WESTERN MICHIGAN UNIVERSITY MISSION AND GOALS STATEMENT

MISSION

Western Michigan University is a learner-centered, research university, building intellectual inquiry and discovery into undergraduate, graduate, and professional programs in a way that fosters knowledge and innovation, and transforms wisdom into action. As a public university, WMU provides leadership in teaching, research, learning, and service, and is committed to enhancing the future of our global citizenry.

Vision

Nationally and internationally recognized, the University aspires to distinguish itself as learner centered, discovery driven, and globally engaged.

Learner centered. Western Michigan University is university where every member of our community is responsive to and responsible for the education of our students. We challenge and engage all members of our community with a university experience that creates skilled, life-long learners.

Discovery driven. Western Michigan University offers experiences that enable discovery, and promote creativity and research. We are committed to pursuing inquiry, disseminating knowledge, and fostering critical thinking that encourages life-long learning. Our scholarship creates new knowledge, forms a basis for innovative solutions, leads to economic development, and makes substantial contributions to society.

Globally engaged. Western Michigan University impacts the globe positively. We are a community of learners committed to human dignity, sustainability, social responsibility, and justice. Our campus embraces a diverse population of students, faculty, and staff who develop learners and leaders who are locally oriented and globally competent, culturally aware and ready to contribute to world knowledge and discovery.

GOALS

Western Michigan University's mission is characterized by its pursuit of the following institutional goals:

- Ensure a distinctive learning experience and foster the success of students
- Promote innovative learning, discovery, and service
- Advance WMU as a major research university
- Ensure a diverse, inclusive, and healthy community
- Advance social, economic, and environmental sustainability practices and policies

-Approved by the Board of Trustees 12/8/11

Introduction

Western Michigan University is a national research university with a small college feel that was founded in 1903. It is a public institution firmly focused on students succeeding on campus and in life. To that end, WMU offers a learner centered, discovery driven, and globally engaged environment in which its nearly 25,000 students from across the United States and more than 90 other countries can flourish. This dynamic environment includes the top-notch programs, faculty, facilities, and hands-on learning opportunities students need to prepare for and excel in graduate school or the workplace.

- The Carnegie Foundation classifies WMU among the nation's 147 public universities with high or very high research activity.
- Phi Beta Kappa, the nation's most prestigious honor society, has chosen to grant chapters to WMU and fewer than 100 other public institutions.
- *U.S. News & World Report* names WMU among the nation's best national universities, and has done so for 21 consecutive years.
- *The Princeton Review* includes WMU on its annual online list of the Best Midwestern Colleges.
- *Military Times* ranks WMU 34th on its list of the country's best four-year colleges for military veterans.
- The Sustainable Endowments Institute green report card puts WMU in an elite cadre of some 80 institutions nationwide that are billed as "Campus Sustainability Leaders." Only two other Michigan universities are in this elite group.

WMU offers 243 degree programs through seven degree-granting colleges: Arts and Sciences, Aviation, Education and Human Development, Engineering and Applied Sciences, Fine Arts, Haworth College of Business, and Health and Human Services. Students may choose from 141 bachelor's programs, 71 master's programs, and 30 doctoral programs. Many of these offerings have earned a national or international reputation, and several are offered close to home through regional sites in the Michigan cities of Battle Creek, Benton Harbor, Grand Rapids, Lansing, Muskegon, Royal Oak, and Traverse City.

WMU attracts faculty members who have been trained at the world's leading universities and who bring a global perspective to the classroom. These scholars conduct \$30-\$40 million in externally funded research each year and share their cutting-edge discoveries in the classroom. This robust academic environment is bolstered by some of the finest instructional facilities in the Midwest as well as a rich array of study-abroad programs, internship opportunities, research institutes and business-industry partnerships.

Despite its size, complexity and status as a major research institution, WMU remains one of the most affordable and accessible schools in Michigan. The University ranked 10th in tuition and fees among the state's 15 public universities in 2011-2012, while continuing to provide the close personal attention usually associated with small private colleges. At WMU, two-thirds of all undergraduate classes have 30 or fewer students, while first-year mentoring programs, experienced advisors and tutors, and extensive career and employment services are within easy reach.

WESTERN MICHIGAN UNIVERSITY LIBRARIES

University Libraries facilitate access to extensive online and print collections. The **Dwight B. Waldo Library** (Main) built in 1958, expanded in 1967 and renovated and expanded in 1991, is named after the University's first president. Waldo Library houses materials that support learning in the humanities, social sciences, sciences, technology and business. Among the unique circulating collections are the Ann Kercher Memorial Collection of materials on Africa south of the Sahara; the history, religion, philosophy, and culture of the Medieval period; the Randall Frazier Memorial Collection of the history and culture of Black America; the Leslie H. Wood Memorial Collection of materials in the fields of geography and geology; an extensive collection of maps and atlases; and U.S. and Michigan government documents. The Department of Special Collections, located on the third floor of Waldo Library, houses over 140 medieval manuscripts and over 40,000 rare books, including medieval manuscript facsimiles, children's literature and American women's poetry.

