WESTERN MICHIGAN UNIVERSITY MISSION AND GOALS STATEMENT

MISSION

Western Michigan University is a learner-centered, research university, building intellectual inquiry and discovery into undergraduate, graduate, and professional programs in a way that fosters knowledge and innovation, and transforms wisdom into action. As a public university, WMU provides leadership in teaching, research, learning, and service, and is committed to enhancing the future of our global citizenry.

Vision

Nationally and internationally recognized, the University aspires to distinguish itself as learner centered, discovery driven, and globally engaged.

Learner centered. Western Michigan University is university where every member of our community is responsive to and responsible for the education of our students. We challenge and engage all members of our community with a university experience that creates skilled, life-long learners.

Discovery driven. Western Michigan University offers experiences that enable discovery, and promote creativity and research. We are committed to pursuing inquiry, disseminating knowledge, and fostering critical thinking that encourages life-long learning. Our scholarship creates new knowledge, forms a basis for innovative solutions, leads to economic development, and makes substantial contributions to society.

Globally engaged. Western Michigan University impacts the globe positively. We are a community of learners committed to human dignity, sustainability, social responsibility, and justice. Our campus embraces a diverse population of students, faculty, and staff who develop learners and leaders who are locally oriented and globally competent, culturally aware and ready to contribute to world knowledge and discovery.

GOALS

Western Michigan University's mission is characterized by its pursuit of the following institutional goals:

- Ensure a distinctive learning experience and foster the success of students
- Promote innovative learning, discovery, and service
- Advance WMU as a major research university
- Ensure a diverse, inclusive, and healthy community
- Advance social, economic, and environmental sustainability practices and policies

-Approved by the Board of Trustees 12/8/11

Introduction

Western Michigan University is a national research university with a small college feel that was founded in 1903. It is a public institution firmly focused on students succeeding on campus and in life. To that end, WMU offers a learner centered, discovery driven, and globally engaged environment in which its nearly 25,000 students from across the United States and more than 100 other countries can flourish. This dynamic environment includes the top-notch programs, faculty, facilities, and hands-on learning opportunities students need to prepare for and excel in graduate school or the workplace.

- The Carnegie Foundation classifies WMU as one of the nation's 207 research universities.
- Phi Beta Kappa, the nation's most prestigious honor society, has chosen to grant chapters to WMU and fewer than 100 other public institutions.
- *U.S. News & World Report* names WMU among the nation's best national universities, and has done so for 23 consecutive years.
- *The Princeton Review* includes WMU on its annual online list of the Best Midwestern Colleges.
- *Military Times* ranks WMU 80th on its list of the country's best four-year colleges for military veterans.
- The Sustainable Endowments Institute green report card puts WMU in an elite cadre of some 80 institutions nationwide that are billed as "Campus Sustainability Leaders."

WMU offers 245 degree programs through seven degree-granting colleges: Arts and Sciences, Aviation, Education and Human Development, Engineering and Applied Sciences, Fine Arts, Haworth College of Business, and Health and Human Services. Students may choose from 142 bachelor's programs, 72 master's programs, and 30 doctoral programs. Many of these offerings have earned a national or international reputation, and several are offered close to home through regional sites in the Michigan cities of Battle Creek, Benton Harbor, Grand Rapids, Lansing, MetroDetroit, Muskegon, and Traverse City.

WMU attracts faculty members who have been trained at the world's leading universities and who bring a global perspective to the classroom. These scholars conduct \$20-\$30 million in externally funded research each year and share their cutting-edge discoveries in the classroom. This robust academic environment is bolstered by some of the finest instructional facilities in the Midwest as well as a rich array of study-abroad programs, internship opportunities, research institutes and business-industry partnerships.

Despite its size, complexity and status as a major research institution, WMU remains one of the most affordable and accessible schools in Michigan. The University ranked 9th in tuition and fees among the state's 15 public universities in 2013-14, while continuing to provide the close personal attention usually associated with small private colleges. At WMU, more than two-thirds of all undergraduate classes have 30 or fewer students, and first-year mentoring programs, experienced advisors and tutors, and extensive career and employment services are within easy reach.

WESTERN MICHIGAN UNIVERSITY LIBRARIES

University Libraries facilitate access to extensive online and print collections. The **Dwight B. Waldo Library** (Main) built in 1958, expanded in 1967 and renovated and expanded in 1991, is named after the University's first president. Waldo Library houses materials that support learning in the humanities, social sciences, sciences, technology and business. Among the unique circulating collections are the Ann Kercher Memorial Collection of materials on Africa south of the Sahara; the history, religion, philosophy, and culture of the Medieval period; the Randall Frazier Memorial Collection of the history and culture of Black America; the Leslie H. Wood Memorial Collection of materials in the fields of geography and geology; an extensive collection of maps and atlases; and U.S. and Michigan government documents. The Department of Special Collections, located on the third floor of Waldo Library, houses over 150 medieval manuscripts and over 27,000 rare books, including medieval manuscript facsimiles, children's literature and American women's poetry.

