WESTERN MICHIGAN UNIVERSITY MISSION AND GOALS STATEMENT

MISSION

Western Michigan University is a student-centered research university, building intellectual inquiry, investigation, and discovery into all undergraduate, graduate, and professional programs. The University provides leadership in teaching, research, learning, and public service. Nationally recognized and internationally engaged, the University:

- Forges a responsive and ethical academic community
- Develops foundations for achievement in pluralistic societies
- Incorporates participation from diverse individuals in decision-making
- Contributes to technological and economic development
- Engenders an awareness and appreciation of the arts

GOALS

Western Michigan University's mission is characterized by its pursuit of the following institutional goals:

- To foster a safe, civil, and healthy University community
- To provide access to academic programs at reasonable cost and in multiple settings
- To strengthen interdisciplinary collaboration and international programs
- To increase diversity within the student body, faculty, and staff through institutional practices and programs
- To recognize excellence in the teaching, research, learning, creative work, scholarship, and service contributions of students, faculty, and staff
- To conduct ongoing assessment activities and engage in continuous improvement initiatives within the University
- To establish life-long relationships between alumni and the University
- To advance responsible environmental stewardship
- To support community and regional partnerships that elevate civic, cultural, social, and economic life

Approved by the Board of Trustees 12/07/01

Introduction

Western Michigan University is a major research university enrolling some 24,500 students from across the United States and more than 80 countries. WMU provides the top-notch programs, faculty, facilities and hands-on learning opportunities students need to prepare for and excel in graduate school or the work place. Founded in 1903, WMU is a nationally recognized, internationally engaged institution dedicated to fostering student success.

- The Carnegie Classification of Institutions of Higher Education designates WMU as one of the nation's 76 public "research universities with high research activity".
- U.S. News & World Report names WMU among America's top-100 public institutions and the Midwest's top 30.
- The Princeton Review includes WMU on its annual online list of the Best Midwestern Colleges.
- Of the nation's more than 1,700 public colleges and universities, WMU is one of only 97 to be granted a charter for the prestigious Phi Beta Kappa honor society.
- Intel ranks WMU first in Michigan and second in the nation in the use of wireless computing technology on a university campus.

WMU offers more than 230 degree programs through seven degree-granting colleges: Arts and Sciences, Aviation, Education, Engineering and Applied Sciences, Fine Arts, Haworth College of Business, and Health and Human Services. Students may choose from 140 bachelor's programs, 67 master's programs and 29 doctoral programs. Many of these offerings have earned a national or international reputation, and several are offered close to home through the University's branch campuses in Battle Creek, Benton Harbor, Grand Rapids, Lansing, Muskegon/Holland, South Haven and Traverse City.

WMU attracts faculty members who have been trained at the world's leading universities and who bring a global perspective to the classroom. These scholars conduct \$30-\$40 million in externally funded research each year and share their cutting-edge research in the classroom. This robust academic environment is bolstered by some of the finest instructional facilities in the Midwest as well as a rich array of study-abroad programs, internship opportunities, research institutes and business/industry collaborations.

Despite its size and complexity, WMU remains one of the most affordable and accessible schools in Michigan. The University ranked 11th in tuition and fees among the state's 15 public universities in 2007-08 while continuing to provide the close personal attention usually associated with small private colleges. At WMU, two-thirds of all undergraduate classes have 30 or fewer students, and first-year mentoring programs, extensive career and employment services, and experienced advisors and tutors are within easy reach.

WMU is accredited by the Higher Learning Commission and a member of the North Central Association. www.ncahigherlearningcommission.org

WESTERN MICHIGAN UNIVERSITY LIBRARIES

The **Dwight B. Waldo Library** (Main) built in 1958, expanded in 1967, and renovated and expanded in 1991, is named after the University's first president. The Waldo Library houses general reference materials, science/technology materials, maps and atlases, and U.S. and Michigan government documents. Among the unique circulating collections are the Ann Kercher Memorial Collection of materials on Africa south of the Sahara; the history, religion, philosophy, and culture of the Medieval period; the Randall Frazier Memorial Collection of the history and culture of Black America; the Leslie H. Wood Memorial Collection of materials in the fields of geography and geology; and a strong business collection. The Department of Special Collections, located on the third floor of Waldo Library, houses over 130 medieval manuscripts and over 40,000 rare books, including medieval manuscript facsimiles and American women's poetry.