The **Education Library**, located in Sangren Hall, offers more than 732,000 items, including the Education Resources Information Center documents. Located in the Dalton Center, the **Harper C. Maybee Music and Dance Library** houses over 56,000 books, periodicals and music scores. Its collection of more than 23,000 sound and video recordings includes concerts from the WMU School of Music. Listening and viewing facilities are available. The **Archives and Regional History Collections Library**, located in East Hall on East Campus, houses unique materials on southwest Michigan, including manuscripts of its early residents. This library serves as the Regional Depository of the State Archives for public records and collects, preserves, and makes accessible University records.

EUP Vision Statement

To inspire, enable, and encourage lifelong learning through educational access, personal growth, and professional development opportunities - one individual, one class, and one preferred learning style at a time.

EUP Mission Statement

EUP provides University leadership in lifelong learning and innovation through educational technologies and outreach. EUP serves as the bridge to engage diverse populations.

Academic Programming

Extended University Programs delivers academic programs in partnership with WMU academic colleges and departments.

- Four undergraduate programs and seven graduate programs are available through online education.
- Five undergraduate programs and 18 graduate programs are available through regional locations.

Visit www.wmich.edu/offcampus for a complete list of program locations and availability.

About EUP

Extended University Programs offers academic and non-credit programming at eight regional locations and through online education. EUP has delivered WMU programming outside of Kalamazoo since 1908. EUP is composed of five distinct divisions that work collaboratively to provide educational opportunities across Michigan and beyond:

- Regional locations in Battle Creek, Benton Harbor, Grand Rapids (Beltline and Downtown), Lansing, Muskegon, Royal Oak, and Traverse City.
- Online education, offering online semester-based and open learning (those that provide flexible course completion timelines) courses.
- Non-credit and professional development courses and support, including conferencing.
- The Lifelong Learning Academy, which provides intellectual and cultural stimulation, personal growth, and social engagement for adults in an informal, learning atmosphere.
- General University Studies, a degree completion program, offering either a Bachelor of Arts or a Bachelor of Science.

LEE HONORS COLLEGE

Page 1 of 2

The mission of the Carl and Winifred Lee Honors College is to provide a lively, rigorous undergraduate experience for academically talented and highly motivated students. We will do this by focusing on the quality of each student's undergraduate experience. The signature organizing principle for the Lee Honors College is the creation of "The Distinctive Student." Our mission is to help students become distinctive in a way of their own choosing. This principle shapes what we do in the Lee Honors College. Students are our most important partners in this endeavor. We believe that becoming a distinctive student will provide students with a realistic opportunity to position themselves for a successful career and life.

The Lee Honors College was founded in 1962 and remains a well-respected center for academic honors education among the 500 institutional members of the National Collegiate Honors Council.

Over 1,530 students participate in a learning environment that provides undergraduates with the ambience and benefits of a small private college but with the resources and diverse programs of a major university. The Lee Honors College offers a four-year academic program, co-curricular activities, and special opportunities to complement all disciplinary majors.

Students take a minimum of six honors courses, which can include a research-oriented independent study, study abroad, or an internship. Students are offered an opportunity to take linked courses (clusters) built on the learning community model. A cohort group of students enroll in two courses where connections among the disciplines can be drawn and assignments are made that are common to the linked classes. Varieties of clusters are offered every semester, including Science and Technology, Exploring the Humanities, Biomedical Sciences, and Environmental Studies. Upper-level honors courses generally provide students with a range of special topics and interdisciplinary approaches to issues, events, or problems. All students are required to participate in community service.

A thesis, design project, or performance serves as a capstone to the four-year program. This integrative activity focuses and applies the knowledge and skills of the entire honors program through critical thinking and creative expression. Upon completion of the honors program, students graduate from the Lee Honors College with recognition in the commencement program, on the diploma, and with special notation on the academic transcript.

To assist students in the thesis process, there is the Dean's Summer Research Thesis Award. The Lee Honors College also offers several study abroad scholarships. Unique opportunities are provided through various internships for honors students to learn from valuable contacts with experts in a variety of fields and for each student to gather data for his or her thesis. The Lee Honors College also provides grants for students wishing to study abroad.