The **Education Library**, located in Sangren Hall, offers more than 59,000 items, plus the Education Resources Information Center documents on microfiche. Located in the Dalton Center, the **Harper C. Maybee Music and Dance Library** houses over 53,000 books, periodicals and music scores. Its collection of more than 17,000 sound and video recordings includes concerts from the WMU School of Music. Listening and viewing facilities are available. The **Archives and Regional History Collections Library**, located in East Hall on East Campus, houses unique materials on southwest Michigan, including manuscripts of its early residents. This library serves as the Regional Depository of the State Archives for public records and collects, preserves, and makes accessible University records.

EUP Vision Statement

To inspire, enable, and encourage lifelong learning through educational access, personal growth, and professional development opportunities - one individual, one class, and one preferred learning style at a time.

EUP Mission Statement

EUP provides University leadership in lifelong learning and innovation through educational technologies and outreach. EUP serves as the bridge to engage diverse populations.

Academic Programming

Extended University Programs delivers academic programs in partnership with WMU academic colleges and departments. A variety of undergraduate degree programs, graduate certificates, and graduate degree programs are offered at regional locations and through online education.

Visit www.wmich.edu/extended for a complete list of program locations and availability.

About EUP

Extended University Programs offers academic and non-credit programming at eight regional locations and through online education. EUP has delivered WMU programming outside of Kalamazoo since 1908. EUP is composed of five distinct divisions that work collaboratively to provide educational opportunities across Michigan and beyond:

- Regional locations in Battle Creek, Benton Harbor, Grand Rapids (Beltline and Downtown), Lansing, Muskegon, Royal Oak, and Traverse City.
- Online education, offering online semester-based and open learning (those that provide flexible course completion timelines) courses and programs.
- Non-credit and professional development courses and support, including conferencing.
- The Lifelong Learning Academy, which provides intellectual and cultural stimulation, personal growth, and social engagement for adults in an informal, learning atmosphere.
- University Studies, a degree completion program, offering either a Bachelor of Arts or a Bachelor of Science.

LEE HONORS COLLEGE

Page 1 of 2

The mission of the Carl and Winifred Lee Honors College is to provide a lively, rigorous undergraduate experience for academically talented and highly motivated students. The Lee Honors College was founded in 1962 and currently enrolls more than 1,600 undergraduate students representing all seven of the WMU academic colleges. Our diverse student body is pursuing over 150 different majors and programs of study. In addition to our honors course selection, we also offer substantial co-curricular activities and other unique opportunities designed to enhance the college experience for our students.

The Lee Honors College offers WMU undergraduate students the ambience and benefits of a small private college combined with the resources and diverse programmatic offerings of a major research institution. Each fall and spring more than 40 honors courses, with enrollments typically capped at 20 students are offered. These courses are open only to current honors students. The honors college also offers unique educational experiences, such as the summer Study in the States program. The costs for travel associated with Study in the States courses are entirely paid by the honors college, with honors students only responsible for paying tuition.

The Lee Honors College is housed in a beautiful, modern, LEED-certified facility which offers honors students a large lounge, kitchen, classroom and conference facilities. Our Peer Student Success Team mentors are paired with freshmen to help foster a successful transition to WMU. The PSST group also facilitates a number of volunteer opportunities, encouraging groups of honors students to get involved in our local community. The Lee Honors College hosts a weekly Lyceum Lecture series featuring talks from faculty and community experts. Recent series topics have included “Climate Change”, “Race Matters” and “Living With Uncertainty”. A weekly evening series in the college, “Mix It Up”, offers a combination of professional development workshops and opportunities for students to relax and socialize. Honors students are required to complete a minimum of 18 honors credits and three credits of honors thesis. Honors credits may include study of foreign languages, independent study, study abroad, field experiences, and internships, in addition to traditional honors courses. All students are

required to complete 20 hours of community service each year. Honors students are also required to complete an honors thesis, which is an original work of scholarship or creative activity, reflecting the academic standards of the student’s chosen program of study. The thesis work is completed in close consultation with a WMU faculty expert and at least one additional committee member with significant expertise in the area chosen for study. The honors thesis is intended to allow students to apply the knowledge and skills they have gained from their studies at WMU to create an authentic work of scholarship. Examples of honors theses include senior engineering design projects, creative works of fiction, original documentaries, novel educational curricula, original performances or works of art and many other research projects and papers.

The Lee Honors College also offers several competitive scholarships, available only to current honors students. These include scholarships to support study abroad, thesis research, and presentation of scholarly works at regional, national, and international conferences. On behalf of the University, the Lee Honors College recruits and helps qualified applicants to prepare for prestigious scholarships including the Rhodes, Gates Cambridge, British Marshall, Goldwater, Truman, Fulbright, Mellon Fellowship, and Morris K. Udall Scholarship. Upon completion of the honors program requirements, students graduate from the Lee Honors College with recognition in the WMU commencement program, on the diploma, and with special notation on the academic transcript.

DEFINITIONS OF TERMS USED IN THE 2011-2012 FACT BOOK

All Students indicates all students taking courses at WMU, including regional sites.