The **Education Library**, located in Sangren Hall, offers more than 731,000 items, including the Education Resources Information Center documents and more than 700 periodical titles. Located in the Dalton Center, the **Harper C. Maybee Music and Dance Library** houses over 51,000 books, musical scores, and periodicals, including the Paul A. Humiston Organ Music Collection. The library also features a collection of over 21,000 sound and video recordings with available listening facilities. The **Archives and Regional History Collections Library**, located in East Hall on East Campus, houses unique materials on southwest Michigan including manuscripts of its early residents. This library serves as the Regional Depository of the State Archives for public records, and collects, preserves, and makes accessible University records. The **Visual Resources Library**, a branch library located in Sangren Hall, houses a collection of over 110,000 slides and other visual materials, with an emphasis on visual arts and material culture.

LEE HONORS COLLEGE

The mission of the Carl and Winifred Lee Honors College is to provide a lively, rigorous undergraduate program for bright, highly motivated, and active students. The College was founded in 1962, and because of its continued leadership in the national honors movement, it remains a well-respected center for academic training among the 500 institutional members of the National Collegiate Honors Council.

More than one thousand students participate in a learning and living environment that provides undergraduates with the sense of being enrolled in a small private college, but with the resources of a major university. The Lee Honors College offers a four-year academic program, co-curricular activities, and special opportunities to complement all disciplinary majors.

Freshman/sophomore-level students take linked courses built on the learning community model. General Education courses are grouped around a general theme or major issues in order to present a more coherent view of knowledge or methodology. A cohort group of students attends two or three courses or integrating seminars where connections among the disciplines are drawn and assignments are made which are common to the linked classes. Varieties of clusters are offered every semester; some of these are entitled “Mind and Body,” “Science and Technology,” “Exploring These United States,” and “Looking into Nature and Outdoors.”

At the junior and senior levels, honors course selections consist of seminars with special topics, which bring together multi- and interdisciplinary approaches to issues, events, or problems. Honors students take a minimum of two seminars and may substitute a research-oriented independent study, foreign study, or an internship for one of these two upper-level honors course requirements.

A thesis, extended project, or performance serves as a capstone to the four-year program. This culminating activity focuses and applies knowledge and skills of the entire honors program through critical thinking and creative expression. Upon completion of the honors program of study, students graduate from Lee Honors College with recognition in the commencement program, on the diploma, and special notation on the academic transcript.

To assist students in the thesis process, there is The Dean’s Summer Research Thesis Award, and the Honors College also administers the Siebert Undergraduate Research and Creative Activities Award program for the University. Unique opportunities are provided through various internships for honors students to learn from valuable contacts with experts in a variety of fields and for each student to gather data for his or her thesis.

The Lee Honors College recruits and advises qualified applicants from the entire University community for prestigious scholarships: The Rhodes, The Gates Cambridge, The British Marshall, The Goldwater, The Truman, The Mellon Fellowship, and The Morris K. Udall Scholarship. Highly qualified WMU candidates have recently been recognized nationally; these include two Truman finalists, one Truman winner, two Goldwater winners, four Morris K. Udall winners, and two state finalists for the Rhodes and The British Marshall, and three Rotary International Ambassadorial Scholarships. Most recently, one of our students was selected for a Gates-Cambridge Scholarship.

DEFINITIONS OF TERMS USED IN THE 2007-2008 FACT BOOK

All Students indicates all students taking courses at WMU including branch campuses.

Bargaining unit faculty are those faculty appointed by the Board of Trustees who are represented by the WMU chapter of the American Association of University Professors (AAUP). As such, they all have academic rank. Most of the positions have an instructional function; however, some, notably those in the library and counseling center, are not instructional and are omitted from counts that specify instructional faculty. See Faculty Information, Faculty Data Definitions for more detail about definitions of items related to faculty.

Census refers to the first business day after the drop/add period of a semester.

Curriculum is a complete program of study, as defined by a college, leading to a degree. The term “Curriculum” is now referred to as “Primary Program”.