On behalf of the University, The Lee Honors College recruits and prepares qualified applicants for prestigious scholarships: The Rhodes, The Gates Cambridge, The British Marshall, The Goldwater, The Truman, Fulbright, The Mellon Fellowship, and The Morris K. Udall Scholarship. Highly qualified WMU candidates have recently been recognized nationally; these include two Truman finalists, one Truman winner, two Goldwater winners, four Morris K. Udall winners, two state finalists for the Rhodes and The British Marshall, and three Rotary International Ambassadorial Scholarships.

DEFINITIONS OF TERMS USED IN THE 2011-2012 FACT BOOK

All Students indicates all students taking courses at WMU, including regional sites.

Bargaining unit faculty are those faculty appointed by the Board of Trustees who are represented by the WMU chapter of the American Association of University Professors (AAUP). As such, they all have academic rank. Most of the positions have an instructional function; however, some, notably those in the library and counseling center, are not instructional and are omitted from counts that specify instructional faculty. See [Faculty Information, Faculty Data Definitions](#) for more detail about definitions of items related to faculty.

Census refers to the first business day after the drop/add period of a semester.

Curriculum is now referred to as “Program.”

Data on Students Enrolled is a statistical summary report based on census enrollment.

Degree-seeking students are those students who are officially admitted to the University in a degree program as either full-time or part-time students.

FYES is an abbreviation for Fiscal Year Equated Students. To calculate FYES, the total student credit hours (SCH) for the fiscal year are grouped by student level. The SCH at the undergraduate level are divided by 30, SCH at the master’s level are divided by 24, and doctoral and specialist credits are divided by 16. FYES is commonly used among Michigan colleges and universities to provide comparative enrollment data. FYES should be distinguished from the definition of

individual students who attend full-time or part-time.

FTIAC stands for First Time In Any College and refers to full-time, degree-seeking, undergraduate students enrolled for the first time in any college.

Full-time instructional faculty refers to instructional bargaining unit faculty and academic department chairs who are full-time. Inclusion and exclusion of individuals are based on the instructions for reporting to government agencies, i.e., IPEDS. (See [Faculty Information, Faculty Data Definitions](#) for more detail about definitions of items related to faculty.)

Full-time student/part-time student refers to the classification of individual students based on the number of credits each is carrying in a semester. Undergraduates are considered full-time when they take 12 or more credits during the fall or spring and 6 credit hours during the summer sessions. Graduate (master’s, specialist, and doctoral) students are considered full-time when they take 6 or more credits during the fall or spring and at least 3 credits during the summer sessions.

IPEDS stands for Integrated Postsecondary Education Data System, a system for annual reporting of institutional data to the federal government.

Major is a concentration of related courses generally consisting of 30 to 50 semester hours of credit. A student may have more than one major.

Program is a complete program of study, as defined by a college, leading to a degree.

Student Credit Hours (SCH) is the enrollment in a course multiplied by the credit hour value of the course. For example, if 30 students attend a three credit hour course, the SCH for that course is 90. The total SCH for the University is the sum for all course sections.

Student headcount is the count of individual students enrolled for one or more credit-bearing courses during the time period illustrated. This count is taken at the same time each semester (Census Day) as set by the Board of Trustees.

Note: Full-time/part-time status for each row is determined by the credit hours taken at the indicated campus. For example, an undergraduate student taking 12 main campus credits and three EUP credits would be counted as full-time on the main campus, part-time in EUP and full-time based on total hours. As a result, full-time main campus plus full-time EUP may not equal the full-time total.

MEDALLION SCHOLARSHIP PROGRAM 2011-2012

THE PROGRAM

The Western Michigan University Medallion Scholarships were created in 1984 under the leadership of Trustee Emeritus J. Michael Kemp. These \$50,000 awards are among the largest merit-based scholarships at any public university in the United States. These awards have been made possible through the generosity of alumni, friends, corporations, foundations, and other organizations. More than 15,000 outstanding high school seniors from numerous states have participated in the Medallion Program since its inception. A total of 494 students have been named Medallion Scholars and have received the top awards totaling more than six million dollars.

Competition Day, 2011

No. of students invited	1,539
No. of student competitors	682
No. of parent participants	904
No. of high schools represented	339
No. of states represented	11
No. of cities represented	308

COMPETITION ELIGIBILITY

Students who are U.S. citizens or legal residents, who have a cumulative GPA of 3.70 on a 4.0 scale at the end of their junior year and an ACT composite score of 26 (SAT math + reading of 1170), and who applied to WMU by December 2nd were invited to the competition.

THE SCHOLARSHIPS

Medallion Scholarships, \$50,000: These awards represent the highest honor an incoming WMU freshman can receive. Up to 20 Medallion Scholarships will be awarded to those students who demonstrate the highest academic promise (\$12,500 per year).