Bargaining unit faculty are those faculty appointed by the Board of Trustees who are represented by the WMU chapter of the American Association of University Professors (AAUP). As such, they all have academic rank. Most of the positions have an instructional function; however, some, notably those in the library and counseling center, are not instructional and are omitted from counts that specify instructional faculty. See [Faculty Information, Faculty Data Definitions](#) for more detail about definitions of items related to faculty.

Census refers to the first business day after the drop/add period of a semester.

Curriculum is now referred to as “Program.”

Data on Students Enrolled is a statistical summary report based on census enrollment.

Degree-seeking students are those students who are officially admitted to the University in a degree program as either full-time or part-time students.

FYES is an abbreviation for Fiscal Year Equated Students. To calculate FYES, the total student credit hours (SCH) for the fiscal year are grouped by student level. The SCH at the undergraduate level are divided by 30, SCH at the master’s level are divided by 24, and doctoral and specialist credits are divided by 16. FYES is commonly used among Michigan colleges and universities to provide comparative enrollment data. FYES should be distinguished from the definition of

individual students who attend full-time or part-time.

FTIAC stands for First Time In Any College and refers to full-time, degree-seeking, undergraduate students enrolled for the first time in any college.

Full-time instructional faculty refers to instructional bargaining unit faculty and academic department chairs who are full-time. Inclusion and exclusion of individuals are based on the instructions for reporting to government agencies, i.e., IPEDS. (See [Faculty Information, Faculty Data Definitions](#) for more detail about definitions of items related to faculty.)

Full-time student/part-time student refers to the classification of individual students based on the number of credits each is carrying in a semester. Undergraduates are considered full-time when they take 12 or more credits during the fall or spring and 6 credit hours during the summer sessions. Graduate (master’s, specialist, and doctoral) students are considered full-time when they take 6 or more credits during the fall or spring and at least 3 credits during the summer sessions.

IPEDS stands for Integrated Postsecondary Education Data System, a system for annual reporting of institutional data to the federal government.

Major is a concentration of related courses generally consisting of 30 to 50 semester hours of credit. A student may have more than one major.

Program is a complete program of study, as defined by a college, leading to a degree.

Student Credit Hours (SCH) is the enrollment in a course multiplied by the credit hour value of the course. For example, if 30 students attend a three credit hour course, the SCH for that course is 90. The total SCH for the University is the sum for all course sections.

Student headcount is the count of individual students enrolled for one or more credit-bearing courses during the time period illustrated. This count is taken at the same time each semester (Census Day) as set by the Board of Trustees.

Note: Full-time/part-time status for each row is determined by the credit hours taken at the indicated campus. For example, an undergraduate student taking 12 main campus credits and three EUP credits would be counted as full-time on the main campus, part-time in EUP and full-time based on total hours. As a result, full-time main campus plus full-time EUP may not equal the full-time total.

* The percentage of return is based on the number in the freshman class; for example, there were 4,305 freshmen in the 1999 entering class, 78.4% returned for their sophomore year, and 40.3% (of the original 4,305) returned for their 5th year.

** The cohorts are adjusted for students that are deceased or on active military leave in the calculation of the retention and graduation rates as specified by the CSRDE. Starting in 2010, active military leave is no longer included in the adjustment.

MEDALLION SCHOLARSHIP PROGRAM 2013-14

THE PROGRAM

The Western Michigan University Medallion Scholarships were created in 1984 under the leadership of Trustee Emeritus J. Michael Kemp. These \$50,000 awards are among the largest merit-based scholarships at any public university in the United States. These awards have been made possible through the generosity of alumni, friends, corporations, foundations, and other organizations. More than 15,000 outstanding high school seniors from numerous states have participated in the Medallion Program since its inception. A total of 534 students have been named Medallion Scholars and have received the top awards totaling more than eight million dollars.

Competition Day, 2013

No. of students invited	1,709
No. of student competitors	729
No. of parent participants	1,109
No. of high schools represented	340
No. of states represented	8
No. of cities represented	299

COMPETITION ELIGIBILITY

Students who are U.S. citizens or legal residents, who have a cumulative GPA of 3.70 on a 4.0 scale at the end of their junior year and an ACT composite score of 26 (SAT math + reading of 1170), and who applied to WMU by December 2nd were invited to the competition.

THE SCHOLARSHIPS

Medallion Scholarships, \$50,000: These awards represent the highest honor an incoming WMU freshman can receive. At least 20 Medallion Scholarships will be awarded to those students who demonstrate the highest academic promise (\$12,500 per year).

Dean's Scholarships: These awards are given to students who participate in the Medallion competition and are not awarded a Medallion Scholarship. Finalists in the Medallion competition will receive \$6,000 over two years. All remaining competitors will receive \$3,000 for one year. In addition, Dean's Scholarship recipients who live in the residence halls in both the 2013-14 and 2014-15 academic years will be awarded a \$4,000 Residence Hall Award for the 2014-15 academic year.

Scholarships Accepted

Medallion	20
Dean's	287

SELECTION CRITERIA

After the on-campus competition, the top 40 scoring participants are invited back to campus to interview with the Medallion Selection Committee. Scholarships in the Medallion Program are awarded based on performance during the competition and the second-round interviews, without regard to financial need.