Data on Students Enrolled is a statistical summary report based on census enrollment.

Degree-seeking students are those students who are officially admitted to the University in a degree program as either full or part-time students.

FYES is an abbreviation for Fiscal Year Equated Students. To calculate FYES, the total student credit hours (SCH) for the fiscal year are grouped by student level. The SCH at the undergraduate level are divided by 30, SCH at the master’s are divided by 24, and doctoral and specialist credits are divided by 16. FYES is commonly used among Michigan colleges and universities to

provide comparative enrollment data. FYES should be distinguished from the definition of individual students who attend full-time or part-time. (See **full-time student**.)

FTIAC refers to full-time, degree-seeking, undergraduate students enrolled for the first time in any college.

Full-time instructional faculty refers to instructional bargaining unit faculty (described above) and academic department chairs who are full-time. Inclusion and exclusion of individuals are based on the instructions for reporting to government agencies, i.e., IPEDS. See Faculty Information, Faculty Data Definitions for more detail about definitions of items related to faculty.

Full-time student/part-time student refers to the classification of individual students based on the number of credits each is carrying in a semester. Undergraduates are considered full-time when they take 12 or more credits during the Fall or Spring and 6 credit hours during the Summer sessions. Graduate (master’s, specialist, and doctoral) students are considered full-time when they take 6 or more credits during the Fall or Spring and at least 3 credits during the Summer sessions.

IPEDS stands for Integrated Postsecondary Education Data System, a system for annual reporting of institutional data to the federal government.

Major is a concentration of related courses generally consisting of 30 to 50 semester hours of credit. A student may have more than one major.

Student Credit Hours (SCH) is the enrollment in a course multiplied by the credit hour value of the course. For example, if a three credit-hour class includes 30 students, the SCH is 90. Total SCH for the University is the sum for all course sections.

Student headcount is the count of individual students enrolled for one or more credit courses during the time period illustrated. This count is taken at the same time each semester (Census Day) as set by the Board of Trustees.

[1] Beginning in 2001, headcount is unduplicated.

[2] Beginning in 2005, each major is counted for graduate students with multiple majors. This has always been the case for undergraduate students.

[3] "Other" includes Extended University Programs.

MEDALLION SCHOLARSHIP PROGRAM 2007-2008

THE PROGRAM

The Western Michigan University Medallion Scholarships were created in 1984 under the leadership of Trustee Emeritus J. Michael Kemp. These \$40,000 awards are among the largest merit-based scholarships at any public university in the United States. These awards have been made possible through the generosity of alumni, friends, corporations, foundations, and other organizations. More than 15,000 outstanding high school seniors from numerous states have participated in the Medallion Program since its inception. A total of 424 students have been named Medallion Scholars and have received the top awards totaling more than six million dollars.

Competition Day, 2007

Students invited	1,218
Student competitors	504
Parent participants	725
High schools represented	256
States represented	10
Cities represented	235

THE SCHOLARSHIP

Medallion Scholarships, \$40,000: These awards represent the highest honor an incoming WMU freshman can receive. Up to 17 Medallion Scholarships will be awarded to those students who demonstrate the highest academic promise. (\$10,000 per year)

COMPETITION ELIGIBILITY

Students who are U.S. citizens or legal residents and who apply to WMU as freshmen by December 1 will be considered for the Medallion Program. Students who were among the top applicants to WMU by December 1 (based on a combination of GPA and ACT) were invited to the competition.

CAMPUS LIFE

The Division of Student Affairs

The mission of the Division of Student Affairs is to engage students in learning and personal development. All of the programs and services within the division are intentionally designed to support the academic mission of the University, create and sustain optimal learning environments both in and outside of the classroom and provide appropriate challenge and support for students. A vital component of WMU, the division helps to guide development of students into responsible citizens and future leaders.

Residence Life

The Residence Life program strives to create living/learning environments where students learn, grow and develop into successful members of the University community. Learning is woven into all aspects of the residence life experience through programs, academic resources and services, opportunities for involvement, and living/learning themes.

Each hall has a theme that directly relates to student learning. Some of these themes include leadership; health and wellness; first-year experience; diversity; arts and athletics; and honors and success.