Dean's Scholarships: These awards are given to students who participate in the Medallion competition and are not awarded a Medallion Scholarship. Finalists in the Medallion competition will receive \$6,000 over two years. All remaining competitors will receive \$3,000 for one year. In addition, Dean's Scholarship recipients who live in the residence halls in both the 2011-12 and 2012-13 academic years will be awarded a \$4,000 Residence Hall Award for the 2012-13 academic year.

Scholarships Accepted

Medallion	19
Dean's	225

SELECTION CRITERIA

After the on-campus competition, the top 40 scoring participants are invited back to campus to interview with the Medallion Selection Committee. Scholarships in the Medallion Program are awarded based on performance during the competition and the second-round interviews, without regard to financial need.

CAMPUS LIFE

The Division of Student Affairs

Student Affairs fosters involvement, growth, and development in safe, healthy, and inclusive learning environments. All of the programs and services within the division are intentionally designed to support the academic mission of the University, create and sustain optimal learning environments both in and outside of the classroom, and provide appropriate challenge and support for students. A vital component of WMU, Student Affairs helps to guide the development of students into responsible citizens and future leaders.

Residence Life

Residence Life strives to create living-learning environments where students learn, grow, and develop into successful members of the University community. Learning is woven into all aspects of the residence life experience through programs, academic resources and services, opportunities for involvement, and living-learning themes.

Residential learning communities exist in most halls, including academic learning communities connected to WMU academic colleges. Specialized housing also exists for transfer students.

Opportunities for involvement and leadership development are numerous and include attending hall programs, holding leadership positions in the hall, and serving on campus-wide residence life committees.

Approximately 4,800 students live in the 13 residence halls on campus. Each hall offers a different living option, whether it is suite-style or traditional community option, upper class-only halls, extended quiet hours, or Super Singles. Approximately 800 students live in on-campus apartments. The brand new Western View apartments opened in August 2011 and house up to 327 upper class and graduate students in one, two, three, and four bedroom apartments, with both furnished and unfurnished options available.

For more information about Residence Life, please visit www.wmich.edu/housing or call (269) 387-4735.

Student Activities & Leadership Programs

The Office of Student Activities and Leadership Programs encompasses these areas:

- Advising and support services for student organizations
- Greek Life
- Campus-wide programming
- Leadership development and volunteer services
- Faith and spiritual development/Kanley Memorial Chapel

There are over 350 registered student organizations and agencies representing approximately 10,000 – 12,000 members.

- 5 percent of the WMU undergraduate population belongs to a fraternity or sorority organization
- The Office of Faith and Spiritual Development supports 20 campus ministries

Student organizations by category include:

- Academic
- Cultural/International
- Faith and Spiritual
- Fine Arts
- Greek Life
- Honorary Societies
- Media
- Political/Social Action
- Service Based
- Special Interest
- Sports and Recreation
- Student Government

Annual campus events include:

(Numbers reflect participants, and some are approximations)

- Bronco Bash – 25,000
- Student leadership retreats and conferences – 300
- Fraternity and sorority recruitment – 300
- Homecoming – 3,000

- CAB concerts – 2,000
- CAB comedy events – 4,300
- Spring/Fall Into the Streets (Service Programs) – 1,300

Counseling Services

Counseling Services, located in the Sindecuse Health Center, is dedicated to helping students deal with educational, career, and personal issues. The Counseling Services clinical team comprises both faculty and staff, including licensed psychologists and nationally Board Certified licensed professional counselors who provide psychological services including the following:

- Psychological intake
- Evaluation
- Assessment
- Individual, couples, group, and career counseling
- Crisis intervention
- Outreach services

The Counseling Services Department also offers graduate assistantships in both personal and career counseling.

Student Conduct

The Office of Student Conduct (OSC) enhances student learning and personal development by creating an educationally purposeful, disciplined, and caring community. OSC staff educates students and the campus community on student rights and responsibilities. The conduct process is focused on promoting character development, citizenship, civility, and diversity.

- Alleged violations of the student code are resolved through an educationally based process.
- OSC staff collaborates with the Professional Concerns Committee within Faculty Senate to manage and facilitate the academic integrity process. OSC provides training for faculty and student members of the Academic Integrity Hearing panels.
- OSC staff provides training for administrative hearing panel members, the University Appeals Board, and student conduct boards.

Career and Student Employment Services

Career and Student Employment Services empowers students to develop the skills necessary for reaching their career goals. Services include career advising, career assessments, resume and cover letter advice, centralized job listings, career development workshops, and several annual campus job fairs.