CAMPUS LIFE The Division of Student Affairs

Student Affairs fosters involvement, growth, and development in safe, healthy, and inclusive learning environments. All of the programs and services within the division are intentionally designed to support the academic mission of the University, create and sustain optimal learning environments both in and outside of the classroom, and provide appropriate challenge and support for students. A vital component of WMU, Student Affairs helps to guide the development of students into responsible citizens and future leaders.

Residence Life

Residence Life strives to create living-learning environments where students learn, grow, and develop into successful members of the University community. Learning is woven into all aspects of the residence life experience through programs, academic resources and services, opportunities for involvement, and living-learning themes.

Residential learning communities exist in most halls, including academic learning communities connected to WMU academic colleges. Specialized housing also exists for transfer students.

Opportunities for involvement and leadership development are numerous and include attending hall programs, holding leadership positions in the hall, and serving on campus-wide residence life committees.

Approximately 4,800 students live in the 12 residence halls on campus. Each hall offers a different living option, whether it is suite-style or traditional community option, upper class-only halls, extended quiet hours, or Super Singles. Approximately 800 students live in on-campus apartments. The brand new Western View Apartments opened in August 2011 and house up to 327 upper class and graduate students in one, two, three, and four bedroom apartments, with both furnished and unfurnished options available. Western View Apartments. Phase II opened in August 2013 and provides 142 additional beds to students.

Slated to open in Fall 2015, an innovative, new residence hall is now under construction in the center residential neighborhood.

For more information about Residence Life, please visit www.wmich.edu/housing or call (269) 387-4735.

The Student Media Group

The Student Media Group at Western Michigan University is comprised of the *Western Herald*, WIDR FM, and the Young Broadcasters of Tomorrow (YBOT). These student-run organizations offer unique and valuable opportunities for students to involve themselves in all areas of the local multi-media environment.

Western Herald

Since 1916, the Western Herald has been WMU's primary media source for students. The Western Herald serves to inform students about sports, local and national events, and arts and entertainment. The Western Herald is available in print and online (www.westernherald.com), via its mobile app, email newsletter and social media.

The student staff at the Western Herald is primarily responsible for conducting journalistic research, writing, editing, photographing, and reporting on campus and local news. Employment and volunteer opportunities are available.

89.1 FM WIDR

WIDR FM is WMU's student-run, noncommercial radio station. Established in 1953, WIDR FM provides a distinctly alternative music and programming experience 24/7/365 at 89.1 FM and online at www.widrfm.org.

The student staff at WIDR FM is primarily responsible for overseeing on-air DJ shifts, producing promotional recordings for airplay (grants, liners, PSAs), reviewing and acquiring new music, and organizing events. Employment and volunteer opportunities are available.

Young Broadcasters of Tomorrow (YBOT)

The Young Broadcasters of Tomorrow (YBOT) is a student-run media group dedicated to involving students interested in video production, editing, reporting, and more. Created in 2012, YBOT produces video designed to keep WMU students informed on current events, local and national news, and other areas of interest. Content by YBOT is distributed on its website, www.ybotconnects.com.

- Greek Life
- Campus-wide programming
- Leadership development and volunteer services
- Faith and spiritual development/Kanley Memorial Chapel

There are nearly 400 registered student organizations and agencies representing approximately 10,000 – 12,000 members.

- 5 percent of the WMU undergraduate population belongs to a fraternity or sorority organization
- The Office of Faith and Spiritual Development supports 20 campus ministries

Student organizations by category include:

- Academic
- Cultural/International
- Faith and Spiritual
- Fine Arts
- Greek Life
- Honorary Societies
- Media
- Political/Social Action
- Service Based
- Special Interest
- Sports and Recreation

Counseling Services

Counseling Services, located in the Sindecuse Health Center, is dedicated to helping students working through educational and personal issues. The Counseling Services clinical team comprises both faculty and staff, including licensed psychologists and nationally Board Certified licensed professional counselors who provide psychological services including the following:

- Psychological intake
- Evaluation
- Assessment
- Individual, couples, and group counseling
- Crisis intervention
- Outreach services

Student Conduct

The Office of Student Conduct (OSC) enhances student learning and personal development by creating an educationally purposeful, disciplined, and caring community. OSC staff educates students and the campus community on student rights and responsibilities. The conduct process is focused on promoting character development, citizenship, civility, and diversity.

- Alleged violations of the student code are resolved through an educationally based process.
- OSC staff collaborates with the Professional Concerns Committee within Faculty Senate to manage and facilitate the academic integrity process. OSC provides training for faculty and student members of the Academic Integrity Hearing panels.
- OSC staff provides training for administrative hearing panel members, the University Appeals Board, and student conduct boards.