Opportunities for involvement and leadership development are numerous and include attending hall programs, holding leadership positions in the hall and serving on campus wide residence life committees.

Approximately 5,000 students live in the 20 residence halls on campus. Each hall offers a different living option, whether it is suite-style or traditional community options, upper class-only halls, extended quiet hours or super singles.

For more information about Residence Life, please visit www.reslife.wmich.edu or call 269-387-4735.

University Counseling and Testing Center

The University Counseling and Testing Center exists to help students deal effectively with concerns and problems that inhibit their academic achievement and personal growth. The International Association of Counseling Services, Inc. accredits the Center. The Center also supports a doctoral training program, which is nationally recognized and accredited by the American Psychological Association with three doctoral level trainees per year. The training program also includes five graduate assistants who provide limited services with supervision.

There are ten faculty members, two administrative members, one scanning specialist, one support staff member, doctoral level trainees and graduate assistants that provide the following services:

- Personal counseling
- Career counseling
- Testing services (including nationally standardized testing)
- University Substance Abuse Clinic
- Eating Disorders Clinic
- University 102 course, Honors College courses, and several others
- Scanning services
- Mental health consultations
- Outreach services
- Testing and measurement consultations
- Group support and therapy
- Master's and doctoral level training

Student Conduct

The Office of Student Conduct (OSC) enhances student learning and personal development by creating an educationally purposeful, disciplined, and caring community. OSC staff educates students and the campus community on student rights and responsibilities. The conduct process is focused on promoting character development, citizenship, civility and diversity.

- Alleged violations of the student code are adjudicated through an educationally based process.
- OSC staff collaborates with the Professional Concerns Committee within Faculty Senate to manage and facilitate the academic integrity process. OSC provides training for faculty and student members of the Academic Integrity Hearing panels.
- OSC staff provides training for administrative hearing panel members, the University Appeals Board, and student conduct boards.

Career and Student Employment Services

Career and Student Employment Services offers comprehensive career development and employment services for WMU students and alumni. Services include career advising, resume and cover letter advice, centralized job listings on the Internet, career development workshops and several annual campus job fairs.

- On campus jobs are available for enrolled students only. Competition is steep, as many students keep campus jobs through to graduation. Average campus wage: \$7.00 per hour.
- Working part-time (on or off campus) while enrolled teaches students to manage time and prioritize tasks. The average student will earn \$6,760 annually working 20 hours per week.
- Students who qualify for Michigan or Federal Work Study can work on campus or in a non-profit agency in the Kalamazoo area to earn their award. Apply for Work Study as part of the comprehensive FAFSA forms.
- The course Career Development & Exploration (UNIV 102) is recommended for anyone choosing a major and is open to all students. Highlights include personality and work-environment assessments.
- The average 2006 starting salary for an undergraduate from WMU was \$32,000. (Based on student reported salaries from the Graduate Survey, March 2006. Eighty percent of students reported working in Michigan upon graduation.)
- www.BroncoJOBS.wmich.edu web resources include job openings for students and alumni, upcoming job fairs in the Midwest, and resources for interviewing, resume preparation and networking.

Disabled Student Resources and Services

Disabled Student Resources and Services provides for nearly 800 students who have identified themselves as having disabilities. Disabilities include but are not limited to:

Chronic illness – allergies, cancer, cardiac, MS, fibromyalgia, etc.
Cognitive issues – ADHD, LD, traumatic brain injury, etc.
Emotional/psychological – depression, anxiety, bi-polar, etc.
Physical – hearing, vision, mobility
Temporary – surgeries, broken bones, etc.

- Participates with the Multipurpose Enabling Technology Laboratory (METL). METL is a computer lab with adaptive equipment to assist students with a variety of disabling conditions. Approximately 30 students use this service.
- Arranges on-campus transportation for students with mobility issues. The Handi-van, managed by Metro Transit is a wheelchair lift equipped vehicle that operates on campus during the fall and winter semesters for approximately 20 students.
- Provides alternative format for textbooks and other printed materials. Formats include enlarged print, Braille and scanning services, which allow students access to screen readers and font size manipulation. Scanned 290 books for 40 students.

