## ROUND ROBIN

*Dorothy E. Smith, Editor*

Dear Editor:

I would like permission to copy (ditto machine) an article that appeared in *Reading Horizons* Winter 1970 entitled "A Multi-Media Approach to Reading" by Lucetta A. Johnson of the Allegan Public Schools.

I am the school librarian (grades 1-6) and materials center director, and would like to distribute this article to all my classroom teachers during National Book Week in November. It is one of the best things I have read on the use of multi-media materials in the classroom.

If I get your permission to copy this material, it will have a much wider circulation of good ideas that teachers can actually use.

We look forward to receiving *Reading Horizons*. It is one of the best magazines out to promote reading. Best wishes to your staff on producing such a worthwhile magazine.

Dear Editor:

I very much like the Ten-Second Reviews by Blanche O. Bush. They save those of us in the field a lot of work, while helping us keep up with what is written about reading.