Career and Student Employment Services

“What can I do with my major?” “How do I get an internship?” “What skills are employers looking for in new graduates?” Our office helps students discover, career choices. In addition, we help new graduates identify job opportunities, and track where they land after graduation. Here are a few of our services:

- The Career Zone: a drop-in resource center open Monday-Friday and staffed by career coaches
- Career counseling: individual appointments with professionals to discuss your unique career questions
- Workshops covering relevant job search and career planning topics throughout the year
- Job fairs: majors-specific and campus-wide events for students to connect with employers for networking
- Job listings: internships, summer jobs, part-time and full-time jobs, and an application system through BroncoJOBS
- Industry information sessions, employer panels and campus interviewing by recruiters

Employers have identified key skills needed in college graduates, and students gain these through campus employment, community service, work study and part-time jobs. Building skills pays off in the end; the average 2012 starting salary for an undergraduate was \$40,000-\$45,000. (Based on student-reported salaries from the Post-Graduation Activity Survey 2011-12. More than 70 percent reported working in Michigan after graduation.)

University Recreation

University Recreation (UR) is committed to creating healthy environments that engage students and the university community in learning and personal development. As the administrating unit of the Student Recreation Center (SRC), the department caters to a diverse population of internal and external patrons, as well as regional and state organizations.

University Recreation continues to contribute to WMU’s ability to recruit and retain students, faculty and staff by offering programs and services that meet the needs and expectations of this constituency.

During 2013, over 376,000 accesses were recorded through the turnstiles where the campus community engaged in some form of leisure activity. Ninety-five percent (95%) of survey respondents indicated they used the SRC more than once per week. Through a survey assessment conducted in 2013, students using the SRC noted the following top three changes about themselves: more energy, less stress, and greater self-esteem. Students also indicated that their use of the SRC assisted them with healthy choices/habits, confidence, appreciation of diversity, and time management.

University Recreation employs six professional staff, six graduate assistants, and 200 student employees who support the vision for a positive, healthy and active lifestyle through recreational programs and services.

- Over 1,500 fitness classes with 13,981 participants were tracked in various fitness and wellness programs by UR in 2013.
- Intramural Sports offered 35 different sports ranging from flag football to badminton, with nearly 7,500 participants. Intramural Sports played 3,800 games with 70 officials for 1,300 teams. There were over 2,500 climbing wall participants, with 1,700 being resident hall participants in the 2012-13 academic year.
- The SRC is 240,000 square feet of activity space that also accommodates a series of rentals and special events. In 2013, there were 2,105 tours of the SRC with 21,918 visitors.
- The SRC is in operation 102 hours a week in the fall and 108 hours a week in the spring. The Seelye Center is open 25 hours a week for sport clubs and intramural sports.
- The SRC is the host site for the WMU Health and Wellness Expo, International Night Netfest, Special Olympics, Science Olympiad, Campus Classic, Relay for Life, high school grad bashes and post proms, and many other community events.

Sindecuse Health Center

The Sindecuse Health Center offers comprehensive services to students, faculty, staff, retirees, and dependents aged 12 years and over.

Experienced, multidisciplinary personnel provide convenient and cost-effective services in a caring environment. We offer clinical care by appointment and health education services including:

- acute illness and injury care
- preventive health services including immunizations, allergy shots, and nutrition counseling
- lab and x-ray services including orders from outside clinicians
- physical therapy, rehabilitation, and massage therapy
- individual, group, or couples counseling
- psychiatric and mental health care
- health promotion and education programs that support students in making healthy, safe choices

Sindecuse Health Center maintains accreditation under the standards set by the Accreditation Association for Ambulatory Health Care, Inc.

Clinicians at Sindecuse are board-certified and other health professionals are certified, licensed, or registered in their areas of expertise.

Health services include:

- routine medical care by appointment
- gender-specific reproductive health care
- podiatric care
- evaluation and treatment for ADHD and other learning disabilities
- occupational medicine program
- physical therapy and rehabilitation
- mental health services
- orthopedic evaluation

Counseling services offers assessment and counseling to WMU students. The nursing staff provides pregnancy testing, immunizations, TB skin testing, allergy injections, international travel consultations, smoking cessation assistance, and other services. The health promotion department prevents disease and promotes healthy behavior and environments through nutrition counseling, massage therapy, alcohol risk reduction, peer education, sexual assault resource center, theater productions, social marketing, advocacy, and wellness workshops, as well as HIV counseling, testing, and education. Our sports medicine department and international travel clinic are open to the community.

Office of Diversity and Inclusion
Mission Statement

WMU envisions an academic community that affirms the dignity, value, and uniqueness of each person. As such, we intend to pursue the recruitment, retention, and promotion of a more diverse administration, staff, faculty, and study body. We will accomplish this by addressing the causes and sources of structural inequalities and changing the decision-making processes that prevent “genuine participation” of all university constituents.

Disability Services for Students

Disability Services for Students supports and advocates for students with disabilities. We are committed to ensuring that every student has access to and equal opportunity to excel in every aspect of the university experience. DSS has over 700 students who are registered with our office and receive academic accommodations.

A student with a disability would include any student who has a physical or cognitive impairment which substantially limits one or more major life activities. Major life activities include but are not limited to: walking, seeing, hearing, speaking, breathing, learning, and working.