Sindecuse Health Center

The Sindecuse Health Center offers comprehensive services to students, faculty, staff, retirees, and dependents in an outpatient care setting. An experienced, multidisciplinary staff provides convenient and cost-effective services in a caring environment. Services include:

- Evaluation and treatment of acute and chronic illnesses and injuries
- Preventive health check-ups
- Laboratory testing and x-rays
- Medical social work services
- Physical therapy
- Periodic health monitoring
- Full-service pharmacy
- Health promotion programs

The Accreditation Association for Ambulatory Health Care (AAAHC) is the accrediting organization for Sindecuse Health Center. In the past school year, there were 78,671 total visits to the health center, and the pharmacy filled 84,598 prescriptions.

The medical staff includes board-certified physicians in the specialties of internal medicine, family practice, pediatrics, and psychiatry as well as certified physician assistants, licensed physical therapists, certified athletic trainers, and consultants in adolescent medicine, orthopedics, and podiatry. The nursing staff includes college health-certified registered nurses and certified medical assistants. The diagnostic services staff is comprised of registered medical technologists and radiographers.

Medical services include:

- Regular medical care by appointment
- Same-day care clinic
- Occupational medicine program
- Women's & men's reproductive health care
- Evaluation and treatment for ADD and other learning disabilities*
- Psychiatric care*
- Podiatric care
- Physical therapy
- Orthopedic evaluation

The nursing staff provides pregnancy testing, immunizations, TB skin testing, allergy injections, international travel consultations, asthma education, smoking cessation assistance, and other services. The health promotion department offers nutritional counseling, massage therapy, the training of peer educators, and student theater productions for the promotion of healthy sexual choices, along with a variety of educational resources. The medical social work department oversees HIV counseling, testing, and education and provides crisis intervention, short-term counseling, case management, and advocacy services to the University community. Our sports medicine department and international travel clinics are also open to the community.

*Services available for students only.

University Recreation

University Recreation (UR) is committed to creating healthy environments that engage students and the university community in learning and personal development. As the administrating unit of the Student Recreation Center (SRC), the department caters to a diverse population of internal and external patrons, as well as regional and state organizations.

University Recreation continues to contribute to WMU's ability to recruit and retain students, faculty and staff by offering programs and services that meet the needs and expectations of this constituency.

During fall 2007 and spring 2008, over 331,759 accesses were recorded through the turnstiles where the campus community engaged in some form of leisure activity. Eighty-one percent (81%) of respondents indicated they used the SRC between 2-5 days a week. Through a survey assessment conducted in 2008, students using the SRC noted the following top three changes about themselves: more energy (66%), less stress (64%), and greater self-esteem (52%).

University Recreation employs six professional staff and 178 student employees who support the vision for a positive, healthy and active lifestyle through recreational programs and services.

- Over 960 fitness classes with 14,000 participants were tracked in various fitness and wellness programs by UR in the 2007-2008 academic year.
- Intramural Sports offered 30 different sports ranging from dodge ball to flag football with 5782 participants. Intramural Sports played 1,809 games with 105 officials for 701 teams in the 2007-2008 academic year.
- The SRC is 240,000 square feet of activity space that also accommodates a series of rentals and special events. One thousand three hundred seventy-four (1,374) tours of the SRC with 12,300 visitors.

- The SRC is in operation 102 hours a week in the fall and 108 hours a week in the spring. The Seelye Center is open 25 hours a week for sport clubs and intramural sports.
- The SRC is the host site for the WMU Annual Health and Wellness Fair, International Sport Night and Finals Finish.

The Western Herald

The Western Herald is Western Michigan University's student newspaper. The Herald is published Mondays, Tuesdays, Wednesdays and Thursdays during the fall and spring semesters; Mondays and Thursdays during the Summer I session; and each Monday during the Summer II session. Throughout the year the Herald also publishes several special sections on topics of interest to students. Students at the Western Herald gain practical experience for careers in journalism, communications, Web site development, printing, graphic arts, design, advertising sales, business, management, and photography.