- Campus jobs are available for enrolled students only. Competition is steep, as many students keep campus jobs through to graduation.
- Working part-time (on or off campus) while enrolled helps students prioritize tasks and master time management. A student will earn around \$7,000, working an average of 20 hours per week throughout the year.
- Students who qualify for Michigan or Federal Work Study can work on campus or in an approved non-profit agency in the Kalamazoo area to earn their award. Apply for Work Study as part of the comprehensive FAFSA (financial aid) application.
- Students are encouraged to attend programs and events to build career knowledge and skills. Several career fairs and other networking events are held each year to expose students to employers and their employment expectations.
- The average 2009 starting salary for an undergraduate from WMU was \$36,000. (Based on student reported salaries from the New Graduate Survey, 2009. More than 70 percent reported working in Michigan after graduation.)
- www.wmich.edu/career is the website for Career and Student Employment Services and includes job openings for students and graduates; dates of all upcoming job fairs in the Midwest; and resources for interviewing, resume preparation, and networking.

Disability Services for Students

Disability Services for Students provides for nearly 700 students who have identified themselves as having disabilities. Disabilities include but are not limited to:

Chronic illness – allergies, cancer, cardiac, MS, fibromyalgia, etc.

Cognitive issues – ADHD, LD, traumatic brain injury, etc.

Emotional/psychological – depression, anxiety, bi-polar, etc.

Physical – hearing, vision, mobility

Temporary – surgeries, broken bones, etc.

- Participates with the Multipurpose Enabling Technology Laboratory (METL). METL is a computer lab with adaptive equipment to assist students with a variety of disabling conditions.
- Subsidizes on-campus transportation for students with mobility issues who have been authorized through Metro Transit. The County Connect van is a wheelchair lift equipped vehicle that may be scheduled for regular rides on campus. Students with mobility and blindness or low vision may be eligible to ride the County Connect van.
- Provides alternative formatting for textbooks and other printed materials. Formats include enlarged print and scanning services, which allow students access to screen readers and font size manipulation.

Sindecuse Health Center

The Sindecuse Health Center offers comprehensive services in an outpatient care setting to students, faculty, staff, retirees, and dependents aged 12 years and over. Experienced, multidisciplinary personnel provide convenient and cost-effective services in a caring environment. Services include:

- evaluation and treatment of acute and chronic illnesses and injuries
- preventive health check-ups
- psychiatry and counseling services
- medical social work services
- physical therapy and athletic training services
- periodic health monitoring
- laboratory testing and x-rays
- full-service pharmacy
- health promotion programs

The Accreditation Association for Ambulatory Health Care (AAAHC) is the accrediting organization for Sindecuse Health Center. In the past school year, there were 87,070 total visits to the health center, and the pharmacy filled 86,264 prescriptions.

The medical staff includes board-certified physicians in the specialties of internal medicine, family practice, pediatrics, occupational health, and psychiatry as well as certified and licensed physician assistants, licensed physical therapists, certified athletic trainers, licensed counselors and social workers, and consultants in adolescent medicine, orthopedics, and podiatry. The nursing staff includes college health-certified registered nurses and certified medical assistants. The diagnostic services staff is composed of registered medical technologists and radiographers.

Health services include:

- routine medical care by appointment
- same-day care clinic
- occupational medicine program
- women's and men's reproductive health care
- evaluation and treatment for ADD and other learning disabilities*
- physical therapy and athletic training
- podiatric care
- mental health services*
- orthopedic evaluation

The nursing staff provides pregnancy testing, immunizations, TB skin testing, allergy injections, international travel consultations, smoking cessation assistance, and other services. The health promotion department offers nutrition counseling, massage therapy, peer education, sexual assault resource center, student theater productions for the promotion of healthy choices, and a variety of educational resources. The medical social work department provides HIV counseling, testing, and education and provides crisis intervention, short-term counseling, case management, and advocacy services to the University community. Our sports medicine department and international travel clinics are also open to the community. Counseling services offers career assessment and counseling to WMU students and nonstudents.

*Services available for students only.

University Recreation

University Recreation (UR) is committed to creating healthy environments that engage students and the university community in learning and personal development. As the administrating unit of the Student Recreation Center (SRC), the department caters to a diverse population of internal and external patrons, as well as regional and state organizations.

University Recreation continues to contribute to WMU's ability to recruit and retain students, faculty and staff by offering programs and services that meet the needs and expectations of this constituency.

During 2011, over 387,000 accesses were recorded through the turnstiles where the campus community engaged in some form of leisure activity. Ninety-five percent (95%) of survey respondents indicated they used the SRC more than once per week. Through a survey assessment conducted in 2011, students using the SRC noted the following top three changes about themselves: more energy, less stress, and greater self-esteem. Students also indicated that their use of the SRC assisted them with healthy choices/habits, confidence, appreciation of diversity, and time management.