Services:

- Learning Disability/ADHD - Test Accommodations-extended time, individual testing room, reader/scribe, text material in alternate format, copies of lecture outlines and overheard material
- Deaf and Hard of Hearing - Loan of FM amplification equipment, ASL interpreter, and CART

- Mobility Impairments - Accessible map information, provision for snow removal, test accommodations, and referral for library research and retrieval
- Blind and Visual Impairments - Text material in alternate formats, adaptive computer lab, testing accommodations-test reader/scribe, enlarged print, and extended time
- Other Disabilities and Services - Advocacy for students with chronic health condition or psychological disabilities, on-campus transportation for students with temporary issues, such as broken legs and other mobility limitations, and assistance with long-term transportation for other mobility limitations.

For more information, visit www.wmich.edu/disability services.

Division of Multicultural Affairs Mission Statement

To support the University's efforts in the attraction, persistence, and graduation of diverse students through programs and services that will enable them to contribute to the advancement of our campus community and a multicultural world.

Center for Student Learning and Development

Alpha Kappa Mu Honor Society

The Alpha Kappa Mu Honor Society at WMU is a member of the National Association of College Honor Societies. Initiated at WMU in 1989, it is the only chapter of Alpha Kappa Mu in the state of Michigan. The purpose of the Alpha Kappa Mu Honor Society is to promote high scholarship, encourage sincere and zealous endeavors in all fields of knowledge and service, and develop an appreciation for scholarly work and scholarly endeavors in others.

College Assistance Migrant Program

(WMU-CAMP) is federally funded by the U.S. Department of Education, Office of Migrant Education. The program's goal is to provide supportive services to migrant and seasonal farm workers or their dependents, to assist them in the successful completion of their first year of college and persist toward degree attainment. WMU-CAMP provides services and resources in the areas of academic guidance, career planning and development, intellectual and cultural enrichment, as well as some financial assistance based on individual need.

Martin Luther King, Jr. Academy

The Martin Luther King Jr. Academy is a four-tiered comprehensive program designed to offer academic, social, and professional development support and services that assist program participants from their first year at WMU through graduation. At each level, students are provided academic course review and coaching, tutoring, campus life/socialization, as well as cultural and wellness education and programming.

Michigan Campus Compact Service-Learning Project

The Michigan Campus Compact Service-Learning Project engages WMU students in service-learning opportunities that address issues around college access for youths and families who historically are less likely to attend college. Service learners go out to local schools and community-based organizations and provide tutoring and information to ensure an understanding of the process, and assist with preparation for a post-secondary education.

Steps Toward Exhibiting Mastery (STEM) Program

The STEM Program is designed to promote student success and to increase college graduation rates for students who experience challenges academically and/or economically. Eligible students are provided academic support through tutoring, mentoring, counseling/advising referrals, multicultural activities, educational seminars, career and graduate school planning, and other resources designed to enhance their education and college experience, as well as to enable them to achieve a post-secondary degree.

Office of Lesbian, Bisexual, Gay & Transgender (LBGT) Student Services

The office of Lesbian, Bisexual, Gay & Transgender (LBGT) Student Services provides support, education, and advocacy to the WMU community to create an environment in which all people are supported and welcome, inclusive of their general identity/expression and sexual orientation.

SpeakOUT! Speakers Bureau Program

SpeakOUT! is a panel discussion program designed to increase awareness about people of different sexual orientations and gender identities through peer contact and conversation with audience members. Trained panelists share their experiences coming out as LBGT or allies and engage audiences in question-and-answer style discussion. SpeakOUT! panels are requested by a variety of classes, residence halls, and student organizations every semester. Panelists meet regularly to foster a community of support, friendship, and continuing education. Training for panelists is held each fall and spring semester.

Fall Fab Fest

Fall Fab Fest is a welcome event offered at the beginning of the fall semester to support LBGT and ally students in the greater Kalamazoo area. The event features an information tent with representatives from LBGTA-friendly resources available on area college campuses and in the local community.

First Year Pride Alliance

The First Year Pride Alliance is a cohort of first year students who meet in a relaxed, inclusive, and safe space to find a peer support while learning more about LBGT history, social justice and LBGT-supportive resources. The alliance prepares first year students to succeed by addressing many of the unique challenges facing LBGT and ally individuals while providing the tools to thrive in a University environment. First Year Pride Alliance builds relationships and knowledge among first year students to support their entire college experience.

Lavender Graduation

Lavender Graduation is a celebration that recognizes graduating LBGTA students' contributions to the university and acknowledges their achievements throughout their college experience. Students are recognized for their leadership, success, and achievement. The ceremony recognizes students, faculty, staff and groups who have made significant contributions to LBGTA-inclusion at WMU.

LBGT Resource Room and Library

The Resource Room is open 9 a.m. to 5 p.m., Monday through Friday during the fall and spring semesters. As a safe, non-judgment space the Resource Room is open to students, faculty and staff as a place to study, find resources, rest between classes, watch movies, and more. Walk-ins are always welcome.

LBGT Student Advisory Council

The Student Advisory Council meets with various university units to inform the Office of LBGT Student Services on diversity and inclusion efforts. The council works to identify areas of opportunity throughout the university with a focus on creating a safe and welcoming campus inclusive of sexual orientation and gender identity.