- During an academic year, more than 80 students are involved in publishing the Western Herald. Their commitment ranges from the editor, who averages 22 hours per week, to writers who may contribute one story per week. The paper averages ten pages per issue.
- The Herald budget is approximately \$550,000 annually, which is generated by student sales of classified and display advertising. The Herald receives no university funding.
- The Western Herald has been publishing electronically since 1995: www.westernherald.com

Mission Statement

To embrace and enhance the involvement of individual and groups of students by engaging in cultural and academic learning experiences that lead to greater engagement and success through academic and personal connections on the WMU campus; to foster an environment where diversity in all of its forms is celebrated, affirmed, and vigorously pursued.

Martin Luther King, Jr. Program

The Martin Luther King, Jr. Academy is designed to recognize the academic achievement of students who have been awarded The Cultural Diversity Scholarship and/or other incentive scholarships at Western Michigan University. The MLK Academy provides an opportunity for scholarship students to pursue their major areas of study and to join with other scholarship students in a variety of experiences that broaden their educational perspectives. The Academy strives to enhance the educational experience by creating a challenging, diverse, and friendly learning environment while in college.

Multicultural Center

The Multicultural Center (MCC) at Western Michigan University provides the University student population with spaces for study, meetings, projects, and conversation. The MCC also provides information on diversity and ethnic and cultural issues through speakers, events, exhibits, and displays scheduled by University groups and organizations. The Multicultural Center is located in the Adrian Trimpe Building on campus.

Center for Pre-College Initiatives

The Martin Luther King, Jr./Cesar Chavez/Rosa Parks College Day Program was created by the Michigan State Legislature in 1986 as a part of the larger King/Chavez/Parks Initiative. The College Day Program's mission is to provide an opportunity for targeted students, grades 6th through 12th, to discover firsthand the potential of a college education and to expose students to the information, knowledge, and skills they need to adequately prepare themselves for college entry and success.

Alpha Kappa Mu Honor Society

Alpha Kappa Mu Honor Society is a member of the National Association of College Honor Societies. Mu Omicron was initiated at WMU in 1989, and it is the only chapter of Alpha Kappa Mu in the State of Michigan. The purpose of Alpha Kappa Mu Honor Society is to promote high scholarship, to encourage sincere and zealous endeavors in all fields of knowledge and service, and to develop an appreciation for scholarly work and the scholarly endeavors in others. Alpha Kappa Mu's activities include sponsoring scholarly speakers, participating in the National Undergraduate Research Conference, and attending regional and national conferences and conventions.

FACULTY DATA DEFINITIONS

FACULTY DATA: The tables and graphs in this section of the Fact Book contain data about WMU faculty. Several of the tables use different groupings of faculty to constitute their counts. For general purposes the University describes its faculty number as 913 regular and 441 part time. Other groupings of faculty represented in the following tables are described below:

American Association of University Professors (AAUP) Reports: Each year the University participates in the national study of the salaries of full-time instructional faculty that is prepared by the American Association of University Professors. The data are prepared in compliance with the definitions supplied by the National AAUP. Data from this study are compiled in Table 36.

Bargaining Unit Faculty: The AAUP represents 860 faculty (Fall 2007), including board-appointed ranked faculty and post-doctoral fellows. “Ranked faculty” includes ranked faculty in the Library, Academic Affairs, the Career English Language Center for International Students, and the Counseling Center. Administrative positions, including department chairs and directors, are excluded from the bargaining unit. A specific listing of those included and excluded in the bargaining unit is provided in Article I of the contract between the AAUP and the University.

Term Appointment: A board-appointed faculty position represented by the AAUP that has a specific duration, usually for one year. A person in such a position is not eligible for tenure.

WMU Alumni Geographic Distribution (2008)

WMU Alumni Geographic Distribution (2008)

Total addressable alumni*

There are 167,000 WMU alumni worldwide.

About 97 percent of all WMU alumni (161,000) live in the United States.

The largest populations of WMU alumni outside the United States are in Malaysia (about 1,500), Japan (600), Thailand (400) and Canada (400).

Of the 161,000 alumni who live in the U.S., about three-fourths (121,000 alumni) live within a five-hour driving radius (300 miles) of Kalamazoo, which includes Milwaukee, Chicago, Indianapolis, Cleveland and Columbus, Ohio, and most of Michigan's Lower Peninsula.

There are 112,300 WMU alumni in Michigan.