University Recreation employs six professional staff, six graduate assistants, and 260 student employees who support the vision for a positive, healthy and active lifestyle through recreational programs and services.

- Over 1,700 fitness classes with 17,772 participants were tracked in various fitness and wellness programs by UR in 2011.
- Intramural Sports offered 33 different sports ranging from flag football to badminton, with nearly 8,500 participants. Intramural Sports played 3,800 games with 100 officials for 1,450 teams; over 1,000 climbing wall participants with 700 being resident hall participants in the 2010-2011 academic year.

- The SRC is 240,000 square feet of activity space that also accommodates a series of rentals and special events. In 2011, there were 4,360 tours of the SRC with 42,020 visitors.
- The SRC is in operation 102 hours a week in the fall and 108 hours a week in the spring. The Seelye Center is open 25 hours a week for sport clubs and intramural sports.
- The SRC is the host site for the WMU Health and Wellness Expo, International Sport Night, Special Olympics, Goal Ball Tournament, Finals Finish, Cereal City Gymnastics competition, high school grad bashes, and many other community events.

The Western Herald

The Western Herald is Western Michigan University's student newspaper. The Herald provides daily news at www.westernherald.com; it is published in print Mondays and Thursdays during the fall and spring semesters, and Mondays during the summer I and summer II sessions. Throughout the year, the Herald also publishes several special sections on topics of interest to students. Students at the Western Herald gain practical experience for careers in journalism, communications, Web site development, printing, graphic arts, design, advertising sales, business, management, and photography, among others.

- During an academic year, more than 80 students are involved in publishing the Western Herald. Their commitment ranges from the editor, who averages 22 hours per week, to reporters who may contribute one story per week.
- The Herald budget is approximately \$550,000 annually, which is generated by student sales of classified and display advertising. The Herald receives no university funding.

Division of Multicultural Affairs

Mission Statement

To support the University's efforts in the attraction, persistence, and graduation of diverse students through programs and services that will enable them to contribute to the advancement of our campus community and a multicultural world.

Center for Student Learning and Development:

Martin Luther King, Jr. Academy - The Martin Luther King Jr. Academy is a four-tiered comprehensive program designed to offer academic, social, and professional development support and services that assist program participants from their first year at WMU through graduation. At each level, students are provided academic course review and coaching, tutoring, campus life/socialization, as well as cultural and wellness education and programming.

Steps Toward Exhibiting Mastery (STEM) Program - The STEM Program is designed to promote student success and to increase college graduation rates for students who experience challenges academically and/or economically. Eligible students are provided academic support through tutoring, mentoring, counseling/advising referrals, multicultural activities, educational seminars, career and graduate school planning, and other resources designed to enhance their education and college experience, as well as to enable them to achieve a post-secondary degree.

Michigan Campus Compact Service-Learning Project - The Michigan Campus Compact Service-Learning Project engages WMU students in service-learning opportunities that address issues around college access for youths and families who historically are less likely to attend college. Service learners go out to local schools and community-based organizations and provide tutoring and information to ensure an understanding of the process, and assist with preparation for a post-secondary education.

Alpha Kappa Mu Honor Society - The Alpha Kappa Mu Honor Society at WMU is a member of the National Association of College Honor Societies. Initiated at WMU in 1989, it is the only chapter of Alpha Kappa Mu in the state of Michigan. The purpose of the Alpha Kappa Mu Honor Society is to promote high scholarship, encourage sincere and zealous endeavors in all fields of knowledge and service, and develop an appreciation for scholarly work and scholarly endeavors in others.

Center for Pre-College Initiatives:

MI GEAR UP - The MI GEAR UP Program provides an opportunity for high school students to discover firsthand the potential of a college education, and to expose students to the information, knowledge, and skills necessary to complete high school and to prepare adequately for college entry and success.

Upward Bound Program - The Upward Bound Program provides support to participants for success in their high school performance. Upward Bound serves low-income and/or first generation high school students who are preparing to enter post-secondary institutions.

WESTERN MICHIGAN UNIVERSITY

FACULTY DATA DEFINITIONS

Faculty Data: The tables and graphs in this section of the Fact Book contain data about WMU faculty. Several of the tables provide faculty headcounts based on different categorizations.

For general purposes the University describes its faculty number as 915 regular and 522 part-time. Other groupings of faculty represented in the following tables are described below:

American Association of University Professors (AAUP) Reports: Each year, the University participates in a national study of the salaries of full-time instructional faculty prepared by the American Association of University Professors. The data are prepared in compliance with the definitions supplied by the National AAUP. Data from this study are compiled in Table 36.