FACULTY DATA DEFINITIONS

Faculty Data: The tables and graphs in this section of the Fact Book contain data about WMU faculty. Several of the tables provide faculty headcounts based on different categorizations.

For general purposes the University describes its faculty number as 923 regular and 548 part-time. Other groupings of faculty represented in the following tables are described below:

American Association of University Professors (AAUP) Reports: Each year, the University participates in a national study of the salaries of full-time instructional faculty prepared by the American Association of University Professors. The data are prepared in compliance with the definitions supplied by the National AAUP. Data from this study are compiled in Table 36.

Bargaining Unit Faculty: The AAUP represents 870 faculty (Fall 2013), including board-appointed ranked faculty. Ranked faculty includes ranked faculty in the Library, Academic Affairs, the Center for English Language and Culture for International Students, and Sindecuse Health Center. Administrative positions, including department chairs and directors, are excluded from the bargaining unit. A specific listing of those included and excluded in the bargaining unit is provided in Article I of the contract between the AAUP and the University.

Term Appointment: Term appointment refers to a board-appointed faculty position represented by the AAUP that has a specific duration, usually one year. A person in such a position is not eligible for tenure.

WMU Alumni Geographic Distribution (2014)

WMU Alumni Geographic Distribution (2014)

Total addressable alumni*

There are 185,000 WMU alumni worldwide.

About 96 percent of all WMU alumni (178,403) live in the United States.

The largest populations of WMU alumni outside the United States are in Malaysia (about 1,600), India (800), Japan (600), Canada (400), China (500) and Thailand (400).

Of the 178,403 alumni who live in the U.S., about three-fourths (130,000 alumni) live within a five-hour driving radius (300 miles) of Kalamazoo, which includes Milwaukee, Chicago, Indianapolis, Cleveland and Columbus, Ohio, and most of Michigan's Lower Peninsula.

There are 124,101 WMU alumni in Michigan.