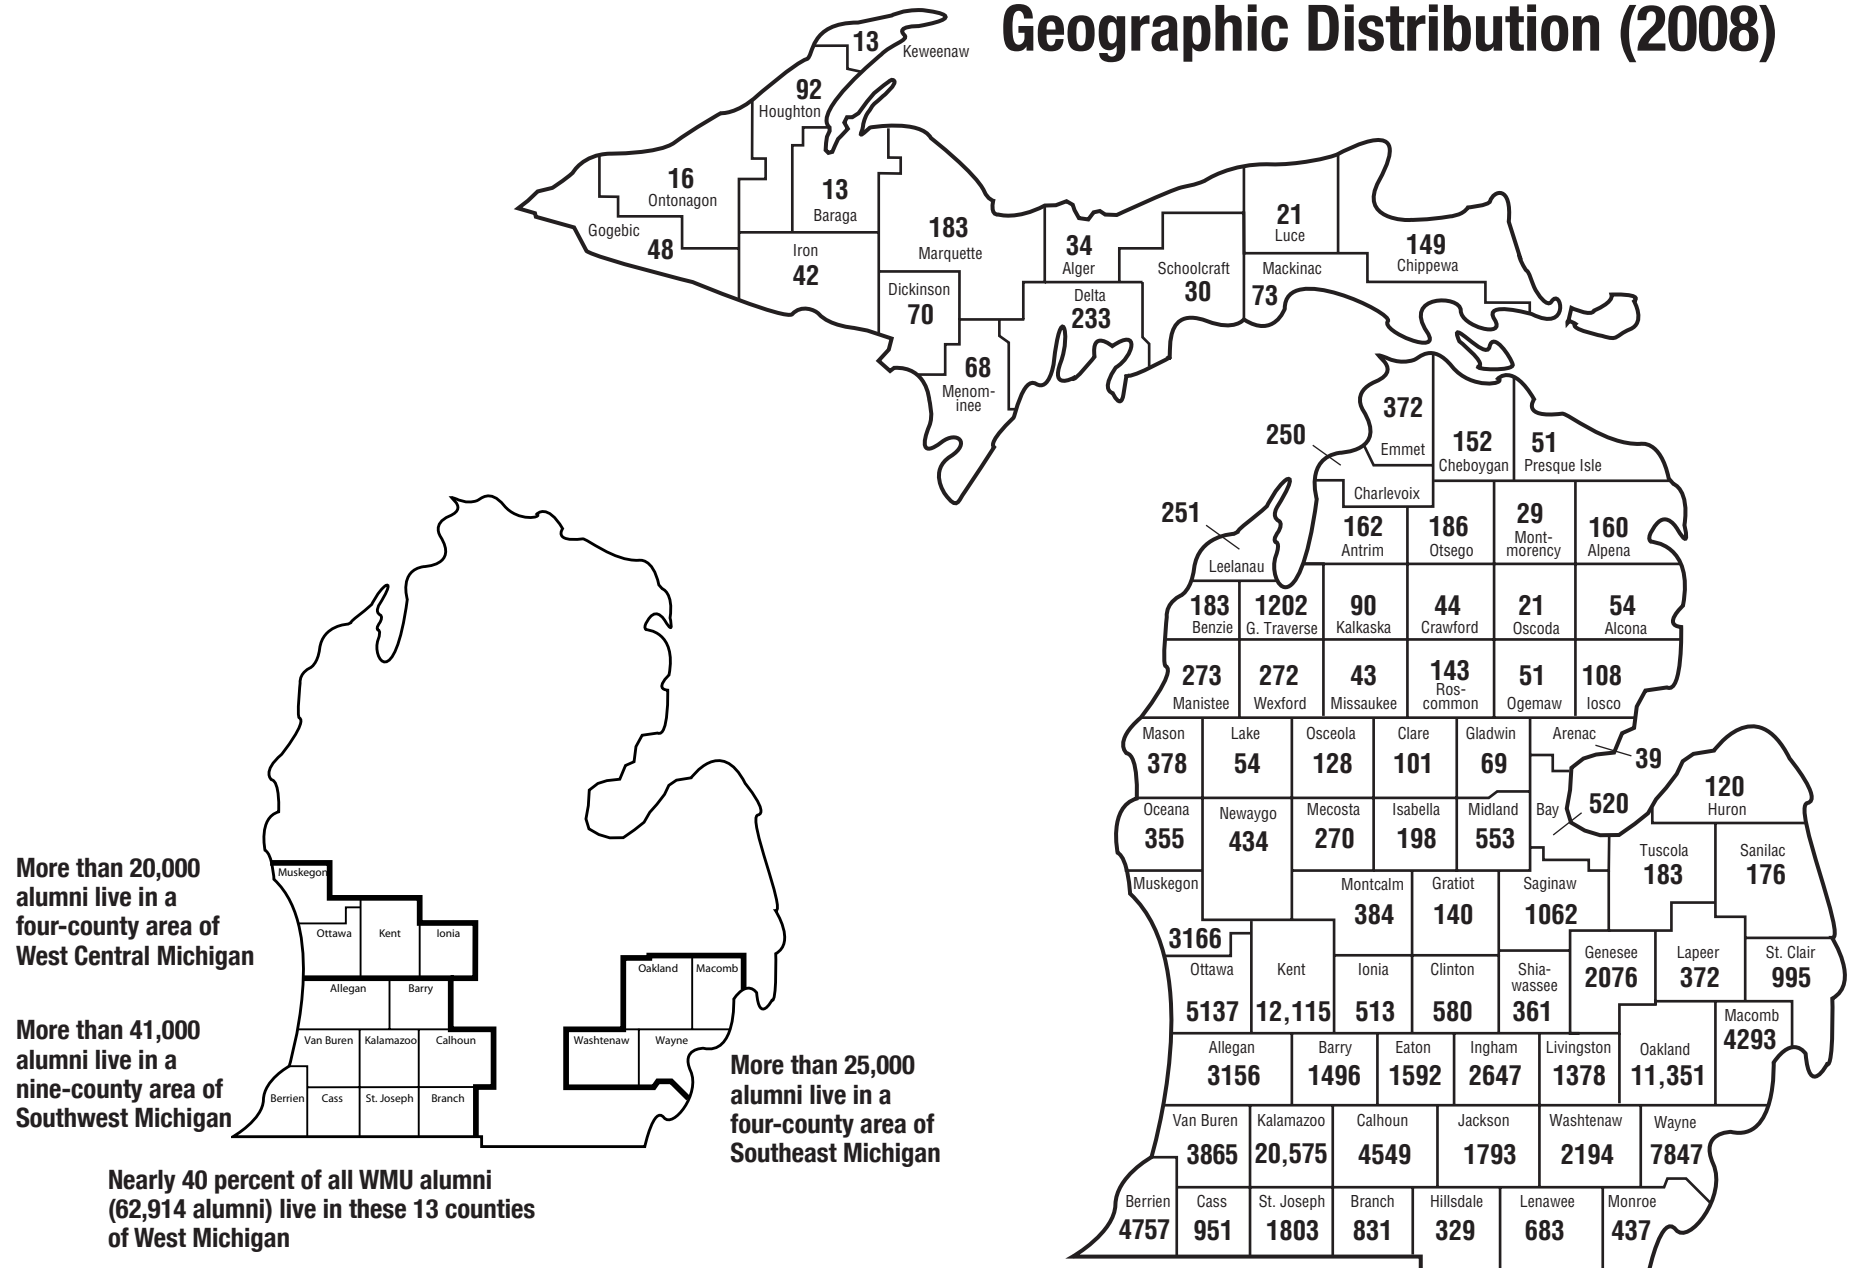

Two-thirds (67 percent) of all WMU alumni live in Michigan.

More than 90 percent of Michigan's WMU alumni live in the Lower Peninsula, south of a line extending from Muskegon County in the west to St. Clair County in the east.

*Verifiable, living alumni, includes both those who earned degrees at Western Michigan University and some former students who did not earn degrees. The WMU definition for "non-graduate alumni" has varied over the years. The alumni population is continually changing. Within one year of this report, actual alumni counts may vary by plus or minus 20 percent of the figures presented here. Population relationships and ratios are less likely to vary significantly.
