Counseling Center. Excluded from the Bargaining Unit are administrative positions, including department chairs and directors. A specific listing of those included and excluded in the Bargaining Unit is provided in Article I of the contract between the AAUP and the University.

Term Appointment: A Board-appointed faculty position represented by the AAUP that has a specific duration, usually for one year. A person in such a position is not eligible for tenure.

WMU Alumni Geographic Distribution (2006)

WMU Alumni Geographic Distribution (2006)

Total addressable alumni*

There are 163,000 WMU alumni worldwide.

About 97 percent of all WMU alumni (158,000) live in the United States.

The largest populations of WMU alumni outside the United States are in Malaysia (about 1,300), Japan (500), Thailand (400) and Canada (400).

Of the 158,000 alumni who live in the U.S., about three-fourths (119,000 alumni) live within a five-hour driving radius (300 miles) of Kalamazoo, which includes Milwaukee, Chicago, Indianapolis, Cleveland and Columbus, Ohio, and most of Michigan's Lower Peninsula.

There are 110,600 WMU alumni in Michigan.

Two-thirds (68 percent) of all WMU alumni live in Michigan.

More than 90 percent of Michigan's WMU alumni live in the Lower Peninsula, south of a line extending from Muskegon County in the west to St. Clair County in the east.

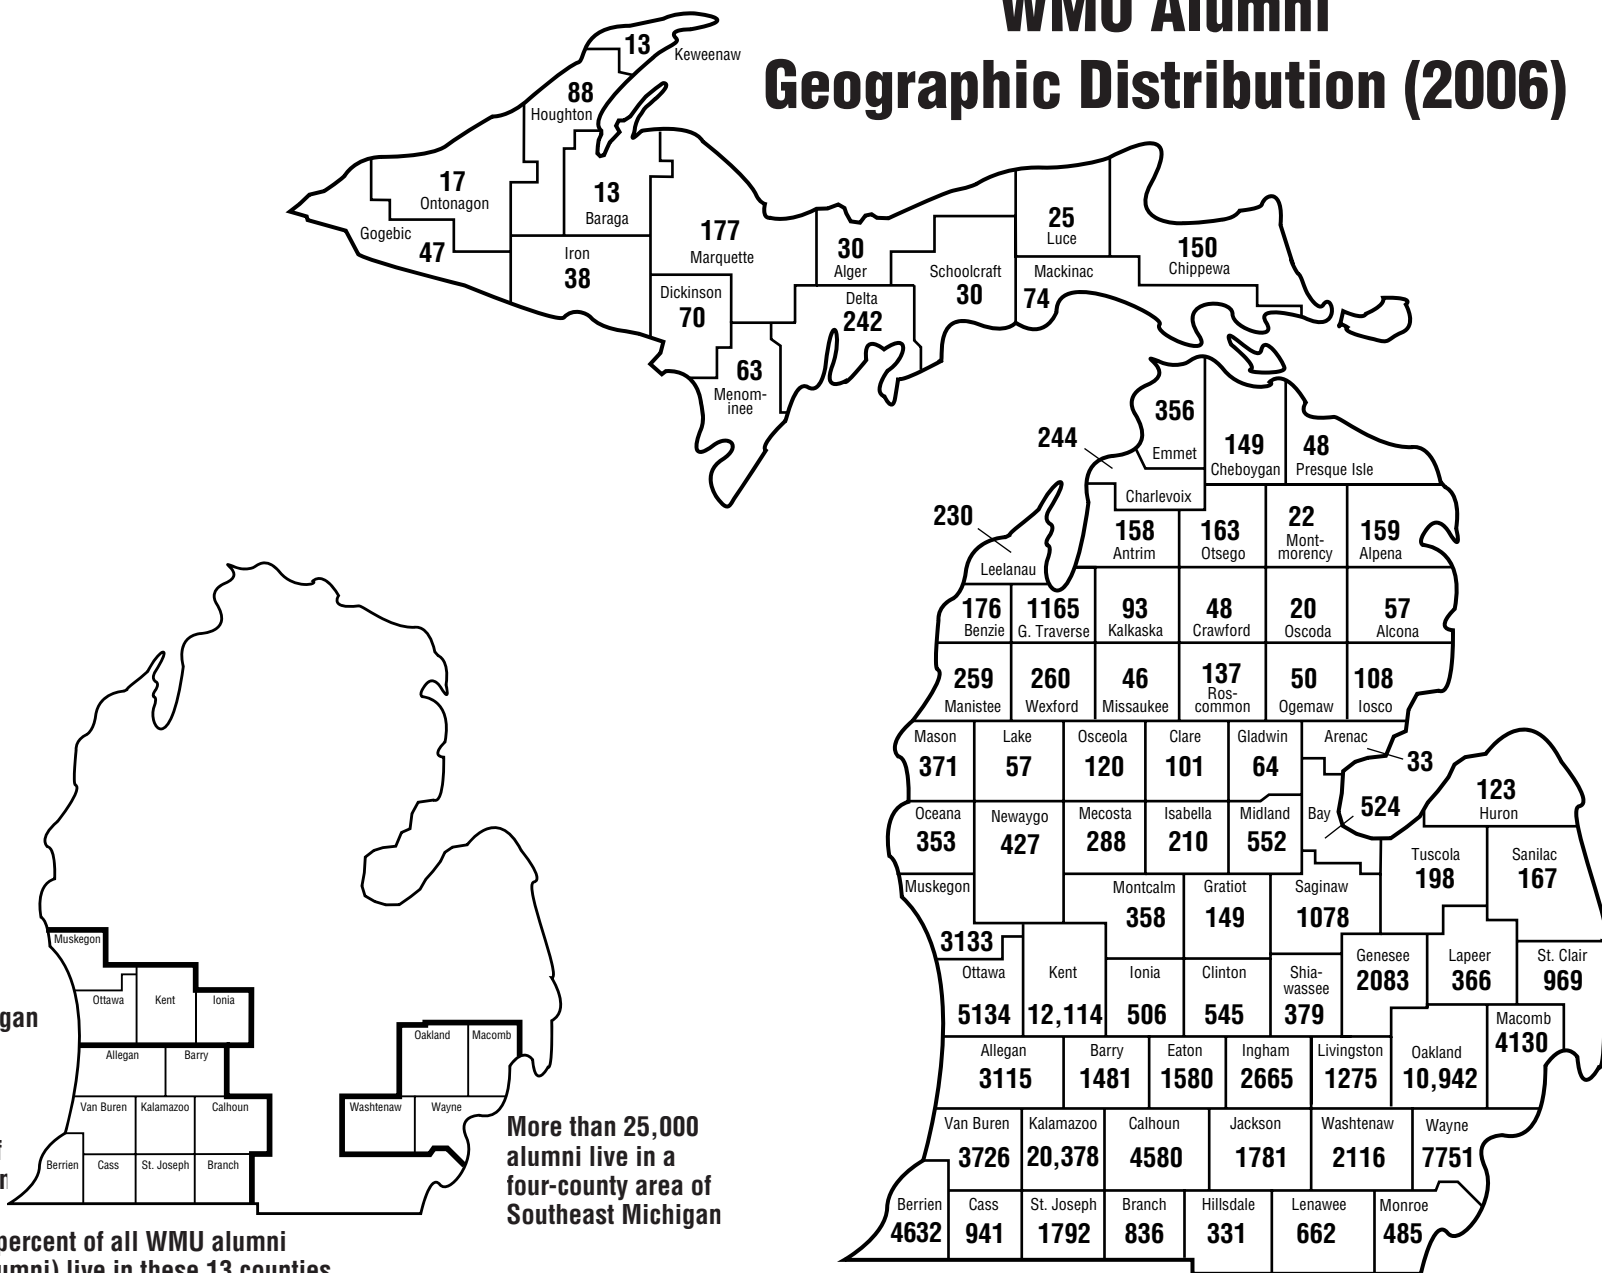

*Verifiable, living alumni, includes both those who earned degrees at Western Michigan University and some former students who did not earn degrees. The WMU definition for "non-graduate alumni" has varied over the years. The alumni population is continually changing. Within one year of this report, actual alumni counts may vary by plus or minus 20 percent of the figures presented here. Population relationships and ratios are less likely to vary significantly.

WMU Alumni Geographic Distribution (2006)

More than 20,000 alumni live in a four-county area of West Central Michigan

More than 41,000 alumni live in a nine-county area of Southwest Michigan