Bargaining Unit Faculty: The AAUP represents 864 faculty (Fall 2011), including board-appointed ranked faculty. Ranked faculty includes ranked faculty in the Library, Academic Affairs, the Career English Language Center for International Students, and the Counseling Center. Administrative positions, including department chairs and directors, are excluded from the bargaining unit. A specific listing of those included and excluded in the bargaining unit is provided in Article I of the contract between the AAUP and the University.

Term Appointment: Term appointment refers to a board-appointed faculty position represented by the AAUP that has a specific duration, usually one year. A person in such a position is not eligible for tenure.

WMU Alumni Geographic Distribution (2012)

Total addressable alumni*

There are 180,000 WMU alumni worldwide.

About 96 percent of all WMU alumni (173,700) live in the United States.

The largest populations of WMU alumni outside the United States are in Malaysia (about 1,500), India (800), Japan (600), Canada (400), China (600) and Thailand (400).

Of the 173,700 alumni who live in the U.S., about three-fourths (130,000 alumni) live within a five-hour driving radius (300 miles) of Kalamazoo, which includes Milwaukee, Chicago, Indianapolis, Cleveland and Columbus, Ohio, and most of Michigan's Lower Peninsula.

There are 120,781 WMU alumni in Michigan.

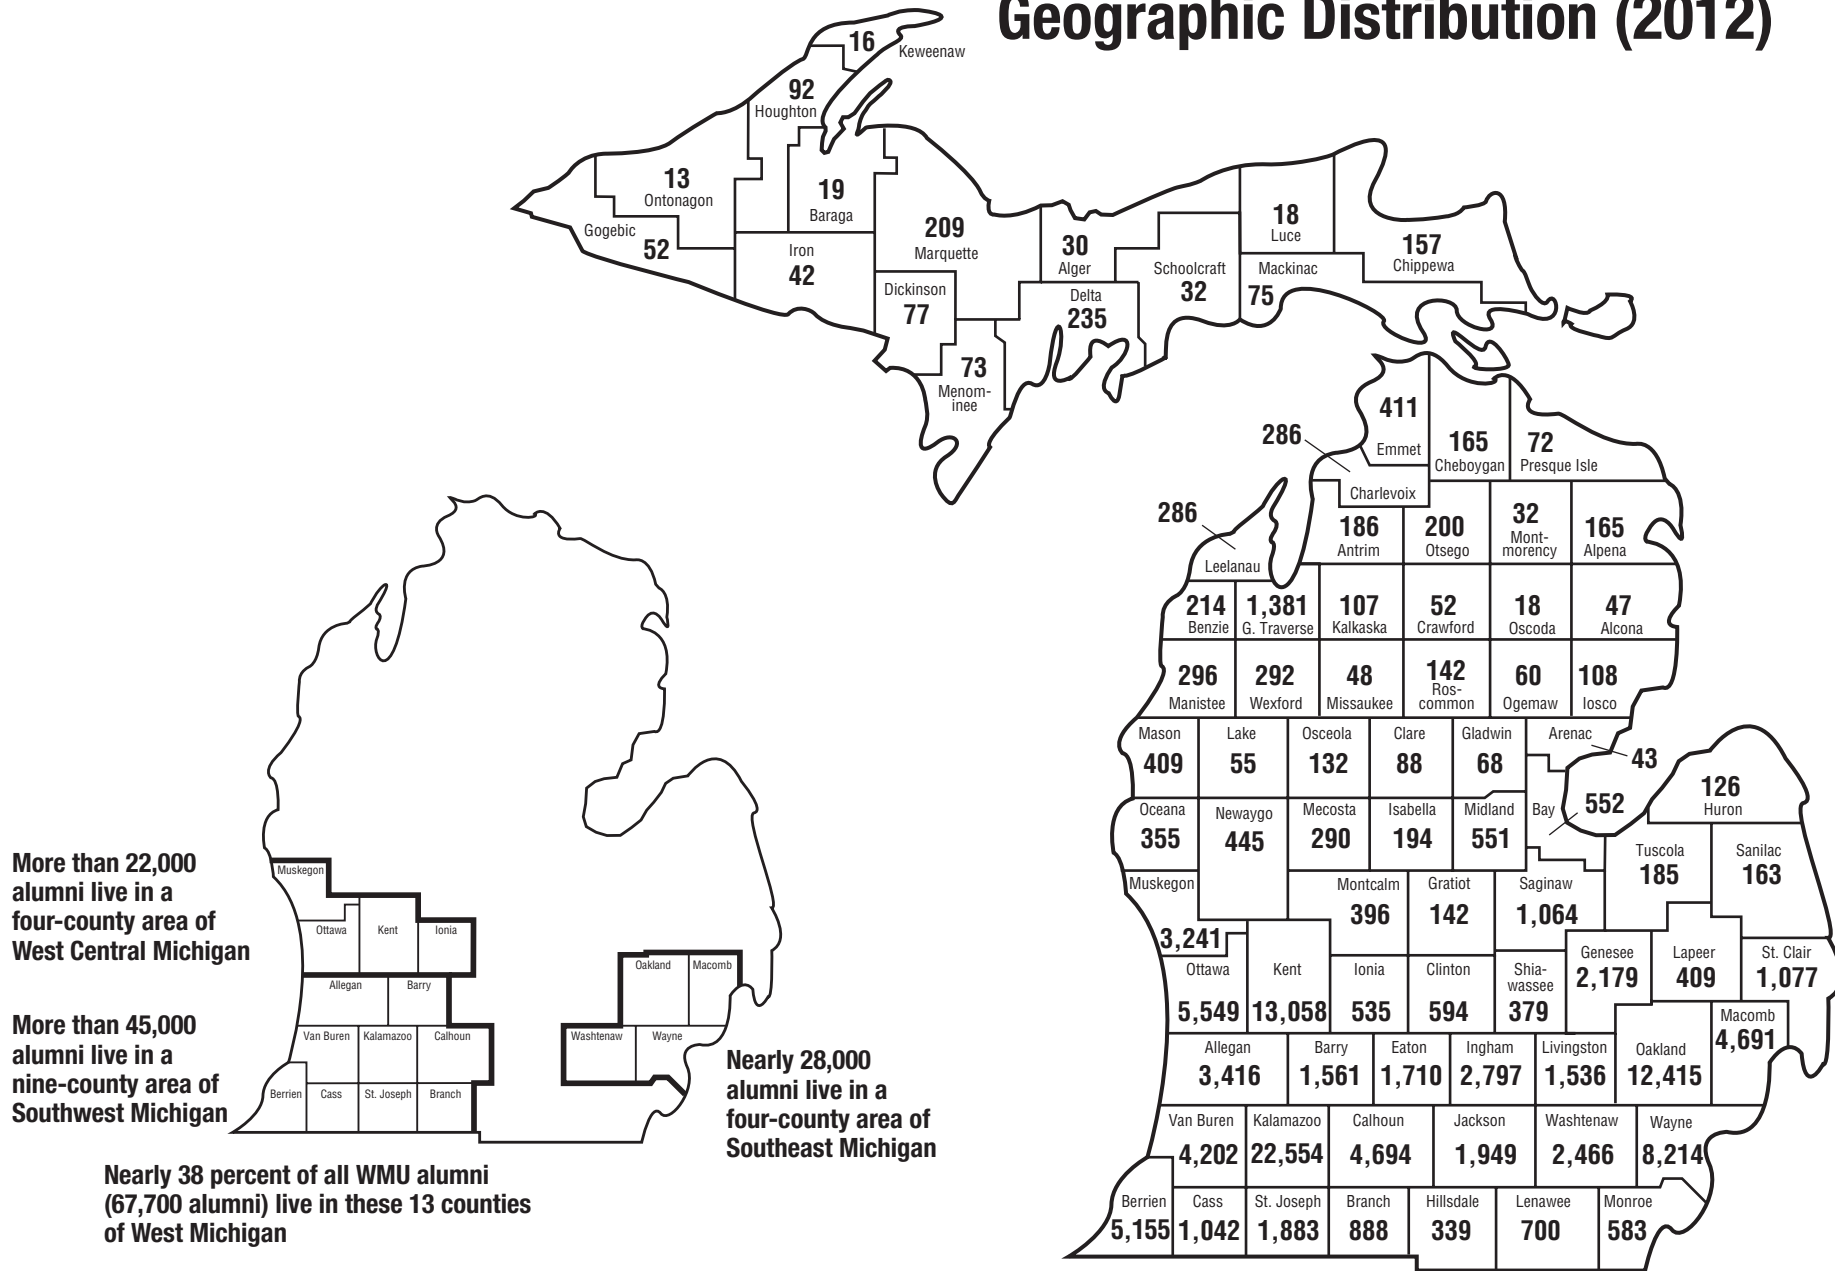

Two-thirds (67 percent) of all WMU alumni live in Michigan.

More than 90 percent of Michigan's WMU alumni live in the Lower Peninsula, south of a line extending from Muskegon County in the west to St. Clair County in the east.

*Verifiable, living alumni, includes both those who earned degrees at Western Michigan University and some former students who did not earn degrees. The WMU definition for "non-graduate alumni" has varied over the years. The alumni population is continually changing. Within one year of this report, actual alumni counts may vary by plus or minus 20 percent of the figures presented here. Population relationships and ratios are less likely to vary significantly.