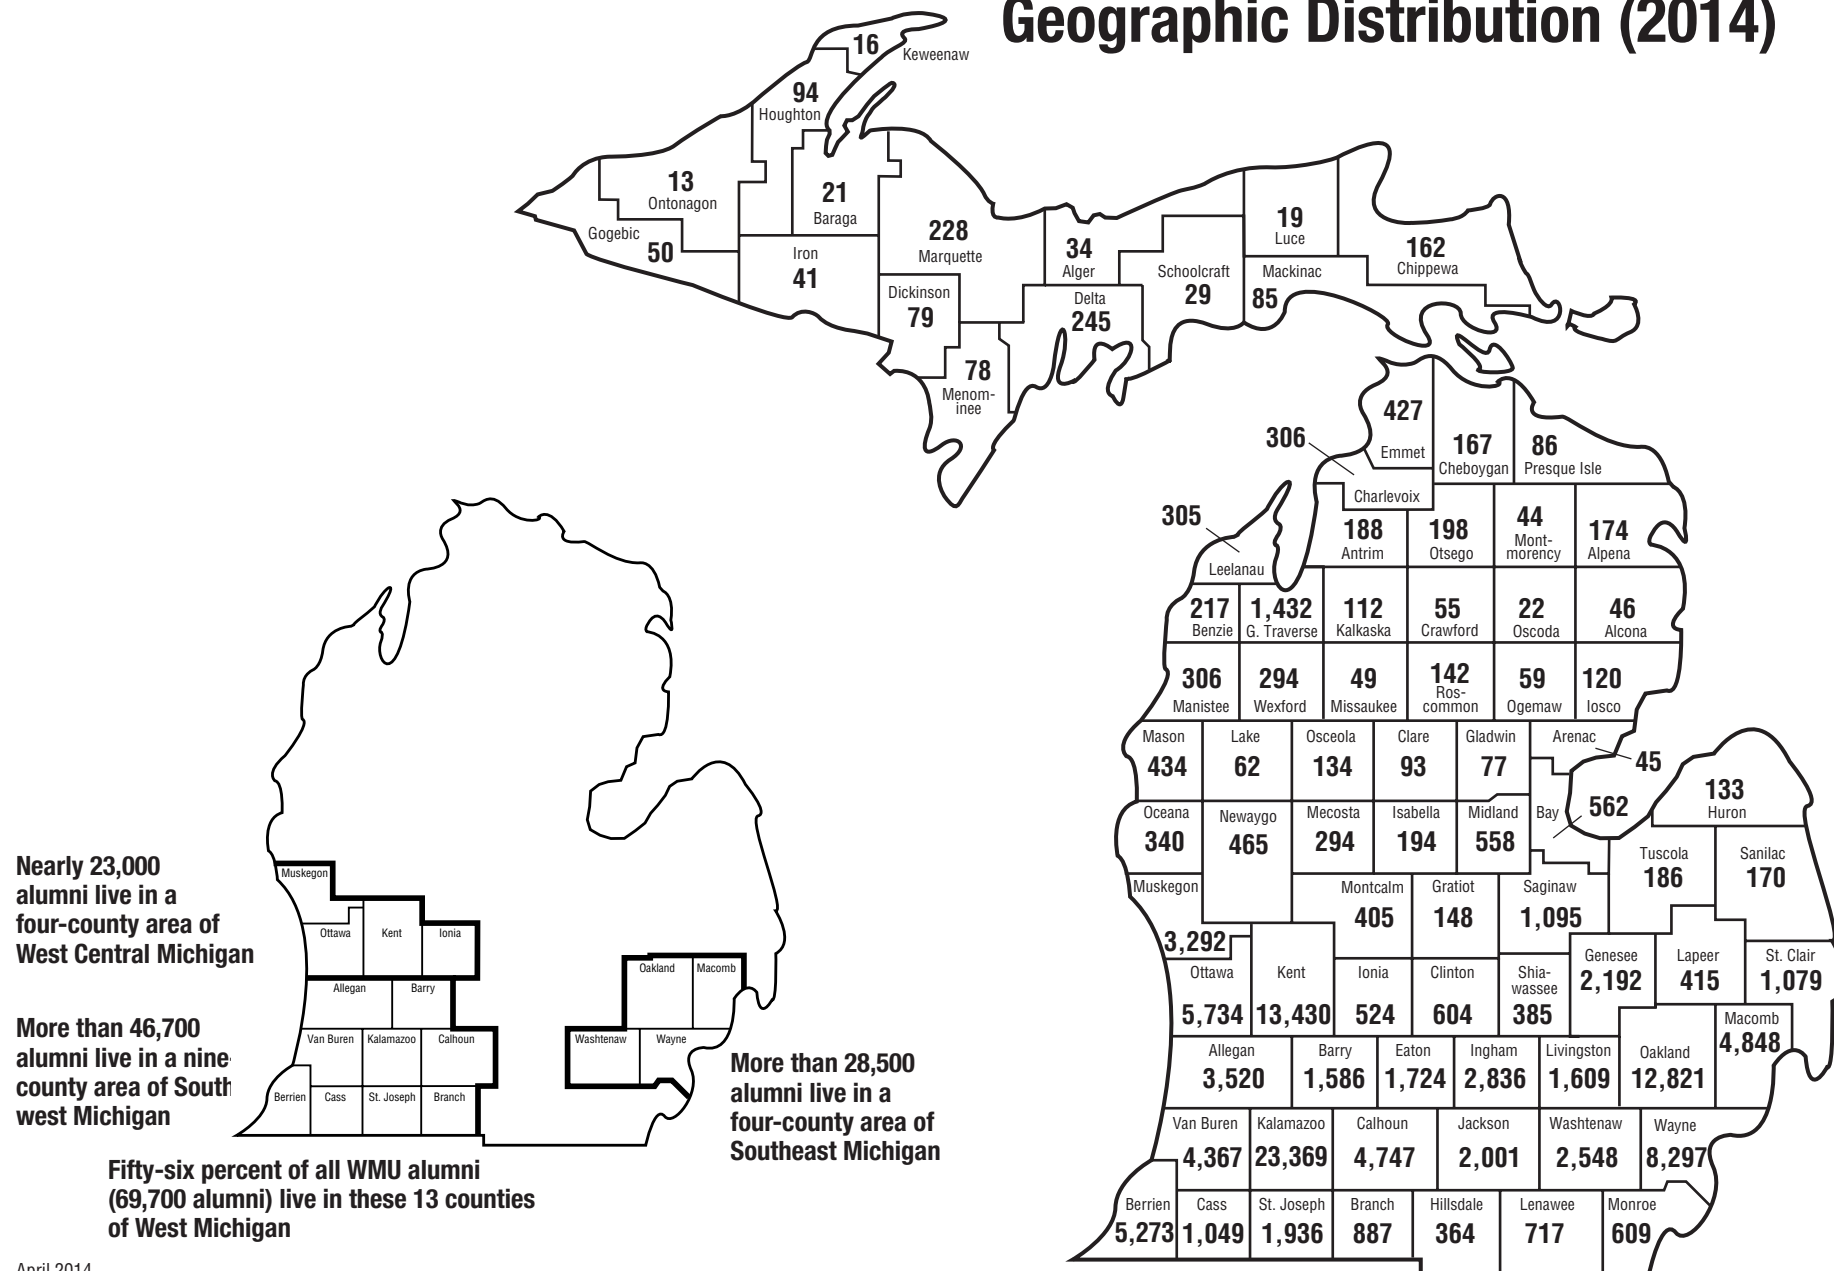

Two-thirds (67 percent) of all WMU alumni live in Michigan.

More than 90 percent of Michigan's WMU alumni live in the Lower Peninsula, south of a line extending from Muskegon County in the west to St. Clair County in the east.

*Verifiable, living alumni, includes both those who earned degrees at Western Michigan University and some former students who did not earn degrees. The WMU definition for "non-graduate alumni" has varied over the years. The alumni population is continually changing. Within one year of this report, actual alumni counts may vary by plus or minus 20 percent of the figures presented here. Population relationships and ratios are less likely to vary significantly.
